## 14 SEER Packaged Heat Pump

All Airtemp® packaged units deliver dependable performance and their durable, attractive cabinetry complements its surroundings.

- **Efficient & Affordable:** Meets Department of Energy cooling and heating standards.
- **Compact, Low Profile:** Blends unobtrusively with all surroundings.
- **Quiet Comfort:** Heavy duty PSC condenser motor for quiet operation and long-lasting reliability.
- **High Efficiency Indoor Air Delivery:** ECM blower motor lowers operating cost.
- **Innovative:** Coil technology increases resistance against corrosion for years of dependable service.
- **Durable Finish:** Galvanized steel for added strength and durability, featuring silicone-protected polyester urethane finish that provides superior corrosion resistance, 50% better protection than standard outdoor finishes.
- **Attractive Cabinet:** Classic dark gray styling for premium product appearance.
- **Double Protection:** Wire coil guard and never-rust mesh hail guard protects coil surfaces from weather and accidental damage.
- **Optional Electric Heat:** Field installed 5-20 KW.
- **Environmentally Friendly Refrigerant**
- **Cooling Capacities From 2-5 Tons**
- **Corrosion-Resistant Drain Pan:** Quickly drains away condensate, keeping components dry.

*Built to the highest standards for the American market All Airtemp® products are designed, assembled and repeatedly and thoroughly tested in North America.*

Single Phase,  
Single Packaged Heat Pump

**14 SEER, 8.0 HSPF**

# VQ6SE Series

2 THRU 5 TON UNITS

COOLING: 23,000 - 58,000 BTUH

HEATING: 22,800 - 59,000 BTUH

The VQ6 Series single packaged heat pumps are high efficiency self contained cooling and heating units that can be installed on a roof or on a slab. The convertible unit design makes installations simple in all applications. Units are ETL and ETLc listed.

## Features & Benefits

- **Convertible Air Delivery:** Horizontal or downflow to accommodate rooftop or horizontal applications.
- **Performance Testing:** Every unit is triple checked at each manufacturing stage and all electrical and mechanical components are run tested on the manufacturing line.
- **Peace Of Mind Protection:** For long service life, in-line filter drier supplied to protect sealed system from contaminants and high and low pressure switches protect against potentially damaging abnormal pressures.
- **ECM Blower Motor:** Fixed torque energy efficient motor lowers operating cost.
- **Copeland Compressor:** State of the art scroll compressor is standard equipment.
- **Wire Guard:** Coated with earth friendly epoxy and plastic mesh hail that will never rust and protects the coil from being damaged.
- **Copper Tube / Aluminum Fin Coils:** Designed to optimize heat transfer, minimize size, and increase durability and reliability.
- **Design Using Galvanized Steel:** with a polyester urethane coat finish. The finish is 1.5 mil thick and resists corrosion 50% better than comparable units.
- **Permanently Lubricated Condenser Motor:** A heavy duty PSC motor for long lasting reliability and quiet operation. Requires no maintenance and is completely protected from rain and snow.
- **Corrosion-Resistant Drain Pan:** Quickly drains away condensate.
- **Demand Defrost:** Provides additional energy savings in heating by defrosting only when necessary.
- **Heavy-Gauge, Full Perimeter Base Rails**
- **Easy Component Access:** Designed to make maintenance easier for the contractor, access panels are provided to all controls and the compressor from the side of the unit.
- **Optional Electric Heat:**  
Field installed 5 - 20 KW

## Warranty

- This product offers a 10-year all-parts limited warranty.
- This product offers a 1 Year Replacement Pledge to replace the unit if the compressor fails in the first year of operation, to the original owner.
- Consumer product registration required for 10 year All Parts Warranty and Replacement Pledge within a limited period of time after the installation.

See current warranty document or visit our consumer web site [www.airtemp.com](http://www.airtemp.com) for warranty details.
