

BOISE STATE UNIVERSITY
CONCURRENT ENROLLMENT

15 TO START

Complete your first college semester before you graduate from high school

Take concurrent enrollment courses through your high school and complete 15 college credits prior to graduation!

With the **15 to Start** program, you'll get personalized degree planning, access to Boise State resources, transferable credit and reduced or free college credits.

You're a great fit for 15 to Start if you:

- Are a current sophomore
- Live in the Payette, McCall or Mountain Home regions
- Want to complete a minimum of 15 college credits before graduation
- Currently have and can maintain a 2.7 GPA
- Plan to attend Boise State University upon high school graduation
