IMPORTANT INFORMATION REGARDING ORDERING THIRD PARTY SOFTWARE LICENSING

Contact Information: End-user (or, tech coordinator) contact information is required in order to fulfill orders for third party software licensing. Minimum required contact information includes: (1) Name of intended end-user; (2) email address and/or fax number.

Volume Pricing
Pricing of 3rd party software licensing is based on volume purchased. Higher volume purchases receive greater savings. To facilitate timely and accurate fulfillment of orders, it is essential that the part number ordered corresponds to the software license volume being purchased.

SECTION B: Third-Party Software Licensing

This is a selected list of third-party software. For a more complete list, please visit the Apple Store for Education: http://www.apple.com/education/store

Note: Products offered on this price list which do not bear the Apple Brand name are serviced and supported exclusively by their manufacturers in accordance with terms and conditions packaged with the products. Apple's Limited Warranty does not apply to products that are not Apple-branded, even if packaged or sold with Apple products. Please contact the manufacturer directly for technical support and customer service.

IMPORTANT INFORMATION REGARDING ORDERING THIRD PARTY SOFTWARE LICENSING

Contact Information: End-user (or, tech coordinator) contact information is required in order to fulfill orders for third party software licensing. Minimum required contact information includes: (1) Name of intended end-user; (2) email address, phone and fax number.

Volume Pricing

Pricing of 3rd party software licensing is based on volume purchased. Higher volume purchases receive greater savings. To facilitate timely and accurate fulfillment of orders, it is essential that the part number ordered corresponds to the software license volume being purchased.

Creativity & Productivity Tools

Microsoft®

With the initial purchase, there is a 5+ license minimum requirement, which will initiate an authorization number. There is not a minimum purchase requirement on additional orders. The agreement term is for 24 months. When the term expires, a minimum of 5+ licenses will need to be purchased to initiate a new authorization number. Customer receives license agreement via email. The authorization number is listed at the top of the license. This number is to be provided when placing reorders for additional licenses under the quantity of 5.

		Orders must include the contact name, phone number, address and email address for the license administrator.	
H3203LL/A	Microsoft	Office 2011 Academic Open License WITH Software Assurance	92.95
		Same as H3204LL/A but includes Software Assurance. When you include Software Assurance with licenses acquired through Academic Open, you acquire the right to install any new release of covered products during the term of the Academic Open authorization number under which Software Assurance was purchased, which is two (2) years from date of purchase. You also qualify to receive eLearning content (price per seat; must purchase a minimum of 5 seats for initial order).	

IT Infrastructure & Learning Services

Absolute® Software

Absolute Software provides technology and services for the management and security of mobile computers and iOS devices. For individuals, Absolute Software provides peace-of-mind by physically recovering stolen computers and remotely deleting sensitive files from them. For businesses, Absolute Software delivers state-of-the-art IT asset management - allowing organizations to reduce IT costs, address regulatory compliance, combat computer theft, and optimize the productivity of their computers and iOS devices.

Computrace Complete

Absolute Software's Computrace Complete Computer Theft Recovery, Data Protection and Secure Asset Tracking™ software helps schools securely track computers, minimize the impact of theft, and comply with state and federal data privacy regulations. Computrace Complete allows IT administrators to centrally manage every computer in their district by monitoring movement, call history, asset leasing information and software license compliance. If a computer is stolen, the Absolute Investigations and Recovery team partners with law enforcement to track and recover it within 60 days or the client may be eligible to receive up to $1000 back through Absolute's Service Guarantee. Computrace Complete enables IT administrators to track and recover stolen MacBooks; detect unauthorized software (such as chat or file-sharing utilities), or missing hardware (such as computer memory or drives); generate asset reports for upgrades, roll-outs and MacBook retirement; and remotely delete data on missing units.

What you get with Absolute Software Licensing

• Absolute Software solutions are delivered via electronic software download (ESD). The customer will receive an email that contains the license key required for product installation and instructions to activate the software.
• Absolute Computrace Complete licensing is provided as a subscription for a specified term.
• During the term of the subscription:
   – The software, and all upgrades to the software (if any), are available to use on a specific number of devices equal to the number of licenses purchased.
• Each device requires a separate license. Rights to use the software and access to technical support end at the end of the subscription term.

Computrace Complete is delivered via Electronic Software Download (ESD), separate media purchases are not required.
The customer will receive an email including Computrace Complete License Key and instructions on how to download and activate the software.

For more information on Computrace Complete: Please visit http://www.absolute.com/products/computrace, or call 1 877 600-2295.

IT Infrastructure & Wireless Networking Products

Aerohive Hardware & Aerohive HiveManager Online (HMOL) Network Management System

The distributed, scalable Aerohive cloud managed Wi-Fi architecture allows simple centralized management and delivers unique wireless/wired visibility,
control and monitoring capabilities for application and access control.
Aerohive has built in capabilities like Bonjour Gateway and integration with MDM solutions such as JAMF Software and AirWatch to specifically enhance Apple device deployments.
Aerohive Networks HiveManager Online network management system is a cloud-enabled enterprise-class management system for Aerohive networking products and offers the
same simple policy creation, firmware upgrades, and centralized monitoring options as the on-premises version of HiveManager, without the need to deploy another device in your network.
HiveManager Online is hosted within secure Tier IV SAS 70 Type II data centers, with scheduled backups and disaster recovery capabilities.

HiveManager Online is designed to make it cost effective to start small and grow a network with no upfront costs beyond the Aerohive networking devices.
HiveManager Online can be deployed in two different versions, Express and Enterprise. Express, designed for smaller, Wi-Fi-only deployments, streamlines the interface without compromising
enterprise-class features. Enterprise offers the full capabilities of the HiveManager platform for larger organizations with sophisticated policy requirements.
HiveManager Online allows administrators to start with Express and seamlessly migrate to Enterprise for no additional fee.

HiveManager Online also includes a portal called "MyHive," which provides single sign-on access to Aerohive resources such as HiveManager Online, support forums,
and a redirector server, which manages and correlates Aerohive device assignments to HiveManager Online instances.
Customers access their own HiveManager Online instance, and partners can use the MyHive system to keep track of many instances for their customers.

Important: Aerohive requires the email address of the main system administrator for the deployment to assign the HiveManager Online (HMOL) account to.
Please email apple@aerohive.com with this information.
For more information on HiveManager Online: Please visit http://www.aerohive.com/products/overview/hive-manager.html or call 866-918-9918 for additional product information.

Aerohive License Service, and Support

All access points from Aerohive Networks are bundled with a limited lifetime hardware warranty that provides replacement for access points until the end of life of the product,
which is five (5) years after the end of sale of the product. All other hardware has a one-year hardware replacement warranty.
For full details on the warranty, please see the Hardware Warranty document included with the hardware or go online to find the latest Warranty policy from Aerohive
http://www.aerohive.com/330000/docs/Aerohive_HWwarranty.pdf.

Recognizing the importance of keeping your wireless network up and running, Aerohive provides you with a robust support offering.
    Technical Support - The Aerohive support contract provides unlimited access to the Aerohive support team by email and phone (8x5).
    Software Updates - The Aerohive support contract provides software upgrades and updates to HiveOS and the HiveManager.

HiveManager Online also includes a portal called "MyHive" which provides single sign-on access to Aerohive resources such as HiveManager Online, support forums, and a redirector server,
which manages and correlates Aerohive device assignments to HiveManager Online instances.
Customers access their own HiveManager Online instance, and partners can use the MyHive system to keep track of many instances for their customers.

All Wi-Fi, Switching, and Routing equipment has a 1 or 3 year license and support included
(http://www.aerohive.com/products/overview/hive-manager.html and http://www.aerohive.com/support/offerings.html).
Wi-Fi AP (Access Point) that require external antenna have standard omni antenna also included. All equipment are priced as bundles that include all of these for 1 or 3 years.
You may purchase accessories for power, mechanical mounting, and WAN connection separately.

NOTE: First time purchase or renewals, and support terms longer than 3 years **must** contact Aerohive prior to purchase for custom order configuration.
 This is done via an email to apple@aerohive.com which must include the phone number, email address, and contact name for the main person responsible for the Wi-Fi network.
Aerohive will respond within 24 hours of email receipt.
