

Product Discontinuation Statement

This document outlines Axis products that have been discontinued or will be discontinued, and indicates the relevant replacement products.

The following products are covered by this statement:

- AXIS S9201
- AXIS S9002

Final Order Date

The reason for this discontinuation is that the products will be upgraded to Mk II versions. Since this regards an upgrade, a final order date is not applicable. The old models will continue to be sold until they are out of stock, at which time all orders shall be transferred to the new Mk II versions.
