SUSTAINABLE TRAVEL

THE TREADRIGHT FOUNDATION

Established and funded as a joint initiative among The Travel Corporation's family of brands, the TreadRight Foundation is a not-for-profit that works to ensure the environment and communities we visit remain vibrant for generations to come. To date, TreadRight has supported more than 35 sustainable tourism projects worldwide.

TreadRight's guiding principle is to encourage sustainable tourism development through conservation, leadership and support for communities. By providing grants to organisations that encourage sustainability in different destinations, we hope to maintain the natural attractions across the world that define each unique region. Foundation priorities are set by the Steering Committee, which includes sustainability leaders like Céline Cousteau and Costas Christ.

THE STORYBOOT PROJECT

As part of our continued support of the TreadRight Heritage Initiative, CostSaver is helping to fund The Storyboot School, an initiative delivered in partnership with Manitobah Mukluks Storyboot Project in Toronto, Canada.

The partnership sees the creation of Storyboot School sessions that teach the heritage art of mukluk-making to local indigenous students, while also introducing the art and culture to guests on select CostSaver tours. The project looks to revive the traditional arts by creating partnerships with elders and artisans who fashion mukluks and moccasins in the traditional way. It also allows Storyboot artisans from across Canada to display and sell their mukluks at the Bata Shoe Museum, the site of the Storyboot School.

WHAT'S INCLUDED IN THE GUIDED HOLIDAY PRICE

Inter-city Travel By private motorcoach, trains, cruises and ferries (see itineraries).

Air Transportation Not included unless otherwise outlined in each itinerary page price panel.

Guided Holiday By air-conditioned luxury motorcoaches. Please note on some regional holidays smaller motorcoaches without toilet facilities are used. If due to circumstances beyond our control motorcoaches are used otherwise than as advertised, a refund of £7 per person will be made.

Toilets may be affected by higher altitude or extreme weather conditions such as freezing temperatures and for the comfort of those on board the motorcoach the toilets may have to be closed. In these circumstances, additional rest breaks will be incorporated into the itinerary.

Hotel Accommodation Prices are per person, based on two persons sharing with private bath or shower. Triple rooms may be available on selected holidays in limited numbers. Triple rooms will often feature one foldaway bed plus one double bed. Three adults may find these rooms small and suitcase space slightly restricted. They are generally more suitable for two adults and one child. Rollaway beds are not included in either triple prices.

Every effort has been made to reserve two-bed rooms; however, on some occasions, rooms with one double bed may be the only choice available. These rooms will be allocated to single Travellers and couples first; other rooms may feature a single bed and rollaway bed, Murphy bed or sleeper sofa. A limited number of twin rooms are available with our Shared Rooming service. CostSaver shall not be responsible or liable for any claims or issues arising out of the roommate pairing. Special room requests (adjacent, connecting or lower-floor rooms, as examples) must be made at time of booking. Special room requests are not guaranteed and are based on availability at time of check-in. Many hotels are 100% smoke-free, including all guest rooms, restaurants, lounges, meeting rooms and public spaces. Smoking in a non-smoking room may result in a fine.

Substitute hotels may be used sometimes. We try to use hotels of similar standard. Hotel Frequent Traveller program points are not earned with hotels on CostSaver holidays.

Note hotel room sizes, standards, facilities and services provided may vary from country to country and region to region and are often local in style.

Cruise Per person prices are based on two persons sharing a cabin with two berths, private shower and toilet. A limited number of single and triple cabins are available.

Free WiFi Internet Service Complimentary WiFi service is available in many CostSaver hotel guestrooms and/or the

public areas of most hotels. In most countries complimentary WiFi is also provided on-board the motorcoaches except in remote locations. The WiFi on the motorcoaches uses the mobile phone network and as a result the connection will be slower than standard broadband and at times may not be available. Audio and Video streaming is not available using motorcoach WiFi. Please note that it is not available on train trips, or when the main CostSaver motorcoach is not being used, such as on transfer motorcoaches and other local services. For further information on which countries WiFi is offered in as well as daily data allowances please refer to the CostSaver website www.trafalgar.com/wifi.

Travel Director Guided holidays are conducted in English by a professional Travel Director. Airlines may impose stricter weight and size limits for luggage and may also charge fees for checked luggage, including the first checked bag. Please check with your airline(s) directly for their most current luggage regulations and related fees. CostSaver is not responsible for additional fees imposed by air carriers regarding luggage.

BOOKING CHANGES, CANCELLATIONS & REFUNDS

Booking Changes A fee of £15 or more per person, per change plus any further cost we incur, will be charged for any revision or alteration made to a reservation after the booking is confirmed. Costs and charges may increase closer to the departure date that changes are made. We will try to make your requested change but it may not be possible.

A change of guided holiday date or itinerary within 45/80 days (as detailed in the Summary Table) of departure date will be treated as a cancellation. Cancellation fees will apply except when the change is to an earlier departure date and the guided holiday price is equivalent or greater, in which case a £15 (or more) per person amendment fee will be charged. You must also pay any charges imposed by airlines for any changes, including name and date changes. This can be up to 100% of the value of the ticket.

Names Changes A fee of £50 per person will be charged for name changes or name corrections together with any airline penalties and other charges incurred.

CANCELLATIONS AND CANCELLATION FEES

Travel arrangements for any member of the party may be cancelled at any time by written notice by the person who made the booking. Please note the following:

- If notice of cancellation is received by CostSaver more than 45/80 days (as detailed in the Summary Table) prior to the guided holiday departure date, deposit will be retained.
- If final payment is not received 45/80 days (as detailed in the Summary Table) prior to departure date, CostSaver has the right to cancel your reservation. CostSaver will not be responsible for lost reservations.
- Notice of cancellation must be made in writing directly to CostSaver or through your Travel Agent.
- If a person in a party cancels and there is a name change caused by this cancellation (such as a Twin/Double to Single, or Triple to Twin/Double), charges for the new room type will be the responsibility of the remaining party.

The charges detailed in the Summary Information table will apply when notice of cancellation is given after the booking is confirmed.

• If a guest fails to join the guided holiday on the day of departure, cancellation fees will be 100% (unless the guest notifies us of the delay and joins the guided holiday later at their own expense).

• Cancellation fees as per the Summary Table apply to additional accommodation and/or chargeable transfers prior to and after the guided holiday or cruise reserved through CostSaver and are additional to any cancellation fees or other charges that may be levied by your Travel Agent.

• Airline Flights/Tickets: After deposit has been received, any change prior to airline ticketing incurs a £15 service fee per person or if after ticketing a £30 service fee per person. This is in addition to any airfare rate increase and any additional change fees imposed by the Airline. Some airfares including published fares booked by CostSaver are non-changeable and non-refundable. See Air Cancellation Section below.

• CostSaver is not responsible for other travel arrangements that you or your party has made outside CostSaver and which are affected by our cancellations.

If the reason for your cancellation is covered under your insurance, you may be able to reclaim these charges from your insurer. You or your Travel Agent are responsible to make the claim to your insurer.

Illness or Absence Early return expenses are the guest's responsibility. There is no refund for absence or early departure from a guided holiday, including but not limited to missed hotels, transfers, meals or sightseeing. CostSaver urges you to purchase travel insurance to cover such circumstances. CostSaver makes no representation or guarantees concerning reimbursement, scope of coverage, or other aspects of any travel insurance policy or claim.

AIR ARRANGEMENTS

Reservations/Ticketing CostSaver does not hold an allocation of air seats and all flight reservations are made on request and are subject to the terms and conditions of the airline. To confirm your air reservation full air payment at time of booking is usually required however on some airlines and routes CostSaver may be able to hold flight options for up to 7 days (a deposit may be required). In these circumstances,

full air payment is due within 7 days of the flight reservation will automatically be cancelled. On receipt of full air payment your airfare, taxes and fuel surcharges are final. This will be regardless of future price fluctuations up or down. When booking flights, you will be required, at the time of booking, to provide the full name as issued on the passport, passport number, date and place of issue for each guest.

Changes to flight itineraries and name changes and/or corrections may either not be allowed or may result in penalties charged by the airline. These are the guest's responsibility.

Airlines (and other travel providers including CostSaver) change prices and routes from time to time. All air routings are in the sole control of the airline and are subject to change at any time.

Air Cancellation Cancellations incur a service fee of \$75 per person, reduced to \$35 if air ticket has not been issued prior to cancellation, plus any airline penalties. Airline imposed penalties may be up to 100% of the air ticket price. Published Fares, Priced Match Fares, Promo Fares and some other airfares booked are non-refundable.

Airline Availability Seats are limited in our contracted class of service and may not be available on every flight. CostSaver does not hold block space on any airline and does not assure seat availability for every single guided holiday departure date.

Airline Seating Not all airlines offer pre-assigned seats. Some may charge for pre-assigned seats. Any additional charge imposed by airlines will be at guests' expense. Where pre-assigned seats are not offered or different seats are desired, guests must contact airline(s) directly to arrange seating assignments. Seating is solely under the airline's control, as are itinerary changes due to flight delays and schedule changes. CostSaver reserves the right to offer alternative schedules for itineraries affected by airline schedule changes and equipment. Flight delays, flight cancellation and schedule changes are the responsibility of the airline. CostSaver will not be responsible or liable for such delays or rescheduling.

Airline Special Requests Seat assignment and special meal requests can be requested at time of booking. CostSaver does not assure the request will be granted. Frequent Flyer miles can be accrued on most air carriers. Upgrades using mileage are not permitted. Many airlines do not automatically add frequent flyer numbers to records for flights booked and ticketed by CostSaver. It is the guest's responsibility to request frequent flyer credit from the airline. CostSaver shall not be responsible for matters concerning frequent flyer miles.

GENERAL INFORMATION & CONDITIONS

Guided Holiday Prices Prices are in Pound Sterling per person, twin-share and based on costs, tariffs, rates, taxes, charges, levies and exchange rates as of the date of production of this brochure (see back cover). Should these change, the price of your holiday may increase. No surcharges regarding cost or currency fluctuations will be made to the L.A.V.D. element only price once the deposit is received.

We will not increase the price of your holiday after we receive your deposit except for where there are increases in transportation costs (including cruise and airline-imposed fuel surcharges), taxes, dues, charges, fees or levies imposed by any government or its agencies and any changes to airport taxes or fees. There will be no change to the price within 30 days of your departure date.

Where holiday prices are surcharged, we will absorb an amount equivalent to 2% of the holiday price which excludes insurance premiums and any amendment charges. Only amounts in excess of this 2% will be surcharged, but where a surcharge is payable, there will be an administration charge of £1 per person, together with an amount to cover the agent's commission. If this means paying more than 10% on the holiday price, you will be entitled to cancel your holiday with a full refund of all money paid, except for any premium paid to us for holiday insurance and amendment charges, provided that you do so within 14 days of notification of the surcharge. Alternatively you may accept a change to another holiday if we are able to offer you one. If it is of equivalent or higher price you will not have to pay more, but if it is of lower quality you will be refunded the difference in price. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

Other Fees and Taxes Taxes and fees are subject to change without notice and will be confirmed at time of booking. Any additional fees charged by the airlines such as luggage handling, seat selections, and/or any other services are the sole responsibility of the guest(s). Additional air-related restrictions apply.

Guided Holiday Participation On all guided holidays children under 5 years of age are not eligible to travel. Children under 18 years of age must be accompanied by an adult, who will be responsible for their welfare and supervision. Alcoholic beverages will not be served to guests under the legal age for alcohol consumption in the country being visited. Minors under age 18 traveling to certain foreign countries must be accompanied by both parents or have a notarized letter of consent signed by the parent(s) not traveling. CostSaver is not responsible for any losses if you fail to have appropriate documentation. If the other parent is deceased or the child has only one legal parent, a notarized statement must be obtained as proof. CostSaver seeks to provide a safe, enjoyable and memorable travel experience for all guests. CostSaver welcomes guests with special needs or disabilities. Please note the following:

- Guests must advise CostSaver, at time of booking, of any physical, medical or other special needs that require accommodating. CostSaver will make reasonable modifications to its policies, practices and procedures when necessary, unless doing so will fundamentally alter the nature of the services provided.

- Guests must ensure they are medically and physically able to travel.

- CostSaver may impose safety requirements. CostSaver may exclude an individual from participating in a guided holiday or an activity if the individual's participation poses a threat to the health or safety of others. This decision, made solely by CostSaver, to exclude an individual will be based on an individualized assessment based on reasonable judgment that relies on current medical evidence or on the best available objective evidence to determine the nature, duration and severity of the risk, the probability that potential injury will occur and whether reasonable modifications of policies, practices or procedures will mitigate the risk. No refunds will be given if the decision is made to exclude a guest.

- CostSaver does not provide personal devices (such as wheelchairs, hearing aids or prescription eye glasses) or services of a personal nature (such as eating, toileting or dressing). A traveller who requires services of a personal nature (eating, toileting or dressing as examples) should strongly consider bringing a companion to provide such assistance and must understand that other Travellers, Travel Directors and CostSaver Staff will not be available for such purposes.

- Regrettably, motorized scooters are not allowed on guided holidays.

- CostSaver does not employ medical personnel. Any necessary medical attention must be sought at a local facility, if available, at the guest's expense. CostSaver is not responsible or liable for losses or costs incurred due to unavailability of medical services, or medical services obtained while on holiday, or for the quality of the care or services received. Medical care in other countries is not always comparable to care that you may receive in your local area. You are encouraged to purchase medical insurance that will cover you while on holiday. Your regular health insurance benefits may not apply abroad.

- In purchasing your holiday, you attest that you are physically fit for it. If you have concerns please request additional details about your journey from your Travel Agent or CostSaver.

- Some guided holidays include rough terrain, extensive walking over cobblestone streets, uneven pavement, steps and/or locations which may not be easily accessible or accessible by wheelchair. During the guided holiday, CostSaver may make arrangements with carriers, hotels and other independent suppliers to provide travel services. These parties are independent entities which CostSaver does not control. CostSaver cannot guarantee disability access or accommodations for guests traveling on international guided holidays.

Many Optional Experiences are operated by independent third party suppliers, not CostSaver. These are not part of the

holiday package provided by us. Your contract will be with the operator of the experience. We are not responsible for providing the experience, or anything that happens during the experience. Some experiences involve outdoor activities and/or can be physically demanding. You must make your own decisions about experiences and participate only in activities that suit your physical ability. We suggest that you speak with your medical provider if you have questions about your abilities. We recommend you check whether any insurance you have also includes your participation in adventure activities you may undertake.

CostSaver may, in its sole discretion, decline booking any guest or remove any guest who cannot comply or refuses to comply with CostSaver's terms and conditions. If this occurs, you are responsible for the cost of travel back to your hometown and CostSaver shall not be liable for your losses and no refund shall be provided.

Behaviour We are here to provide the best services possible but in doing so we will not tolerate abusive or aggressive behaviour from our guests. We will refuse to deal with and may terminate the holiday of guests who assault our Company Representatives or who are abusive or aggressive.

When you make a booking, you accept responsibility for the proper conduct of all members of your party during your stay. We reserve the right at any time to terminate the travel arrangements and/or cease to deal with any party member(s) whose behaviour, in the reasonable opinion of us or our suppliers, may cause danger, upset, disruption or distress to anyone else or damage to property. Full cancellation charges will apply and no refund will be made. We shall have no obligation to pay compensation or meet any costs or expenses (including but not limited to alternative accommodation and return transportation arrangements) guest may incur as a result of the travel arrangements being terminated.

If you damage the accommodation in which you are staying or any property, you must reimburse the accommodation provider or property owner concerned for the cost of the damage before the end of your stay if the cost has been established by them or as soon as it has been established if later. You must indemnify us for the full amount of any claim (also including legal costs) made against us. Criminal proceedings may be instigated. CostSaver is not responsible for any costs incurred concerning a guest removed from a guided holiday or aircraft, ship or train. Guests agree not to hold CostSaver or any of its related entities liable for any actions taken under these terms and conditions.

Young Traveller Discount The Young Traveller must be under age 18 on the departure date to be eligible for the discount, and must be accompanied by an adult, sharing a "twin" (triple) room. Only two Young Traveller discounts per room are permitted. Please see "Your Savings" for details.

Itinerary Variations CostSaver strives to provide guided holiday itineraries, services and features. If improvements can be made, or if circumstances beyond our control make changes necessary, we reserve the right to vary itineraries and to substitute hotels. At certain peak periods multiple departures may operate, sometimes in reverse order, which may vary from those stated on the itinerary pages. On guided holidays which include cruises, the ship may be changed for operational reasons. Departures in early and late season are potentially operated in cool weather conditions. As a result, itinerary variations may occur. Certain activities may not be precisely as described or may not be available due to seasonality or weather conditions. We will try to notify you or your Travel Agent of changes. If your enjoyment may be diminished by such limitations, please check with us or your Travel Agent before making a reservation.

In the event that we make a major change to your holiday (which does not include, for example, changes to aircraft type, change of accommodation to another of the same standard, or alteration of your outward/return flights by less than 12 hours) we will inform you or your Travel Agent as soon as reasonably possible if there is time before your departure date. You will either have the choice of accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us if available (we will refund any price difference if the alternative is of a lower value, but these booking terms and conditions will continue to apply to any alternative booking), or cancelling your booked holiday and receiving a full refund of all monies paid.

Where we make a major change to your holiday, you will also be entitled to compensation unless the change arises for unusual or unforeseeable reasons outside of our control (also referred to as reasons of "force majeure", and includes war (and threat of war), not, industrial dispute, actual or threatened terrorist activity and its consequences, civil disturbances, natural or nuclear disaster, fire, adverse weather conditions, epidemics, pandemics, unavoidable technical problems with transportation and any other similar events). The level of compensation will depend on when we inform you of the major change, although this does not exclude you from claiming more if you are entitled to do so:

Holidays & Changes During local or national holidays, certain facilities such as museums, sightseeing trips and shopping may be limited or unavailable. In such instances, itinerary changes are made by CostSaver seeking to reduce inconvenience to guests. Such changes are deemed not to be a major change to the itinerary, and no compensation will be payable to guests. Holidays, closing days and other circumstances may necessitate a change of the day of the week for scheduled regional meals, sightseeing or other activities. If, you feel your enjoyment might be diminished by any of these circumstances please check with the respective national tourist office before selecting a specific departure date.

Extended stays If you arranged with us to remain at a destination before or after your guided holiday, your stay will be at your sole expense as is the transfer to either the hotel or airport. Please see the "Extra Nights Accommodation" section for a list of pre- and post-guided holiday accommodation. Space is limited and if available is for up to three nights before and/or after each guided holiday. Breakfast and luggage handling is not included unless otherwise noted. CostSaver does not provide complimentary transfers for guests booking pre-and-post night accommodations. However, inexpensive airport transfers can be purchased from CostSaver. If your extra night accommodation is not the hotel where your guided holiday begins or ends, you will be responsible for your transfer arrangements at your own expense.

For your comfort CostSaver operates a daily seat rotation system and enforces a strict no smoking (including e-cigarettes) and no alcohol policy on board motorcoaches. Single comfort stops are made on traveling days. Many hotels, restaurants, trains, cruises and other venues are 100% smoke free.

Guided Holiday Cancellation CostSaver reserves the right to cancel or re-schedule any guided holiday departing in any circumstances, including in accordance with operating requirements or circumstances beyond its control. If cancellation is made by CostSaver any time prior to departure date of the guided holiday except when you failed to pay the final balance on time, CostSaver will either return the amount received for the guided holiday booking, or offer a comparable holiday if available. CostSaver will refund any difference in price if the alternative is of a lower price however, the Guest will be responsible for additional costs if the alternative is priced higher. CostSaver is not responsible for other travel arrangements affected due to our cancellations and is not liable for any cancellation penalties incurred on other travel arrangements including air tickets.

CostSaver will also pay compensation except in circumstances of force majeure, where the holiday is cancelled because the minimum number of guests required for a particular travel arrangement is not reached (and you are informed of this in good time) or where you fail to pay the final balance in time. The level of compensation depends on when we inform you of the cancellation, and is set out in "Itinerary Variations" above.

Travel Insurance CostSaver recommends that all guests purchase comprehensive Travel Insurance. Certain countries have a requirement for foreign visitors to have valid medical insurance on entry. CostSaver cannot be held responsible for denied entry if a guest is unable to provide details to authorities of insurance or denial of entry for any reason.

In making your booking, you consent to your personal data being passed to relevant third parties as set out above.

We may also use the personal information you provide us to review and improve the guided holidays and services that we offer, and to contact you (by mail, email and/or telephone) about other guided holidays and services offered by CostSaver that you may be interested in. If you don't want to receive this information, or if you want a copy of the personal information we hold about you, write to us at Trafalgar Tours Ltd (see address below). CostSaver may charge a fee for supplying you with this information as permitted by law. Please note: Due to the Transportation Security Administration's (TSA) SECURE FLIGHT rules, airlines are now REQUIRED to collect more specific data on their guests prior to travel documents being issued.

OTHER CONDITIONS

Each guest is required to comply with the terms, conditions, requirements, laws, rules and/or regulations of any service provider, or any country or governmental authority, and shall be liable for any such non-compliance.

We provide full financial protection for our package holidays.

When you buy an ATOL protected air holiday package, flight and/or "flight plus" holiday from CostSaver you will receive an ATOL certificate from us (or via our authorised agent through which you booked), confirming your protection under our Air Travel Organiser's License number 10148. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable

alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the Travel Agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

When you buy a package holiday that does not include a flight, protection is provided by way of a bond held by ABTA.

ABTA STATEMENT We are a Member of ABTA, membership number Y181X. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com.

Booking Arrangements Your booking arrangements can be made through your Travel Agent or with us directly. When you make a booking you must be at least 18 years of age at the time of booking. You are guaranteeing that you understand and have the authority to accept and do accept on behalf of yourself and all members of your party the terms of these booking conditions. We will deal only with the lead booking name in all subsequent correspondence and dealings. You are responsible for making all payments due, ensuring the accuracy of all personal details and other information supplied in respect of yourself and your party, notifying us of any changes or cancellations and for receiving correspondence and keeping your party informed.

Additional Optional Experiences With CostSaver, you will enjoy many famous highlights as included features on your guided holiday, at no extra cost. An exciting array of additional Optional Experiences and Activities may be made available to further enhance your experience. These Experiences and Activities are optional, and are offered at special preferential prices. They can be booked only after you start your guided holiday, as many of them are carefully programmed to coincide with highlights available at the time of your visit. A detailed list and cost of these will be included in your travel documentation as well as available on the CostSaver website. You can book and pay for them through your Travel Director, by cash or credit card. Optional Experiences may vary due to seasonal conditions and require minimum guest participation. Prices are subject to change without notice. Please also see the relevant section of "Guided Holiday Participation" regarding limitation (exclusion) of our liability for Optional Experiences operated by independent third party suppliers.

IMPORTANT NOTE It is the guest's responsibility to ensure all necessary visas are obtained prior to departure and their passport is valid as per the laws of the country that they are travelling in or through. We do not accept any responsibility and will not make any refunds if you cannot travel because you have not complied with any passport, visa or immigration requirements or if you have lost or mislaid any necessary documents (including travel documentation). CostSaver will also not be liable in circumstances where entry is refused to another country for any reason. You should also contact your GP or a specialist vaccination center for details of any measures you may need to take prior to departure. The Foreign & Commonwealth Office (FCO) may have issued information on the FCO's website at www.fco.gov.uk/travel.
