CATALOG

100% MADE IN AMERICA
UNLIMITED CUSTOM CAPABILITIES
100% VICTORY

2020 marks a new decade and a milestone year for **Victory**, as we find ourselves going back to our true manufacturing roots. In this catalog, not only will you find the quality products synonymous with the **Victory** name, but we are extremely proud to announce that for the first time in well over 30 years, all products are 100% **Made in America!**

Most products are made right here in our Chicago factory, with a few items manufactured to our exacting specifications by domestic vendor partners. This is something we have worked hard on for the last year, and we are confident that you will find this a unique benefit that will enhance your business.

Keeping manufacturing “at home” allows us to be more in control of quality and delivery, allowing us to ensure you that **Victory’s** products remain consistent from order to order. Rest assured that we never take shortcuts in the manufacturing process, and our mission is never complete until we are satisfied that you have received the quality **Victory** products you have come to expect since we began our journey in 1948.

We are proud to say that **Victory’s** products keep scores of employees working. Many of our team members have been with us for decades. We have over 100 machines in our factory, many of which have been retrofitted to the various processes that we do. In addition to our vast stock lines, our **Custom Capabilities** are second-to-none. We invite you to challenge us with your projects. Big or small, the chances are excellent that we can find a solution to fit your customer’s needs and budget.

As always, **Victory’s** vast worldwide distribution network allows you to easily find our products. Between the multiple nationwide locations of Marco and JDS along with additional domestic and international suppliers, the chances are excellent that our products are only a day or two away. As always, if you can’t find one of our products, contact us directly and we will make sure we get it to you immediately.

We thank you for your patronage and look forward to serving you for many decades to come!
