

Premier Pro SDXC/SDHC UHS-I U1 Class 10

The Premier Pro Series SDXC/SDHC memory cards meet the latest SD 3.0 specification for Ultra High Speed (UHS-I) transfer, with read / write speeds up to 95 and 45 MB per second. The high-speed read and write optimizes work for professional photographers, and allows for the enjoyment of full burst mode shooting. This solid, high efficiency, reliable and durable memory card is meets the stringent demands of professional photographers, and those who just love high-speed photography.

Large Storage Capacity

The Premier Pro SDXC UHS-I U1 memory card have capacity up to 128GB, eliminating the need for changing the card during shooting. This allows for long-term use by professional photographers.

Excellent Durability and Reliability

This remarkable transfer performance is combined with higher degrees of data protection, including: X-ray proof construction, resistance to extreme temperatures, error correcting code (ECC) and write-switch protection functions.

Excellent Performance – 350% Faster than general CL10 memory cards

Enjoy the high speed read/write speed of 95/45 MB/s!

Features

- **Fast Speed:**
Supports the latest SDA 3.0 standard & UHS50 ultra-high speed transfer
Read/Write speed up to 95/45 MB/s
- **Reliable data protection:**
X-ray proof, resistant to extreme temperatures, error correcting code, and write-switch protection functions

Specifications

- Capacity: 32GB / 64GB / 128GB
- Standard: SDA 3.0
- Dimensions (L x W x H):
24 x 32 x 2.1mm / 0.9 x 1.2 x 0.08"
- Weight: 2g
- Operation Voltage: 2.7V – 3.6V
- Performance:
Seq. R/W speed: up to 95/45MB/s
Random R/W speed: 1300/100 IOPS
- Compatibility: DSLR, Full HD Camcorder, Digital Camera
- Certifications: FCC, CE, BSMI, VCCI
- Warranty: Limited Lifetime
