

Dear Property Owner,

On the reverse is your 2023 Notice of Assessment. It is very important that you review this information.

Please pay particular attention to the amounts under the heading "Fair Value". They are separated into land, improvements (all structures and site improvements), and personal property. Noted at the bottom of the page is "Total Valuation used to Calculate Tax". Review this amount and determine if you believe it is the approximate value of your property if sold January 1, 2023. If you disagree with the value listed, you are required to contact the assessor's office within 30 days of the date mailed, on the Notice of Assessment. At that time we will review your property and consider any information you can provide for us. If your Notice of Assessment is accurate as shown, you are not required to respond.

In the center of the Notice of Assessment you will find, "PREVIOUS YEAR PROPERTY BREAKDOWN". If the legal description of the property has changed or it was not previously assessed, no comparison information is provided. Keep in mind, if you have added or removed property from the tax roll since last year, comparison given is not a true comparison. Veteran's Exemption amounts have been excluded from these values.

An estimated amount of 2023 taxes is provided for information only. Mill levies will not be established until August 2023. We have used 2022 mill levies for estimating taxes. This is not a bill. Tax notices for 2023 will be mailed in September from the Big Horn County Treasurer and are payable at that time.

Per Wyoming Statute 39-13-103(b)(i)(A), all property in the State of Wyoming is assessed and taxed to the owner of record as of January 1.

Additional information regarding the assessment process may be accessed on our website.
