

COOLING & HEATING SYSTEMS

Gas/Electric Packaged Systems

Quality, Reliability and Value

10-Year All Parts Limited Warranty

Rock-solid warranty coverage to protect your investment. When you choose Airtemp® for your home comfort, your system comes with one of the best warranties in the business - 10 years on all parts.

1-Year Replacement Pledge

Outstanding Airtemp® products are worthy of outstanding protection. Should major component failure ever occur within the first year of operation, we will replace the product. See warranty details for more information.

See warranty details for more information.

14 SEER / 81% AFUE Gas Pack

All Airtemp® packaged units deliver dependable performance and their durable, attractive cabinetry complements your home's surroundings.

- **Year Round Comfort:** Economical gas heating and efficient electric cooling.
- **Efficient & Affordable:** Meets Department of Energy efficiency standards.
- **Compact, Low Profile:** Blends unobtrusively with all surroundings.
- **Durable Finish:** Galvanized steel for added strength and durability, featuring silicone-protected polyester urethane finish that provides superior corrosion resistance, 50% better protection than standard outdoor finishes.
- **Attractive Cabinet:** Classic dark gray styling for premium product appearance.
- **Double Protection:** Wire coil guard and never-rust mesh hail guard protects coil surfaces from weather and accidental damage.
- **Innovative:** All-aluminum coils for increased durability and greater corrosion resistance.
- **Quiet Comfort:** Engineered to minimize vibration, providing quiet operation.
- **Corrosion-Resistant Drain Pan:** Quickly drains away condensate, keeping components dry.
- **Environmentally Friendly Refrigerant**
- **Cooling Capacities From 2-5 Tons**

Built to the highest standards for the American market All Airtemp® products are designed, assembled and repeatedly and thoroughly tested in North America.

Single Packaged, Gas/Electric Units

14 SEER, 81% AFUE

VR8GE Series

2 THRU 5 TON UNITS

The VR8GE Series single packaged gas/electric units are high self contained cooling systems that can be installed on the roof or on a slab. The convertible unit design makes installations simple in all applications. Units are ETL and ETLc listed.

Features & Benefits

- **Convertible Air Delivery:** Horizontal or downflow to accommodate rooftop or horizontal application.
- **LP Gas Convertible**
- **Performance Testing:** Every unit is triple checked at each manufacturing stage and all electrical and mechanical components are run tested.
- **ECM Blower Motor:** Fixed torque energy efficient motor lowers operating cost.
- **Peace of Mind Protection:** For long service life, in-line filter drier supplied to protect sealed system from contaminants and high and low pressure switches protect against potentially damaging abnormal pressures.
- **Energy Efficient Compressor:** State of the art scroll compressor is standard equipment.
- **Micro-Channel Coils:** Both indoor and outdoor all-aluminum coils are designed to optimize heat transfer, and increase durability and reliability.
- **Compact Footprint/Low Profile:** with full baserail for ease of handling and curb mounting.
- **One Piece Top for Great Fit & Finish, Total Seal:** Well designed, quality construction. Drip edge on top panels whisks away rainwater. Protects components from damaging moisture.
- **Extended Life Heating Technology:** Innovative application of an appliance-type ignition system with a 20-year history of reliability. Utilizes proven Smartlite® technology.
- **Quiet Operation:** Low vibration fan blade combined w/ custom venturi condenser fan.
- **Access to Controls & Components:** Easy in and out for routine maintenance.

Warranty

- This product offers a 10-year all-parts limited warranty.
- This product offers a 1 Year Replacement Pledge to replace the unit if the compressor fails in the first year of operation, to the original owner.
- Consumer product registration required for 10 year All Parts Warranty and Replacement Pledge within a limited period of time after the installation.

See current warranty document or visit our consumer web site www.airtemp.com for warranty details.
