

ADATA MICROSDHC CLASS 4

DOUBLE THE CAPACITY TO ENRICH YOUR

ADATA microSDHC Class 4 Memory Card

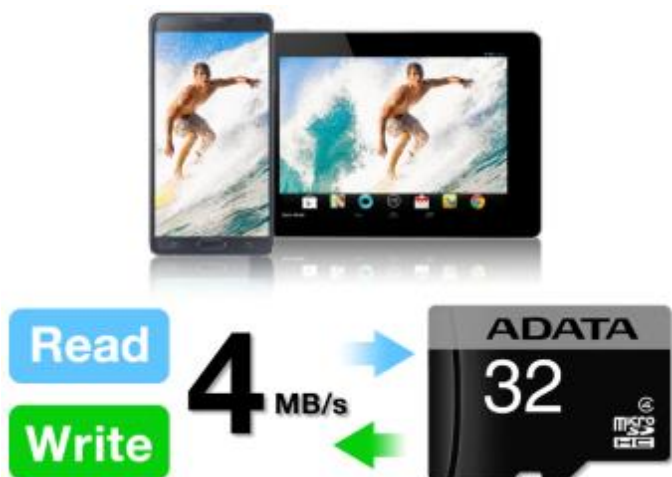

As the demand for digital storage devices continuously grows, ADATA is at the forefront with improved, top-notch memory solutions. Taking the microSD to the next level, ADATA is pleased to introduce the microSDHC (Secure Digital High Capacity), whose new interface enables faster transfer rates and expands upon the previous maximum capacity of 32GB. The ADATA microSDHC Class 4 provides cellular phones even more memory storage for multimedia, business and personal data. The microSDHC's 4 MB/s transfer rate places it as the top choice for micro storage devices and a must-have for your mobile life.

Easy to use

- Meets SD 2.0 standard
- Meets SDHC CL4 standard

More Secure, More Reliable, More Data

Featuring a maximum capacity of 32GB, the ADATA microSDHC Class 4 can store over 8,000 MP3 files, 9,600 high-resolution JPEG photos or other digital data.
