LETTER FROM DIRECTOR

Dear Shareholders,

It is my privilege to write to you on this occasion of 32nd formation year of the Company. Artefact Projects Ltd. established in October, 1987. Your Company was Guided by the vision and advice of its Promoters who are business leaders and expert Project Professionals.

We continued our focus on our values, entrepreneurial agility, customer-centricity, and social responsibility – all of which are direct outcomes of the promoter’s vision and leadership. Building upon the accomplishments of the promoters is a humbling, and inspiring experience.

“Hope can be a powerful force, especially in difficult times.” Today, the world is facing the coronavirus crisis, a pandemic that has changed life for millions of people. It has permanently redefined the way of work and new life hereafter.

Your company prioritized the health and safety of its employees by fully adopting the preventive measures and guidelines issued from to time by the Central, State and Local authorities for the health and safety of all the employees. We switched to virtual meetings, work review and Work from Home during lockdown.

Our project sites located at remote rural locations are substantially operational.

We are witnessing massive shift for digitization, to collaborate for work on online platforms and to set a new norm of working. We are all progressing towards complete digitization which will be a big positive outcome of the pandemic.

It gives me pleasure to share with you an update on the performance of your Company for the year 2019-20. In this challenging business environment, your Company earned Gross Revenues from operations increased to Rs. 3352.05 lacs as compared to Rs.2388.15 Lacs in the last fiscal year. The increase was a substantial 40.4%. The PAT rose from Rs.132.25 lacs to Rs. 359.19 lacs (an increase of 171 %) even after making provision for Debt write off of Rs. 429 lacs during the year.

During the year, the company bagged Project Assignments orders of value of Rs. 19.75 crores in the year and was eligible for number of Projects bid by the company. It’s a benefit of Revenue Visibility of 1 year to all the Shareholders. With large number of Projects coming up for bidding, your Company expects a sizeable order book to meet Business and Revenue targets for next 3 to 4 Years. The Company plans to expand its presence in similar infrastructure verticals to ensure future growth alongwith financial consolidation.

We believe that the long term view on infrastructure growth shall remain positive.

To expand our potential, we intend to expand our presence in allied verticals in infrastructure Coming years. In 2019-20, the share price of Artefact rose from Rs.23.85/- upto Rs.52.45/- per share.

Our Endeavors shall be to now consolidate at each stage of growth milestones to increase the stakeholders’ value. We seek the Valuable Contribution of all our stakeholders to lead the Company’s business in future to greater heights.

Sincerely,

Sd/-
Siddharth Shah
Whole Time Director

REPORT ON CORPORATE GOVERNANCE

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Your Company believes that sound ethical practices, transparency in operations and timely disclosures go a long way in enhancing long-term shareholders value while safeguarding the interest of all the stakeholders. Good governance enables the Company to operate in an ethical manner, meet business expectations and fulfill its social responsibilities. Core values of 'Artefact Projects Limited' are based on integrity, respect for the law and compliance thereof, emphasis on quality services.

Sound Corporate Governance is critical for enhancing and retaining investor trust. Your Company seeks to ensure that its performance goals are met accordingly yet continues to focus its resources, strengths and strategies to be a true leader in infrastructure services, while upholding the core values of excellence, integrity, responsibility and professional excellence. The Company focuses on the need to also provide a sustainable competitive return for our investors.

As per the requirements of Regulation 34 read with Chapter IV and Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred as 'Listing Regulations'), the Directors thereby present the Report on Corporate Governance for the year ended 31st March, 2020.

BOARD OF DIRECTORS:

A. COMPOSITION:

The Board has an appropriate mix of Executive and Non-Executive Directors to maintain its independence. As on 31st March, 2020, the Company had four Directors including one woman Director. Of the four Directors, three are Non-Executive Directors out of which two are Independent Directors.

The Composition of the Board as on 31st March, 2020 was as follows:

Sr. No	Name of the Director	Category
1	Mr. Siddharth Shah	Whole Time Director
2	Mrs. Ankita Shah	Non-Executive Director
3	Mr. Sandeep Batta	Independent Director
4	Mr. Kaustubh Paunikar (appointed w.e.f 26.11.2019)	Independent (Additional) Director

The Independent Directors have submitted declarations that they meet the criteria of Independence laid down under the Companies Act, 2013 ("the Act") and the Listing Regulations and have confirmed that they do not hold directorship more than the prescribed limits under applicable regulations. The maximum tenure of

independent directors is in compliance with the Act. The Company has also issued formal appointment letters to all the Independent Directors in the manner provided under the Act read with the Rules framed thereunder.

None of the Independent Directors has any other material pecuniary relationship or transaction with the Company, its Promoters, its Directors or its senior management personnel, which would affect their independence.

None of the Non-Executive Director has any other material pecuniary relationship or transaction with the Company, its Promoters, its Directors or its senior management personnel.

B. PROCEDURES ADOPTED AT MEETING OF THE BOARD:

Minimum four Meetings of the Board are scheduled in a year, and the meetings are usually held at the Registered Office of the Company. SHAREHOLDER'S REFRENCER

At a glance:

- Face value of the Company's Equity shares is Rs.10/-
- The Company's Equity Shares are listed on BSE Limited (BSE).
- The Company's Equity Shares are under compulsory trading in DEMAT form only.
- 98.29% of the Company's Equity Shares are held in DEMAT form.
- The Company's Equity shares are freely transferable except as may be required statutorily.
- Link Intime (India) Private Limited is the Registrar & Share Transfer Agent of the Company.

Investor Grievance Handling Mechanism:

All share related transactions viz. transfer, transmission, transposition, nomination, dividend, change of name/address/signature, registration of mandate/ Power of Attorney, replacement/ split/ consolidation of share certificates, demat/ remat of shares, issue of duplicate certificates etc. are being handled by Link Intime (India) Private Limited, the Registrar and Share Transfer Agent. They also discharge investor service functions effectively, efficiently and expeditiously.

Investors are required to correspond directly with Link Intime (India) Private Limited, on all share related matters.

The Board of Directors of the Company has constituted a Stakeholders' Relationship Committee (the Committee) which *inter alia*, approves issue of duplicate certificates and oversees and reviews all matters connected with share transfers and other processes. The Committee also looks into the redressal of shareholders complaints related to transfer of shares, non-receipt of Dividend etc. The Committee oversees the performance of the R & T Agent and recommends measures for overall improvement in the quality of investor services.

Recommendation by Company to Shareholders/ Investors:

In pursuit of the Company's objective to mitigate / avoid risks while dealing with shares and related matters, the following are the Company's recommendations to shareholders/ investors:

- **Adoption of Green Initiative:**

The Ministry of Corporate Affairs has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the companies and has issued circulars stating that service of notice/documents including Annual Report can be sent by e-mail to its members. To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holdings with the Depository through their concerned Depository Participants.

- **Opening of DEMAT account and Dematerialize your shares:**

Investors should convert their physical holdings of shares into DEMAT holdings. Holding shares in DEMAT form helps investors to get immediate transfer of the shares. No stamp duty is payable on transfer of shares held in DEMAT form and risk associated with physical certificates such as forged transfers, fake certificates and bad deliveries are avoided.

- **Register ECS mandate and furnish correct bank account particulars with the Company/ Depository Participant (DP):**

Investors should provide an ECS mandate to the Company in case of shares held in physical form and in case of shares held in DEMAT form ensure that the correct and updated particulars of his bank account are available with the Depository Participant (DP). This would facilitate direct credit of dividends, refunds etc. from companies to their bank account and avoid postal delays and loss in transit.

- **Fill and submit nomination form:**

Investors should register the nominations, in case of physical shares, with the Company and in the case of dematerialized shares with their DP. Nomination would help successors to get the shares transmitted in their favor without any hassles.

- **Proper updation by the shareholders:**

There is likelihood of fraudulent transfers in case of folios with no movement or where the shareholders have either expired or is not residing at the address registered with the Company. The Company / DP should be updated on any change of address or contact details.

- **SEBI Complaints Redress System (SCORES):**

The investors' complaints are also being processed through the centralized web base complaint redressal system of SEBI. The salient features of SCORES are availability of centralized database of the complaints, uploading online action taken reports by the Company. Through SCORES the investors can view online, the action taken and current status of the complaints.

Course of action in case of non-receipt of Dividend, Revalidation of Dividend warrant etc.

Shareholders may write to the Company's R & T Agent, furnishing particulars of the dividend not received and quoting the folio number (in case of shares held in physical mode)/ DP ID and Client ID particulars (in case of shares held in DEMAT mode). The R & T Agent shall check the records and issue Demand Draft if the dividend remains unpaid in the records of the Company after expiry of the validity period of the warrant which is normally three months from the date of its issue. In case of loss of original dividend warrant the shareholders have to wait since demand draft cannot be issued till the expiry of the validity period of the original dividend warrant and the shareholder has to execute a letter of indemnity. On the expiry of the validity period if the dividend warrant is still shown as unpaid in the records of the Company, demand draft will be issued. However, demand drafts will not be issued against those shares wherein a 'stop transfer indicator' has been instituted either by virtue of a complaint or by law, unless the procedure for releasing the same has been completed.

No demand draft will be issued in respect of dividends which have remained unclaimed and unpaid for a period of seven years in the unpaid dividend account of the Company as they are required to be transferred to the Investor Education and Protection Fund constituted by the Central Government.

**FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

**To,
The Board of Directors and Members of Artefact Projects Limited
Nagpur**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Artefact Projects Limited (CIN: L65910MH1987PLC044887)** and having its registered office at Block No. 106, 3rd Floor, "Artefact Towers", 54/3, Chhatrapati Square, Wardha Road Nagpur 440015, Maharashtra (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on 31st March, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by "the Company" for the period ended on 31st March, 2020 according to the provisions of:

- i. The Companies Act, 2013 (**the Act**) and the Rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 (**'SCRA'**) and the Rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (Not applicable to the Company during the audit period);
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (**'SEBI Act'**) to the extent applicable to the Company :-

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable to the Company during the audit period);
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not applicable to the Company during the audit period); and
 - i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- vi. There are no laws that are specifically applicable to the company based on their sector/industry.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors

The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that based on the information received and records maintained there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the company has

- i. Issued 275000 equity shares having face value of Rs. 10/- each on private placement @Rs. 32/- per share (including premium of Rs. 22/- each)

MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

This analysis report briefly describes the Company, the industry and developments, the current business environment and the ability of the company to avail opportunities, exhibit strength, handling of threats/weaknesses, financial performance, internal controls and other related issues.

INDUSTRY DEVELOPMENTS:

As per the budget for FY 20-21, Finance Minister has allocated Rs. 1.70 lakh crore for accelerated development of infrastructure, covering strategic roads & highways, economic & green corridors, coastal & inland ports which has the potential to kick start the economy, boost capex cycle, and generate jobs outside urban centers, and boost consumption.

For NHAI, the Centre has proposed to monetize at least 12 lots of highway bundles, covering over 6,000 km before 2024. The Finance Minister announced that accelerated development of highways would be undertaken, including development of 2,500 km access control highways, 9,000 km of economic corridors, 2,000 km of coastal and land port roads and 2,000 km of strategic highways.

In a boost to regional connectivity in the NCR, the Centre has allocated Rs 2,487 crore to the country's first Regional Rapid Transit System (RRTS) in the Budget. A total of Rs 20,000 crore has been allocated for the Mass Rapid Transit System, which includes all metro projects across the country and the RRTS projects.

BUSINESS OUTLOOK:

India had entered into 2020 with lower growth projections on the economic front led by global economic slowdown. The Coronavirus pandemic has further created challenges in the economy and growth prospects.

However, to give a liquidity boost to the economy, since the lockdown on 25th March 2020, RBI has announced several measures infuse liquidity measures of Rs.20 Lac crores in economy and has also reduced interest rates .

In order to mitigate the effects of slowdown, due to COVID, India's GDP is expected to grow at 1.9 per cent which is still one of the highest amongst G20 countries.

There are numerous reforms initiated under ATMANIRBHAR BHARAT to encash the opportunity of migration of industries from china and to make India self-reliant by boosting domestic production and consumption.

THE INFRASTRUCTURE SECTOR – DEVELOPMENT, OPPORTUNITIES AND THREATS :

DEVELOPMENT AND OPPORTUNITIES;-

Infrastructure sector plays an important role in the growth and development of Indian economy.

The allocation of Rs.100 lakh crore for infrastructure development in next 5 years i.e. upto 2024 by the NIP announced by Central Government is a large step in the right direction to boost the economy.

More than Rs.19 lac crores will be spent on Roads, Highways and Transport Sector. The Budget also proposes accelerated development of highways.

Hence a long term sustained opportunity in the sector is envisaged.

THREATS;-

Major threat faced by the industry is imminent slowdown in the economy for 2020-21 and its aftereffects in subsequent years. The government response to the pandemic of COVID 19 and the need for coordinated monetary and fiscal policy actions will determine the speed of growth of economy. Further, constrained government revenue streams and lower tax collections may slow planned investment in infrastructure.

The businesses worldwide have been hugely impacted by the outbreak of COVID-19 epidemic which has resulted in significant reduction in economic activities across all sectors.

However the response of the Government is quite proactive and in right direction and Hence, the threats may ultimately turn out to be an opportunity.

However, The Company is serving government clients like NHAI, Ministry of Road Transport, State Government Road Development Corporations and local bodies.

These agencies have awarded long term contracts to the company which are time based and not directly linked with project progress and hence, there is no break in continuing contracts.

There is no disruption in the company's project activities, billing and claims for services even during the lock down period. The company has sufficient orders in hand to cater to next 2 to 3 years of projected turnover. Hence the company does not foresee any material adverse impact of Covid-19 on its current operations.

RISKS AND CONCERNS:

The Company's ability to foresee and manage business risks is crucial in its efforts to achieve favorable results. While management is positive about the Company's long-term outlook, it has been able to counter and overcome the possible short term risks.

Hence, your Company proposes to focus on its core strength in highways, mining and urban infrastructure to lower risks involved, and to focus in sectors where it has strong domain expertise.

A stretched working capital cycle and slow recovery of debts may be an area of concern, which is addressed by mitigating the risk of shortage of working capital finances by augmenting it provided by 20% of working capital as per RBI's guidelines on COVID emergency finance.

Management intervention and strong contract management shall reduce the risk of slower revenues receipts. The Company has also monetized a part of its non-core assets to reduce its debt burden by repayment of Term loans during the year and to save interest costs. The company has undertaken several cost saving measures and embarked upon total automation of its working and processes to rationalize its manpower costs and increase efficiency.

INTERNAL CONTROLS AND THEIR ADEQUACY:

Your Company has adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and that the transactions are authorized, recorded and reported correctly. Such internal controls are supplemented by Internal Financial Control Manual and Programme of internal audits, review of documented policies, guidelines and its procedures. These are designed to ensure that financial and other records are reliable for preparing financial information and other reports and for maintaining regular accountability of the Company's assets. The internal auditors of your Company present their report on a quarterly basis to the Audit Committee of the Board.

A Management Information System covers major operating parameters and is monitored regularly by the Board of Directors. Any material change in the business outlook is considered and a response is prepared by the Management. Material deviations from planning and budgeting are reviewed on a quarterly basis by the Board for corrective actions.

NET WORTH:

As on 31st March, 2020, the Net Worth of the Company stood at Rs.3947.49 Lacs as compared to Rs.3367.72 lacs during the previous financial year. This was mainly due to profits for the year and increase in Equity Capital of the Company and issue of share warrants. There is significant change in the Net worth as compared to the previous financial year. The Book value of the equity shares of the company stood at Rs. 68.05 per share.

SECURED LOANS:

Total Secured Loans outstanding of the Company stood at Rs. 950.69 Lacs as against Rs.1598.13 Lacs for the previous year. This comprised of Bank working capital Rs.947.94 Lacs and Vehicle Loan of Rs.2.75 Lacs.

During this year there is decrease in secured loan on account of repayment of Balance due of LAP Term Loan out of Rs.10 crores of sanctioned loan to company. The company plans to further consolidate its finances by gradual reduction of loan to achieve a status of debt free company.

FIXED ASSETS:

The gross block of fixed assets stood at Rs.2731.76 Lacs as against Rs. 3148.14 Lacs for the previous year. The decrease is on account of sale of one of the building block and separation of Assets Held for Sale (Rs.29.69 Lacs) from Fixed Assets to Other Non-Current Assets.

CURRENT ASSETS: SUNDRY DEBTORS:

Sundry Debtors stood at Rs. 1466.15 Lacs, being decrease of about 35.20% as compared to previous year. Debtors are mainly due to project billings largely outstanding of last quarter of the year, pending approvals. With all clients being Government/ PSU Clients, and considering their procedure for approvals, the formal approval based recovery makes it a business practice to sustain higher levels of Sundry Debtors as a normal business feature. The Company however continues to make efforts to reduce the level of debtors constantly.

Note: The Company has provided for write off of Trade Receivables amounting to Rs. 429.22 Lacs outstanding for more than 6 months, which are pending approvals by the Client, without prejudice to the Claims against the Clients already made thereof, as a measure of prudent accounting policy.

CASH & BANK BALANCES:

The Cash and Bank Balances stood at Rs. 147.21 Lacs mainly consisting of balance with Bank and fixed deposits, being margins for Bank guarantees issued by the company.

LOANS & ADVANCES:

Current Loans and advances stood at Rs. 1081.07 Lacs (Previous year Rs. 704.31Lacs).

CURRENT LIABILITIES & PROVISIONS (EXCLUDING CURRENT MATURITY OF SECURED LOAN):

The current liabilities and provisions stood at Rs.1562.05 Lacs (previous year Rs.2327.60 Lacs). This mainly consists of Trade Payables of Rs. 301.02 Lacs, Statutory Liability of Rs 431.32 Lacs and other payables and provisions amounting to Rs.829.71 Lacs.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS:

The Company continues its continued committed importance on its Human capital. Your company enjoys cordial relations at all level.

During the year, the organization structure of all key functions have been reviewed and strengthened so as to facilitate delivery of business goals.

The Company has adopted Indian Accounting Standard (IND-AS), notified under the Companies (Accounting) Rules, 2015.

At the end of the Year 2019-2020, the break-up of Human Resource was employment of 182 Technical, 145 Non-Technical and 45 Supporting Staff, total being 372 number of staff.

INDEPENDENT AUDITORS' REPORT

To
The Members
ARTEFACT PROJECTS LIMITED

Report on the Indian Accounting Standards (Ind AS) Financial Statements

We have audited the accompanying Ind AS financial statements of **ARTEFACT PROJECTS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including Other Comprehensive Income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2015.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act. We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design

audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Emphasis on Matter:

We draw attention to:

- 1) *Note No. 9.01 to the accompanying Statement of audited Standalone Financial Results, wherein the Management of the company had considered certain over dues and outstanding Trade Receivables from the Government clients in respect of completed Contracts, amounting to Rs.639.48 Lacs and the management as matter of prudent accounting policy and expected delays in its recovery, has written off Rs 429.22 Lacs during the quarter and year ended 3rd March 2020 (including provision of Rs 75 Lacs made upto Q3).However, any recoveries received in subsequent years out of the claims submitted therefore shall be accounted for in the year of its receipts.*
- 2) *Note No.6.01 to the accompanying Statement of audited Financial Results, regarding investment of Rs. 13.02 crores (Including cumulative interest of Rs 1.02 crores accrued thereon) in Unquoted fully compulsory convertible debentures in private unlisted companies as at reporting date. The management has represented that all investments in the said companies, based on its assessment of cash flows, investment being long term and strategic in nature and valuation report of registered external Valuers received by the company, no provision for impairment of expected Losses in accordance with Ind-As-109 "Financial Instruments" is required and the amounts are fully recoverable. We have relied on the management representation and external valuers report in this regard.*
- 3) *Note No.6.02 to the accompanying Statement of audited standalone Financial Results regarding investment of Rs. 90 Lacs in equity shares of associate company. The management based on its assessment for the current financial year and considering that the company has earned profits and has positive net worth as per audited balance sheet for the year ending 31st March 2019, is of the opinion that there is no diminution in the value of its investment in the said company and hence no provision for impairment loss is required. We have relied on the management.*
- 4) *The company has made declaration under service tax legacy dispute resolution scheme (SVLDRS) during the year. Consequent to declaration made, benefit of waiver of service tax and interest provision made in earlier years amounting to Rs 3,48,42,430/-has been written back and credited to profit and loss account for the year.*
- 5) *The impact of pandemic in immediate future cannot be quantified as on date. However, the Management is of view that there is no expected significant adverse impact on the continuity of operations of the business on long term basis/ on useful life of the assets/ on financial position, etc.*

Our opinion is not Qualified in respect of above matters.

Opinion

Based on our audit conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with IND AS prescribed and other recognized accounting practices and policies, and has not disclosed the information required to be

disclosed in terms of Regulation 33 of the Listing Regulations, 2015 read with SEBI circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 ('the Circular')

Key Audit Matters:

Except for the matters described in Emphasis on matters for paragraphs above, we have determined that there are no other matters to communicate in our report.

Other Matters

The Financial statements and other financial information include the companies proportionate share in jointly controlled total assets of Rs. 237.48 Lacs, revenue of Rs.11.16 Lacs, expenditure of Rs.14.35 Lacs and share of loss of Rs.3.19 Lacs in joint ventures for the year ended March 31, 2020 and the elements making up the cash flow statements and related disclosures in respect of unincorporated joint ventures which is based on the audited financial statements of the respective joint ventures audited by us.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company, so far as it appears from our examination of those books;

“ANNEXURE A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in Paragraph 1 (f) of the Independent Auditors Report of even date to the members of Artefact Projects Limited on the standalone Financial Statements as of and for the year ended March 31, 2020)

Report on the Internal Financial Controls With reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Controls with reference to Financial Statements of **ARTEFACT PROJECTS LIMITED (“the Company”)** as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Financial Controls over financial reporting and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's

internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has in all material respects, an adequate internal financial control system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India .

The Company is primarily engaged in project consultancy business in India.

Note 1 Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements of the Company. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.01 Basis of preparation
i Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016] and other relevant provisions of the Act.

The financial statements up to year ended March 31, 2017 were prepared in accordance with Indian GAAP, including the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

The financial statements for the year ended 31st March,2018 were the first financial statements of the Company under Ind AS.

ii Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

Defined benefit plans - plan assets measured at fair value; and

iii Current and non-current classification

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

1.02 Foreign currency translation.
i Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR / Rs.), which is the Company's functional and presentation currency.

ii Transaction and balances

Foreign currency transactions, if any are translated into the functional currency using the exchange rates on the dates of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions if any and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss or Other Comprehensive Income.

All foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses),if any

1.03 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and is net of Service tax/ GST.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.

Revenue from services

Project Consultancy Income is recognized in the accounting period in which the services are rendered,

1.04 Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of reporting period in India where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulations is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.05 Impairment of assets

Property, plant and equipment and other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of impairment at the end of each reporting period.

1.06 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

1.07 Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

1.08 Investments and other financial assets

Classification

The Company classifies its financial assets in the following measurement categories: -those to be measured subsequently at fair value (through profit or loss), and -those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will be recorded in profit or loss. For investment in debt instrument, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit and loss.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset.

Equity instruments

The Company subsequently measures all equity investments at fair value. Dividends from such investments are recognised in profit or loss as other income when the right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised.

For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Derecognition of financial assets

A financial asset is derecognised only when: The Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

1.09 Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation and impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods on above

Depreciation on property, plant and equipment (other than leasehold land, leasehold improvements, continuous process plant and machinery and vehicles) is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as prescribed under Schedule II to the Companies Act, 2013, which approximate the useful lives of the assets estimated by the management.

The residual values are not more than 5% of the original cost of the asset. The asset's residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period.

The residual values are not more than 5% of the original cost of the asset. The asset's residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

1.10 Intangible assets

Acquired intangible assets are shown at historical cost. They have a finite useful life and are subsequently carried at cost less accumulated amortisation and impairment losses, if any.

Amortisation methods and periods

The Company amortises intangible assets with a finite useful life using the straight-line method over the following periods: Computer software: 3 years

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

1.11 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 90 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

1.12 Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

1.13 Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

1.14 Provisions, Contingent Liabilities and Contingent Assets

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

Provisions for legal claims, service warranties, volume discounts and returns are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to anyone item included in the same class of obligations

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent assets is disclosed and not recognised, where an inflow of economic benefits is probable.

1.15 Employee benefits

Short-term obligation

Liabilities for salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services upto the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Other long-term employee benefits obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Post employment obligation

The Company operates the following post-employment schemes: defined benefit plan, i.e., gratuity, defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets.

This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plans

The Company pays provident fund and employee state insurance contributions to government administered Employee Provident Fund Organisation and Employee State Insurance Corporation respectively. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

1.16 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

1.17 Earnings per share

Basic earnings per share is calculated by dividing: the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year,

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account: the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

1.18 Recent accounting pronouncements Standards issued but not yet effective

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of cash flows' and Ind AS 102, 'Share-based payment'. These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of cash flows' and IFRS 2, 'Share-based payment,' respectively. The amendments are applicable to the Company from April 1, 2017.

Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

The company is evaluating the requirements of the amendment and the effect thereof on its financial statements is being evaluated.

1.19 Inventories

Inventories represents the WIP in respect of Project Management Consultancy Services in progress and remained unbilled. Inventories have been valued at cost.

1.20 Accounting for Joint Venture Operations

The Financial Statements reflect the share of the Company's assets and liabilities as well as income and expenditure of Joint Venture.

Operations which are accounted for according to the participating interest of the company as per the various Joint Venture Agreements on a line by line basis along with similar items in the company's financial statements.

1.21 Provision for current and deferred tax

Provision for current and deferred tax is made after taking into consideration benefits admissible under the Provision of Income Tax Act 1961. Deferred tax resulting from timing differences "between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is reasonable/virtual certainty that asset will be realized against future taxable profits.

Note 2

Critical Accounting Judgements, Estimates and Assumptions

The preparation of the financial statements requires management to exercise judgment and to make estimates and assumptions. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

The areas involving critical estimates or judgements are as under:

a Estimation of current tax expenses and payable:

Taxes recognized in the financial statements reflect management's best estimate of the outcome based on the facts known at the balance sheet date. These facts include but are not limited to interpretation of tax laws of various jurisdictions where the Company operates. Any difference between the estimates and final tax assessments will impact the income tax as well the resulting assets and liabilities.

b Estimated fair value of unlisted securities:

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgement to select a variety of methods and make assumptions that are mainly based on the market conditions existing at the end of each reporting period.

c Useful lives of property, plant and equipment and Intangible assets:

Depreciation and amortization is based on management estimates of the future useful lives of the property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

d Estimation of defined benefit obligation:

The liabilities of the company arising from employee benefit obligations and the related current service cost, are determined on an actuarial basis using various assumptions

e Impairment of financial assets (including trade receivables):

Allowance for doubtful receivables represent the estimate of losses that could arise due to inability of the Customer to make payments when due. These estimates are based on the customer ageing, customer category, specific credit circumstances and the historical experience of the group as well as forward looking estimates at the end of each reporting period.

f Estimation of Provisions and contingencies:

Provisions are liabilities of uncertain amount or timing recognised where a legal or constructive obligation exists at the balance sheet date, as a result of a past event, where the amount of the obligation can be reliably estimated and where the outflow of economic benefit is probable. Contingent liabilities are possible obligations that may arise from past event whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which are not fully within the control of the Company. The Company exercises judgement and estimates in recognizing the provisions and assessing the exposure to contingent liabilities relating to pending litigations. Judgement is necessary in assessing the likelihood of the success of the pending claim and to quantify the possible range of financial settlement. Due to this inherent uncertainty in the evaluation process, actual losses may be different from originally estimated provision.
