**BURLEIGH COUNTY COMMISSION  
MEETING MINUTES  
SEPTEMBER 6TH, 2023**

**5:00PM** Invocation and Condolences by Chaplains Carr and Wyatt of Crisis Care Chaplaincy

Comm. Bitner called the regular meeting of the Burleigh County Commission to order. He shared a letter drafted by Mary Senger expressing Burleigh County's profound sadness at the loss of Chair Becky Matthews who passed away just two days prior. Comm. Munson also shared a tribute to Matthews and added that the flowers at the table were in her memory. She will be greatly missed.

Roll call of the members: Commissioners Woodcox, Munson, Bitner, and Schwab present.

Comm. Munson asked that we remove item 9 from the agenda for this meeting regarding the Renaissance Zone Program.

Motion by Comm. Woodcox, 2<sup>nd</sup> by Comm. Munson to approve the August 21<sup>st</sup>, 2023 meeting minutes and bills. All members present voted, "AYE". Motion carried.

Motion by Comm. Schwab, 2<sup>nd</sup> by Comm. Woodcox to approve the remainder of the consent agenda in its entirety. All members present voted "AYE". Motion carried.

Chelsea Flory, Burleigh County Human Service Zone Director presented a request for the reappointment of two zone board members whose terms are expiring 11-30-23. The two members are Jim Holm from the Burleigh County Sheriff's Department and Tracy Famias who has a background with Bismarck Public Schools. Motion by Comm. Munson, 2<sup>nd</sup> by Comm. Woodcox to approve this request. All members present voted "AYE". Motion carried.

Bismarck Mayor Michael Schmitz presented support for an additional increase in Burleigh County's portion of the Bismarck/Burleigh Public Health funding. During a Bismarck- Burleigh joint Commission meeting, it was discussed that Burleigh County would increase their portion of the funding to be 25% of Public Health operational costs for 2024. Mayor Schmitz stated that currently the citizens of Bismarck are paying 96% of the costs. Mayor Schmitz is suggesting that this be tax levied across all of Burleigh County going forward. There was no further discussion or questions.

County Engineer Marcus Hall presented a resolution to create a Special Assessment District (SAD) for the Falconer Estates Subdivisions and direct the County Special Assessment Screening Committee to meet and review the petition that the residents of the subdivisions have turned in. Mr. Hall stated that they are currently on step 6 of 23 in the Special Assessment District process. Motion by Comm. Munson to approve the resolution, 2<sup>nd</sup> by Comm. Schwab. All members present voted "AYE". Motion carried. Mr. Hall then presented a concern the Highway Department has regarding County Highway 10 from Bismarck City limit to 158<sup>th</sup> St. NE. He stated that stretch of road is experiencing a high level of truck traffic from a bituminous plant in the Aberle Park 2<sup>nd</sup> Subdivision going to the City of Bismarck. The patching budget for 2023 has all been spent, however the roadway continues to break up and there is a need to apply more restrictions until a mill and overlay project can be performed in 2024. Motion by Comm. Woodcox, 2<sup>nd</sup> by Comm. Munson to approve a reduced speed limit of 45 mph for trucks only in addition to reducing the Max Gross Vehicle

Weight to 80,000 pounds with a 6-ton max single axle weight. This motion and the 2<sup>nd</sup> were then rescinded due to concerns of head on collisions. New motion by Comm. Woodcox, 2<sup>nd</sup> by Comm. Munson to approve a reduced speed limit of 55 mph for all vehicles in addition to reducing the Max Gross Vehicle Weight to 80,000 pounds with a 6-ton max single axle weight, and eliminate all overload permits on this segment of the roadway. All members present voted "AYE". Motion carried. Mr. Hall then presented a request to transfer \$800,000 from the Highway Department's savings account to the Highway Department's General fund due to the beyond normal snow removal costs for 2022-2023. \$3,380,305 was spent on snow removal during the 2022-2023 season compared to an average cost of \$845,735 per year over the last 5 years. The State of North Dakota will be giving \$2 million towards these Highway Department costs but not until December 2023 and the bills are due now, hence this request. Motion by Comm. Schwab, 2<sup>nd</sup> by Comm. Woodcox to transfer \$800,000 from the Highway Department's Savings Account to the Highway Department's General Fund. All members present voted "AYE". Motion carried. Finally, Mr. Hall presented a discussion on the County funding of American Rescue Plan (ARPA) projects, and included a list of all projects that have been funded in addition to a list of projects that have been unfunded or underfunded that fit into the Water, Sewer, or Broadband category. There was currently \$982,918 available to spend. Mr. Hall noted that there were 5 projects that Burleigh County chose not to fund and those were Water Treatment Plant Supervisory Control and the Aerated Flow Equalization Basin both for the City of Bismarck, BEK Communications Cooperative, the City of Lincoln, and the City of Wing for their wastewater treatment system project. The underfunded projects were the City of Wilton's 2023 Street and Utility Improvements, the Bryan Slough Project for Burleigh County, and the Bismarck Rural Fire Department's New Station. Bismarck Rural Fire Chief Dustin Theurer shared that their expenses are much higher than the \$2 million funding granted to them from Burleigh County and shared some unexpected expenses that have pushed them to possibly needing over \$2.8 million. Comm. Bitner recommended that Fire Chief Theurer continue to keep the commission informed and that no action was taken at this time.

Sheriff Leben presented an ATV update regarding the OHV Ordinance and safety discussion from the last meeting. He stated that he reached out to North Dakota Parks and Recreation's OHV division and a meeting has been scheduled for this week with their director that handles the education and safety. Two items that will be discussed at this meeting are the possibility of a \$5,000 grant that could be awarded to do enforcement throughout the county and also the chance to partner with them on safety training throughout Burleigh County. He will provide an update once things are finalized and stated that Burleigh County Planning Director Mitch Flanagan will also be in attendance at this meeting to help with the process.

Comm. Munson presented a discussion on the Burleigh County Equestrian Center. He stated that based on Johnson Consulting's assessment of underlying assumptions and operating projections for the Equestrian Center, the level of activity is achievable. The construction estimates for phase 1 would be \$33 million. Motion by Comm. Munson, 2<sup>nd</sup> by Comm. Woodcox for Burleigh County to pledge the 40 acres of land in the NE corner of the Missouri Valley Fairgrounds for the development of the Equestrian/Ag facility. Comm. Munson stated that by pledging the land, a grant can then be obtained from the state which would allow them to move forward with raising additional funding coming from private donations. State's Attorney Lawyer stated that there was no talk of pledging or donating land at any previous meetings and wanted to look into what that would entail. Julie, representing the Equestrian Center stated that this would not be a pledge or a donation as Burleigh County would retain ownership of the property. Julie added that if they were awarded grant money from the state, that grant money would go to Burleigh County. She also stated that in her research, the value of this undeveloped land is \$5-8 million. Comm. Munson and Woodcox voted "AYE". Comm. Bitner and Schwab voted "NAY". Comm. Bitner then concluded that considering the vote, the commission would have to revisit this subject at another time.

Comm. Woodcox presented a discussion on the budget and stated that he recommends delaying it until we appoint a new commissioner. Comm. Bitner then added that the next meeting is the final budget hearing (Sept. 20<sup>th</sup>) which has been published and mailed to residents. He thinks it would be advisable to have a special budget meeting prior to the final budget hearing.

Comm. Bitner then presented a discussion on the appointment of a commissioner to fill Becky Matthews' seat. This position would be until November of 2024 with the General Election. Comm. Woodcox asked if it would be possible to first determine who is chair and vice-chair prior to doing that. State's Attorney Lawyer shared that according to statute the commission would have to immediately appoint a commissioner to fill a vacancy and her recommendation was to then recommend a chair and vice chair after that commissioner is appointed. Comm. Bitner recommended that former Comm. Peluso be appointed back to the board and feels it's in the best interest of the county. Commissioners Woodcox and Munson suggested appointing whoever had the next highest votes from the previous election which was Amelia Doll. Comm. Bitner disagreed and stated he didn't want a brand-new commissioner with no experience. Motion by Comm. Munson, 2<sup>nd</sup> by Comm. Woodcox to appoint Amelia Doll as commissioner. Commissioners Munson and Woodcox voted "AYE". Commissioners Schwab and Bitner voted "NAY". Comm. Bitner then stated that if the board could not agree on a candidate, we would be required to appoint the County Auditor/Treasurer, Mark Splonskowski which was confirmed by State's Attorney Lawyer. Motion by Comm. Schwab to appoint former Comm. Peluso as commissioner. There was no second to the motion, so the motion died. Auditor Splonskowski stated that he had two people contact him to say that they would be willing to be a commissioner. Those people were Gerald Miller and Josie Milbrandt. Comm. Bitner also shared he had Steve Bakken contact him expressing interest. Motion by Comm. Woodcox, 2<sup>nd</sup> by Comm. Schwab to appoint Steve Bakken as our next county commissioner. Commissioners Schwab, Bitner, and Woodcox voted "AYE". Comm. Munson voted "NAY". Motion carried. Comm. Bitner stated that recently they did a request for proposals for Project Manager for the Provident Building remodel and there were zero responses. The plan was to develop a better package so there would be a clearer understanding of what the responsibilities and tasks are for this position so that it's better understood. It was then decided that there would be a special meeting to discuss the 2024 budget on Wednesday, Sept. 13<sup>th</sup> at 1pm in the Tom Baker room if that is available. State's Attorney Julie Lawyer reminded everyone for planning purposes that the statute states that taxes must be levied on or before the October meeting that is regularly scheduled which is Oct. 2<sup>nd</sup>. The deadline according to Deputy Finance Director Justin Schulz is Oct. 7<sup>th</sup>. So there is some room to extend past the final budget hearing if needed.

Meeting adjourned.

Dear Burleigh County,

The Sterling School TPA (Teacher-Parent Association) sole purpose is to support the education of the students at Sterling Public School.

Projects that the association has supported in the past are purchasing books for our school library, field trips to the pumpkin patch, gateway to science, zoo, and Buckstop Junction, and supporting our fine art program with Theo Art school. They also support our teachers by purchasing needed classroom supplies and materials the teachers request.

The civic minded, community supported group of parents and teachers do whatever they can do to support the education and lives of the students at Sterling School.

Thank you,

A handwritten signature in cursive script that reads "Tonya Bauer".

**Section 8:** Grants or services that generate revenues as a result of funding through the National Highway Traffic Safety Administration (NHTSA) must be reported. Written notification of the source and amount of such income must be made to the NDDOT at the earliest opportunity.   - i. NDDOT funding from federal, state, or other sources is not obtained and continued at levels sufficient to allow for purchase of the indicated quantity of services. The contract may be modified by agreement of the parties in writing to accommodate a reduction in funds.
  - ii. If federal or state regulations or guidelines are modified, changed, or interpreted in such a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.
  - iii. If any license or certificate required by law or regulation to be held by the Contractor to provide the services required by the contract is for any reason denied, revoked, or not renewed.

Any such termination of this contract under (i), (ii), or (iii) above shall be without prejudice to any obligations or liabilities of either party already accrued prior to such termination.

- allow the de minimis 10% flat rate (the de minimis rate, is not applicable in certain cases (200.414(f); Appendix VII.D.1.B).) This rate may be used indefinitely, until the Contractor seeks to formally negotiate a rate. If the de minimis rate is used, the NDDOT does not need to review and approve.

**Section 15:** The NDDOT shall conduct pre-award risk assessments of applicants prior to issuing a contract. The Contractor shall conduct risk assessments of their subawardees either before or after making the award to determine the appropriate level of monitoring. The Contractor shall document its procedures for assessing risk and have them available upon NDDOT request.

Attachment 1 – Enforcement Overtime Calendar for FFY 2024

## BACKGROUND

The North Dakota Department of Transportation’s (NDDOT) Highway Safety Division administers the North Dakota Vision Zero initiative to reduce motor vehicle crash fatalities and serious injuries to zero. The Highway Safety Division receives and provides state and federal funding to local entities to assist the NDDOT to achieve the traffic safety goals identified in the Vision Zero Plan and the annual Highway Safety Plan. This contract will assist in achieving the following plan goals to:

- Decrease the number of alcohol and/or drug related crashes.
- Decrease the number of speed related crashes.
- Decrease the number of distracted driving related crashes.
- Increase seat belt use to decrease the severity of injuries and trauma sustained in crashes.
- Increase the public’s knowledge and understanding of roadway safety and strategies.

The purpose of this contract is to provide funding to the **Burleigh County Sheriff's Department** (hereinafter referred to as the Contractor) to participate in the statewide enforcement programs listed below:

## OCCUPANT PROTECTION (OP) ENFORCEMENT SCOPE OF WORK

### PROJECT NO. PHSTOP2405-05-00

The *Click It or Ticket (CIOT)* enforcement campaign exists to increase occupant protection (OP) use for both adults and children through heightened enforcement of laws in the state. The campaign's success is built upon the strategy that education, along with highly visible and consistent enforcement, is an effective means to change driver behavior and increase OP use.

Participating law enforcement agencies are required to work overtime during scheduled CIOT campaigns to achieve high visibility within their jurisdictions to deter motorists from driving or riding in a motor vehicle without the appropriate use of an OP device (i.e., seat belt or child passenger safety seat).

The Contractor may **only** work during the scheduled CIOT enforcement periods as identified in Attachment 1. The Contractor may not work outside the scheduled periods.

During each identified enforcement period, the Contractor must:

- Conduct a minimum of two shifts (no minimum number of hours per shift) per high visibility enforcement period within corridors and at times (including nighttime) where the occurrence of unbelted serious injury and fatal crashes is greatest. When possible, the Highway Safety Division will coordinate with the Contractor to determine these locations based on North Dakota (ND) crash data.
- Issue Citations – **not warnings** – for failure or improper use of an OP device. This is to assure the integrity of the *CIOT* message to the public. Each stop is an opportunity to educate the public on taking personal responsibility on driving behaviors and safety measures.
- Ensure that all officers working the overtime grant funding for OP have completed the Traffic Occupant Protection Strategies (TOPS) training. The Contractor must provide verification of the completed training upon request by the Highway Safety Division for each officer conducting overtime enforcement through the grant.
- Coordinate with the Highway Safety Division to complete earned media requirements (pre- and post-news releases).
- Submit an electronic enforcement log sheet for participating officers by the date indicated in the schedule, "Enforcement Log Due Date." *The report will include: (1) number of enforcement hours, (2) dates and times of enforcement, (3) number and type of citations issued, and (4) number of enforcement contacts/stops made.*
- Submit a reimbursement voucher by the date indicated in the schedule, "Reimbursement Voucher Due Date."
- Work with other area law enforcement within the region to conduct multi-agency enforcement efforts to maximize the visibility of law enforcement during the *CIOT* enforcement period.

## IMPAIRED DRIVING (ID) ENFORCEMENT SCOPE OF WORK

### PROJECT NO. PHSPID2410-02-00

The *Drive Sober or Get Pulled Over (DSOGPO)* enforcement campaign exists to deter impaired driving (ID) through heightened enforcement of ID laws in the state. The campaign's success is built upon the strategy that education, along with highly visible and consistent enforcement, is an effective means to change driver behavior.

The Contractor is required to work during the scheduled ID enforcement periods as outlined in Attachment 1. The Contractor may conduct additional enforcement activity beyond the required regional calendar events within their jurisdiction, if the budget allows, and if the Contractor can justify the purpose of additional enforcement. The Contractor must notify the Highway Safety Division of the additional enforcement activity prior to conducting the additional enforcement activity.

During each identified enforcement period of the contract period, the Contractor must:

- Conduct a minimum of two shifts (no minimum number of hours per shift) per enforcement period, except for the National Labor Day *Drive Sober or Get Pulled Over* campaign.
- Conduct a minimum of four shifts (no minimum number of hours per shift) during the dates identified as the National Labor Day *Drive Sober or Get Pulled Over* campaign.
- Ensure that officers working the ID grant have been SFST (Standardized Field Sobriety Testing) certified and have attended a SFST refresher or ARIDE course at least once every three years. The Contractor must provide verification of the completed training upon request by the Highway Safety Division for each officer conducting overtime enforcement through the grant.
- Determine the best enforcement strategy (e.g., sobriety checkpoints vs. saturation patrols, time of day, locations, etc.) that will most effectively deter ID within the Contractor's jurisdiction. Data indicates this would typically be at night on weekends and holidays, or during special community events justifying the need for additional traffic enforcement. Some jurisdictions may have varying times based on demographics (e.g., college communities).
- Conduct high visibility enforcement within corridors and times where the occurrence of injury and death from ID is greatest. When possible, the Highway Safety Division will coordinate with the Contractor to determine these locations based on ND crash data.
- Coordinate with the Highway Safety Division to complete earned media requirements (pre- and post-news releases).
- Submit an electronic enforcement log sheet for participating officers by the date indicated in the schedule, "Enforcement Log Due Date." *The report will include: (1) number of enforcement hours, (2) dates and times of enforcement, (3) number and type of citations issued, and (4) number of enforcement contacts/stops made.*

- Submit a reimbursement voucher by the date indicated in the schedule, "Reimbursement Voucher Due Date."
- Work with other area law enforcement within the region to conduct multi-agency enforcement efforts to maximize the visibility of law enforcement during the ID enforcement period.

## DISTRACTED DRIVING (DD) ENFORCEMENT OF WORK

### PROJECT NO. PHSPDD2411-02-00

The distracted driving (DD) enforcement campaign exists to decrease the use of handheld electronic devices and other activities that are a distraction or cause inattentiveness by the driver through heightened enforcement of DD laws in the state. The campaign's success is built upon the strategy that education, along with heightened and consistent enforcement, is an effective means to change driver behavior and decrease crashes caused by driver distraction.

Participating law enforcement agencies are required to work overtime during scheduled DD campaigns to achieve heightened enforcement within their jurisdictions by enforcing the ban on all cell phone use by minors (under the age of 18) and activities by all drivers which cause inattentiveness resulting in traffic violations.

The Contractor is required to work during the scheduled DD enforcement periods as identified in Attachment 1. The Contractor may conduct additional enforcement activity beyond the required events within their jurisdiction, if the budget allows, and if the Contractor can justify the purpose of additional enforcement. The Contractor must notify the Highway Safety Division of the additional enforcement activity prior to conducting the additional enforcement activity.

During each identified enforcement period, the Contractor must:

- Conduct a minimum of two shifts (no minimum number of hours per shift) per DD enforcement period.
- Determine the best enforcement strategy that will efficiently use available resources and conduct heightened enforcement within corridors and at times where the occurrence of DD and electronic device usage is most prevalent.
- Issue Citations – **not warnings** – when observing a driver violating North Dakota's DD law. This is to assure the integrity of the *UDrive*. *UText*. *UPay*. message to the public. Each stop is an opportunity to educate the public on taking personal responsibility for their driving behaviors.
- Coordinate with the Highway Safety Division to complete earned media requirements (pre- and post-news releases).
- Submit an electronic enforcement log sheet for participating officers by the date indicated in the schedule, "Enforcement Log Due Date." *The report will include: (1) number of enforcement hours, (2) dates and times of enforcement, (3) number and type of citations issued, and (4) number of enforcement contacts/stops made.*

- Submit a reimbursement voucher by the date indicated in the schedule, “Reimbursement Voucher Due Date.”
- Work with other area law enforcement within the region to conduct multi-agency enforcement efforts to maximize the heightened enforcement of DD laws during the enforcement period.

## SPEED (SC) ENFORCEMENT SCOPE OF WORK

### PROJECT NO. PHSPSC2407-04-00

The speed (SC) enforcement campaign exists to decrease speed violations through heightened enforcement of speeding laws in the state. The campaign’s success is built upon the strategy that education, along with highly visible and consistent enforcement, is an effective means to change driver behavior and decrease excessive speed.

Participating law enforcement agencies are required to work overtime during scheduled Speed campaigns to achieve high visibility within their jurisdictions to deter motorists from driving above the posted speed limits.

The Contractor may **only** work during the scheduled Speed enforcement periods as identified in Attachment 1. The Contractor may not work outside the scheduled period.

During each identified enforcement period, the Contractor must:

- Conduct a minimum of two shifts (no minimum number of hours per shift) per high visibility enforcement period within corridors and at times (including nighttime) where the occurrence of highest number of speed-related serious injury and fatal crashes is greatest. When possible, the Highway Safety Division will coordinate with the Contractor to determine these locations based on North Dakota (ND) crash data.
- Issue Citations – **not warnings** – for driving above the posted speed limits. This is to assure the integrity of the *Speeding Slows You Down* message to the public. Each stop is an opportunity to educate the public on taking personal responsibility in driving behaviors and safety measures.
- Coordinate with the Highway Safety Division to complete earned media requirements (pre- and post-news releases).
- Submit an electronic enforcement log sheet for participating officers by the date indicated in the schedule, “Enforcement Log Due Date.” *The report will include: (1) number of enforcement hours, (2) dates and times of enforcement, (3) number and type of citations issued, and (4) number of enforcement contacts/stops made.*
- Submit a reimbursement voucher by the date indicated in the schedule, “Reimbursement Voucher Due Date.”
- Work with other area law enforcement within the region to conduct multi-agency enforcement efforts to maximize the heightened enforcement of speeding laws during the enforcement period.

## REPORTING AND AUDIT REPORTING/ALL PROJECTS

### **Reporting**

The Contractor must submit the enforcement logs and reimbursement voucher(s) to the Highway Safety Division per the schedule referenced in the previous enforcement sections. Late reports may result in a delay in processing or a reduction in payment.

The Contractor must retain for a minimum of three years, copies of timesheets, payroll, agency work schedules, and any other supporting documentation.

*An enforcement contact is defined as one traffic stop, which may include multiple enforcement actions with the occupants of a motor vehicle while conducting overtime enforcement under contract with NDDOT.*

Because the law enforcement overtime programs are statewide efforts, participation by each contracted entity is critical to the success of the campaigns. If the Contractor is unable to fulfill any portion of the contractual scope of work, they must contact the Highway Safety Division immediately.

### **Audit Reporting**

A non-federal entity that expends \$750,000 or more during the non-federal entity's fiscal year in federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of 2 CFR 200, Subpart F.

Entities that spend less than \$750,000 of federal funds from all sources may be subject to reviews by NDDOT at its discretion. These requirements are applicable to counties, cities, state agencies, Indian tribes, colleges, hospitals, and non-profit businesses.

- All entities receiving federal funds through NDDOT shall certify whether a Single Audit has been completed as part of the annual Federal award process.
- All entities must complete the Single Audit Certification Form.
- All entities must provide a Schedule of Expenditures of Federal Awards (SEFA).

## NDDOT RESPONSIBILITIES, REIMBURSEMENT, AND OTHER REQUIREMENTS/ALL PROJECTS

### ***NDDOT Responsibilities***

This Scope of Work will be monitored by the NDDOT's Program Manager. Oversight will include, but will not be limited to, desktop and on-site monitoring of program finances, operations, and performance. This will include identification and written notification of issues and/or concerns that could significantly affect the program's performance and outcomes to agents of the contracting agency in the community.

Based on federal grant requirements, NDDOT may revise the enforcement dates shown in Attachment 1. The Contractor will be notified by email and will receive a revised Attachment 1 that will identify the revised enforcement dates and due dates of enforcement logs and reimbursement vouchers.

### ***Reimbursement***

This contract will reimburse allowable expenses up to each project's total budget for costs incurred through completion of the scope of work and/or at the direction of the program manager. The Highway Safety Division reserves the right to deny payment for unallowable expenses identified in the applicable cost principles.

Overtime wages will be reimbursed at the agency-approved overtime rate and mileage, if applicable, will be reimbursed at the state-approved rate.

***At the close of the state fiscal year, which is June 30, enforcement logs and reimbursement vouchers must be submitted no later than July 15 for any services or purchases that took place on or before June 30. Vouchers received after July 15 may not be reimbursed. Please note: only equipment that has been received by June 30 is affected by this due date.***

The final reports/vouchers for all projects are due no later than November 14, 2024. ***Vouchers received after November 14, 2024, will not be reimbursed.***

### ***Other Requirements***

In accordance with 23 CFR Part 1300 Appendix C, the Contractor, as a representative of its political subdivision, requests the benefit of the NDDOT Highway Safety Division coordination of paid media and marketing to capitalize on the high visibility enforcement and education model necessary to change driver behavior. The NDDOT Highway Safety Division will coordinate paid and earned media statewide to complement the enforcement initiative outlined in this project agreement. The outreach may include the following: TV spots, radio spots, online ads, billboards, print ads, press releases, posters, flyers, and/or outreach events. These efforts will include local jurisdictions and will be coordinated statewide. By signing the contract, the Contractor signifies his/her understanding of the outreach component of the mobilization and approves the use of these educational techniques within his/her jurisdiction.

The Contractor is encouraged to follow the guidelines for vehicular pursuits issued by the International Association of Chiefs of Police that are currently in effect.

The Contractor shall not use the funds for supplanting also known as general costs of government. *Funds for programs and services provided through this grant are intended to supplement, not supplant, other state or local funding sources.* Supplanting is defined as replacing routine and/or existing state or local expenditures with the use of federal grant funds and/or using federal grant funds for costs of activities that constitute general expenses required to carry out the overall responsibilities of state, local, or federally-recognized Indian tribal governments.

Written and verbal warnings are not encouraged under any of the grant programs.

The Contractor is encouraged to use the E-Citation module within TraCS Web while conducting overtime enforcement activities through NDDOT grant funded programs. The Highway Safety Division will monitor enforcement activities in TraCS. Upon request, those issuing paper citations or electronic citations in another program will be required to submit copies of citations to the Highway Safety Division.

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

*“No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity, for which the Recipient receives Federal financial assistance from DOT, including NHTSA.”*

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI of the Civil Rights Act of 1964 and other non-discrimination requirements (the Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these nondiscrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally assisted.

**SPECIFIC ASSURANCES**

More specifically, and without limiting the above general Assurance, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted Highway Safety Grant Program:

1. The Recipient agrees that each “activity,” “facility,” or “program,” as defined in § 21.23(b) and (e) of 49 CFR part 21 will be (with regard to an “activity”) facilitated, or will be (with regard to a “facility”) operated, or will be (with regard to a “program”) conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.
2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with all Highway Safety Grant Programs and, in adapted form, in all proposals for negotiated agreements regardless of funding source:  
*“The [name of Recipient], in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.”*
3. The Recipient will insert the clauses of appendix A and E of this Assurance (also referred to as DOT Order 1050.2A) <sup>[1]</sup> in every contract or agreement subject to the Acts and the Regulations.
4. The Recipient will insert the clauses of appendix B of DOT Order 1050.2A, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.
5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.
6. That where the Recipient receives Federal financial assistance in the form of, or for the acquisition of, real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.
7. That the Recipient will include the clauses set forth in appendix C and appendix D of this DOT Order 1050.2A, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
  - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
  - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or

structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:

- a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
  - b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, the State highway safety agency also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing NHTSA's access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by NHTSA. You must keep records, reports, and submit the material for review upon request to NHTSA, or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The State highway safety agency gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the U.S. Department of Transportation under the Highway Safety Grant Program. This ASSURANCE is binding on the State highway safety agency, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors', transferees, successors in interest, and any other participants in the Highway Safety Grant Program. The person(s) signing below is/are authorized to sign this ASSURANCE on behalf of the Recipient.

  1. The dangers of drug abuse in the workplace;

**POLITICAL ACTIVITY (HATCH ACT)**

**(applies to subrecipients as well as States)**

The State will comply with provisions of the Hatch Act (5 U.S.C. 1501-1508), which limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

**CERTIFICATION REGARDING FEDERAL LOBBYING**

**(applies to subrecipients as well as States)**

**CERTIFICATION FOR CONTRACTS, GRANTS, LOANS, AND COOPERATIVE AGREEMENTS**

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a

Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grant, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

#### **RESTRICTION ON STATE LOBBYING**

**(applies to subrecipients as well as States)**

None of the funds under this program will be used for any activity specifically designed to urge or influence a State or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body. Such activities include both direct and indirect (*e.g.*, "grassroots") lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

#### **CERTIFICATION REGARDING DEBARMENT AND SUSPENSION**

**(applies to subrecipients as well as States)**

#### **INSTRUCTIONS FOR PRIMARY TIER PARTICIPANT CERTIFICATION (STATES)**

1. By signing and submitting this proposal, the prospective primary tier participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR parts 180 and 1200.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective primary tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary tier participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary tier participant knowingly rendered an

erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.

4. The prospective primary tier participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms **covered transaction, civil judgment, debarment, suspension, ineligible, participant, person, principal, and voluntarily excluded**, as used in this clause, are defined in 2 CFR parts 180 and 1200. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
6. The prospective primary tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
7. The prospective primary tier participant further agrees by submitting this proposal that it will include the clause titled "Instructions for Lower Tier Participant Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR parts 180 and 1200.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov/>).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate the transaction for cause or default.

## CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS—PRIMARY TIER COVERED TRANSACTIONS

1. The prospective primary tier participant certifies to the best of its knowledge and belief, that it and its principals:
  - a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency;
  - b. Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
  - c. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
  - d. Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State, or local) terminated for cause or default.
2. Where the prospective primary tier participant is unable to certify to any of the Statements in this certification, such prospective participant shall attach an explanation to this proposal.

### INSTRUCTIONS FOR LOWER TIER PARTICIPANT CERTIFICATION

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms **covered transaction, civil judgment, debarment, suspension, ineligible, participant, person, principal, and voluntarily excluded**, as used in this clause, are defined in 2 CFR parts 180 and 1200. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.

The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Instructions for Lower Tier Participant Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR parts 180 and 1200.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov/>).
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

**BUY AMERICA**

**(applies to subrecipients as well as States)**

The State and each subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal funds. Buy America requires a State, or subrecipient, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

**CERTIFICATION ON CONFLICT OF INTEREST**

**(applies to subrecipients as well as States)**

**GENERAL REQUIREMENTS**

No employee, officer, or agent of a State or its subrecipient who is authorized in an official capacity to negotiate, make, accept, or approve, or to take part in negotiating, making, accepting, or approving any subaward, including contracts or subcontracts, in connection with this grant shall have, directly or indirectly, any financial or personal interest in any such subaward. Such a financial or personal interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or personal interest in or a tangible personal benefit from an entity considered for a subaward. Based on this policy:

1. The recipient shall maintain a written code or standards of conduct that provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents.
  - a. The code or standards shall provide that the recipient's officers, employees, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from present or potential subawardees, including contractors or parties to subcontracts.
  - b. The code or standards shall establish penalties, sanctions, or other disciplinary actions for violations, as permitted by State or local law or regulations.
2. The recipient shall maintain responsibility to enforce the requirements of the written code or standards of conduct.

**DISCLOSURE REQUIREMENTS**

No State or its subrecipient, including its officers, employees, or agents, shall perform or continue to perform under a grant or cooperative agreement, whose objectivity may be impaired because of any related past, present, or currently planned interest, financial or otherwise, in

organizations regulated by NHTSA or in organizations whose interests may be substantially affected by NHTSA activities. Based on this policy:

1. The recipient shall disclose any conflict of interest identified as soon as reasonably possible, making an immediate and full disclosure in writing to NHTSA. The disclosure shall include a description of the action which the recipient has taken or proposes to take to avoid or mitigate such conflict.
2. NHTSA will review the disclosure and may require additional relevant information from the recipient. If a conflict of interest is found to exist, NHTSA may (a) terminate the award, or (b) determine that it is otherwise in the best interest of NHTSA to continue the award and include appropriate provisions to mitigate or avoid such conflict.
3. Conflicts of interest that require disclosure include all past, present, or currently planned organizational, financial, contractual, or other interest(s) with an organization regulated by NHTSA or with an organization whose interests may be substantially affected by NHTSA activities, and which are related to this award. The interest(s) that require disclosure include those of any recipient, affiliate, proposed consultant, proposed subcontractor, and key personnel of any of the above. Past interest shall be limited to within one year of the date of award. Key personnel shall include any person owning more than a 20 percent interest in a recipient, and the officers, employees or agents of a recipient who are responsible for making a decision or taking an action under an award where the decision or action can have an economic or other impact on the interests of a regulated or affected organization.

**PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE**  
**(applies to subrecipients as well as States)**

The State and each subrecipient will not use 23 U.S.C. Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists.

**POLICY ON SEAT BELT USE**

In accordance with Executive Order 13043, Increasing Seat Belt Use in the United States, dated April 16, 1997, the Grantee is encouraged to adopt and enforce on-the-job seat belt use policies and programs for its employees when operating company-owned, rented, or personally-owned vehicles. The National Highway Traffic Safety Administration (NHTSA) is responsible for providing leadership and guidance in support of this Presidential initiative. For information and resources on traffic safety programs and policies for employers, please contact the Network of Employers for Traffic Safety (NETS), a public-private partnership dedicated to improving the traffic safety practices of employers and employees. You can download information on seat belt programs, costs of motor vehicle crashes to employers, and other traffic safety initiatives at [www.trafficsafety.org](http://www.trafficsafety.org). The NHTSA website ([www.nhtsa.gov](http://www.nhtsa.gov)) also provides information on statistics, campaigns, and program evaluations and references.

**POLICY ON BANNING TEXT MESSAGING WHILE DRIVING**

States are also encouraged to conduct workplace safety initiatives in a manner commensurate with the size of the business, such as establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving, and education, awareness, and other outreach to employees about the safety risks associated with texting while driving.

**I understand that my statements in support of the State's application for Federal grant funds are statements upon which the Federal Government will rely in determining qualification for grant funds, and that knowing misstatements may be subject to civil or criminal penalties under 18 U.S.C. 1001. Honorable Commissioners:

The following is the final budget for Burleigh County for calendar year 2024. The document contains the budgets for the General, Special Revenue, and Debt Service Funds.

The budget process is coordinated by the Finance Department under direction of the Budget Committee, County Commissioners, Department Directors, and the Auditor/Treasurer. The Budget Committee consists of Commissioner Munson, Commissioner Matthews, Auditor/Treasurer Splonskowski, and Deputy Finance Director Schulz. Burleigh County uses best practices to prepare the annual budget by using annual revenues for ongoing operational costs and cash reserves/fund balance for one-time expenditures. These methods serve as the keys for a balanced budget.

The County's goal for the 2024 budget is to maintain services at the current level and to remain sustainable in future years while making the adjustments needed to better balance the budget.

The County is continuing to recover from the impacts of COVID-19 and the rapid inflationary period that followed. The County continues to monitor these factors to best address them.

The Budget Committee identified areas of significant need for the 2024 budget. The Budget Committee focused on:

1. Remodel of the Provident Building to consolidate our departments currently within the City/County Building into the Provident Building already owned by the County.
2. Infrastructure needs including:
  - a. Construction of 66<sup>th</sup> Street SE Railroad Overpass (\$2,801,812 for 2024). Funds reallocated by the Commission following the Preliminary Budget Hearing due to the project being cancelled.
  - b. Replacement of a bridge on 236<sup>th</sup> St SE and removal of a bridge on 102 Ave SE (\$1,500,000 total cost with Federal Funds covering all but \$150,000).
  - c. Replacement of a bridge on Apple Creek Road one half mile east of 80<sup>th</sup> Street (\$1,440,000 total cost with Federal Funds covering all but \$144,000).
3. Update the Boiler System within the Courthouse (\$1,130,000 from ARPA funds). Commission chose to remove this at the July 19, 2023 meeting.
4. Employee retention and recruitment.
5. Addition of a County Administrator within the county to aid in county management related to both past and future growth. The Commission chose to remove this following the Preliminary Budget Hearing.
6. Public Health – Discussions between the City and County have resulted in the creation of an independent Health Board that is equally represented by both entities. A proposal from the city of an expense split of 75% City and 25% County will more closely match the split in population for the given areas. This will lead to an increase of about \$285,000 to the County Public Health budget. The Commission decided at the September 13, 2023 meeting to reduce the \$580,664 request to \$300,000.
7. Address revenues to better match them with ongoing operational costs.

The Budget Committee approved only 4 additional positions (FTEs) requested in the 2024 budget. FTEs that were approved included: Four full-time positions within the Highway Department and a reduction of six temporary employees.

The total 2024 General Fund Expenditure Budget is \$34,948,349, with \$25,566,980 or 73% coming from Salary and Fringe Benefits.

The County used the 2023 true and full property valuation for the 2024 property tax calculations. Property values increased on average 9.08% from the previous year.

The expenditure Budget for 2024 is \$79,146,345 compared to 2023 at \$71,250,381 for an increase of \$7,895,964. Of the \$7,895,964, \$5,201,812 is a transfer from the Special Road Fund. That leaves an actual expense increase of \$2,694,152 or 3.8%. That increase consists of the following:

1. \$2,140,039 for Salary and Fringe Benefits.
2. \$660,000 (1 Mill) for the Highway Department.
3. \$4,582 for Public Health.
4. \$332,500 for a Capital Improvement Fund.
5. That leaves an actual decrease outside of numbers 1-3 of \$442,969.

In the 2024 budget, the County Commission will use a collection of \$30,817,361 in property tax revenues, which is an increase of \$8,047,809 from the previous year. New growth amounts to \$511,845 for a net difference of \$7,535,964 on existing parcels.

This equates to an increase on a \$300,000 home inside city limits of \$119.88 and outside of city limits of \$120.69 for an increase of 8.88 and 8.94 mills respectively.

As we have discussed over the last six months, the 2023 budget included a use of \$5,500,000 of reserve funds to be used to balance the budget for ongoing operational costs. This is an unsustainable activity and with our current general fund reserves below 40%, it is recommended that we cannot utilize reserve funds again this year to cover that \$5,500,000 of the \$8,047,809 increase.

Debt service funds are established to collect special assessments annually and make payments on existing debt service. These funds are budgeted based on the annual debt service needed to pay for special assessment bonds using special assessment collections.

The County Commission approved a salary increase of a step and 3% COLA. This was based on data from CPI reports and the Kiplinger Letter. Along with this data, it was identified that recruiting and retention of employees is experiencing some significant hurdles.

The Health Insurance committee recommends an 8% increase in the plan premiums this year with a \$500,000 General Fund Loan payback in 2024.

The County continues to have new construction in both residential and commercial development within the county. This creates opportunities for new growth but, also creates challenges to increase services and provide infrastructure maintenance and improvements. Many estimates were made based on the information available at the time this budget was approved. The County Commission and Budget Committee continue to monitor inflationary impacts on operations to create strategies to offset cost increases while creating minimal impact on the taxpayers as the county continues to grow and expand.

A summary of Expenditures and Revenues for the 2024 General Fund Balance is:

**Revenue: \$34,448,349**

**Expenditure: \$34,948,349**

**Difference: (\$500,000)** This difference is made up by a \$500,000 loan payback from the Health Insurance Fund to the General Fund.
