Welcome...

Blakemore foodservice is part of the wider Blakemore group with a turnover of over £1billion.

The Blakemore group has been in existence for over 100 years and is headed up by Peter Blakemore who is Chairman and also grandson of the original founder.

- The whole of the business is based on strong company values
- Maximise Staff potential and their contribution to the company's success
- Give great service to all our customers and add value to our trade partners
- Make a significant positive contribution to the community
- Attain excellence in everything we do
- Behave with honesty and integrity in everything we do

Here at Blakemore Foodservice, we pride ourselves on providing great value and a wide range of products to meet our customers' needs, delivering all across England, Scotland and Wales. We offer great pricing in both our on-going and monthly promotional Save More magazine.

We are now part of the Country Range Group and you will see throughout this edition many new and fantastic high quality Country Range Own Label products. These products are at great value prices, but without compromising on the high quality. I would highly recommend trying out these products if you haven't already.

Brexit is still looming, however rest assured that we have a robust plan in place to minimise impact to supply during this period. We will endeavour to continue supply and to support our customers at all times.

We wish you a fantastic New Year and look forward to servicing you throughout 2020.
