

HP Color LaserJet Pro MFP M177fw

Ideal for businesses that want to boost productivity and print professional-quality marketing materials without leaving the office. This HP LaserJet Pro Color MFP prints, copies, scans in vibrant colour, and sends faxes.

Fit this compact, colour MFP in small spaces, and finish print jobs in fewer steps.

- Get brilliant, consistent colour using Original HP LaserJet print cartridges, and print crisp text at the same black cost-per-page as from a black-and-white HP LaserJet².
- Handle big copy jobs with the 35-page automatic document feeder, while you work on other business.
- Expand your media options with support for a wide variety of media types.
- Speed through document tasks: get the first print out in a matter of seconds. Set the pace for success with an MFP that prints, copies, scans and faxes fast.

Easy control at your fingertips.

- Set up each task with just a few simple taps on the 7.6 cm colour touchscreen, and access apps that make document management easier.
- No delay: get started fast with HP Smart Install – no CD needed³.
- Easily copy both sides of a two-sided ID or other small document onto the front of a single-page.
- Help save energy with HP Auto-On/Auto-Off Technology – intelligence that can turn your printer on when you need it and off when you don't⁴.

Print on your terms.

- Print from virtually anywhere using your smartphone, tablet, and PC – with HP ePrint and Apple AirPrint^{1, 5}.
- Extend your printing reach. Easily set up, print, and share using built-in Ethernet and wireless connectivity.
- Easily manage your MFP with convenient device management tools.

¹ Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to the printer. Wireless performance is dependent on physical environment and distance from the access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details. ² Compared with HP LaserJet Pro MFP M125 and M127 series. Assuming customer is printing at least 30% of total pages in colour with content similar to the colour ISO/IEC 19798 test suite (iso.org/jtc1/sc28) and overall average job length of three pages. Yields established using ISO/IEC test standards. Actual yields and costs vary considerably depending on images printed, number of colour pages printed, and other factors. ³ HP Smart Install works with Microsoft® Windows® only. ⁴ HP Auto-On/Auto-Off Technology capabilities subject to printer and settings; may require a firmware upgrade. ⁵ Supports OS X® Lion, OS X Mountain Lion and the following devices running iOS 4.2 or later: iPad® (all models), iPhone® (3GS or later), and iPod touch® (third generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your OS X or iOS device. Wireless performance is dependent on physical environment and distance from the access point. OS X, iPad, iPhone, and iPod touch are trademarks of Apple® Inc., registered in the United States and other countries. AirPrint™ and the AirPrint logo are trademarks of Apple Inc.
