

# Chardon High School

2024 - 2025  
College Credit Plus

**Annual Information Session  
2024 – 2025**

# What is College Credit Plus?

College Credit Plus is Ohio's dual enrollment program where students earn both high school and college credit at the same time

- ◆ Students may apply to any public or participating private college
- ◆ Students may apply to multiple colleges
- ◆ Students may take classes from multiple colleges during the same time period

# Who is Eligible?

- Students in grades 7-12
- Ohio residents
- Students who meet academic eligibility standards, (*determined by the State*)
- Students who have maintained satisfactory completed of CCP courses/GPA (returning CCP students)
- College Ready students

# What does it mean to be “College-Ready”?

More than just academically ready

- ◆ Emotional and social transition
- ◆ Meeting college expectations
- ◆ Time management and organizational skills
- ◆ Ability to self-advocate
- ◆ Some college classes have content that is oriented toward a mature or adult student. College instructors will not modify the course content for CCP students.

Ohio requires new CCP students and parents to complete a Mature Content Permission Slip.

## How is College Different from High School?

	High School	College
Tests	Weekly or end of chapter	Fewer in number, but cover more material
Study Time	1-2 hours per day	2-3 hours per credit hours
Graded Work	Numerous quizzes, tests, and homework	Fewer tests & assignments, but worth more points
Learning	Information provided mostly in-class. Out-of-class research is minimal	More independent thinking, longer writing assignments, & out-of-class research
Responsibility	Daily verbal reminders in class	Email reminders, checking courses online daily
Attendance & Class Participation	Required, parents are notified if a student is absent	Attendance policy is determined by instructor, but no one is notified if a student is absent
Role of Parents	Parents are involved, working closely with teachers and counselors	The college views the student as an independent decision maker

# FERPA

- The “Family Education Rights and Privacy Act”
  - Protects student education records
    - Parents do not have access to student’s academic records
    - Colleges reserve the right to communicate student record information with appropriate high school officials who have an “educational need to know”
    - “Permission to Release Information Form” – student’s written consent to share information with a third party
      - For example: for *Lakeland*, this must be student initiated with photo ID at the Student Service Center

## What are the Benefits of CCP?

- Students can:
  - Earn high school & college credits at the same time
  - Get a “head start” on career plans
  - Start & potentially complete a degree or certificate program
  - Understand the expectations of college life
  - Save tuition & textbook costs
  - Demonstrates to colleges that you are “college ready”

# College Credit Plus (CCP) or Advanced Placement (AP)

## What

### CCP

Ohio's dual enrollment program that offers students in grades seven through 12 the opportunity to earn both high school and college credit at the same time.

### AP

Offers college-level courses students can take in high school and earn college credit through passing the exam.

## Cost

### CCP

Eligible seventh through 12th grade public school students can take up to 30 college credits free per academic year.

### AP

There may be a fee applied to take the AP exam.

## Location & Modality

### CCP

Courses are offered at Lakeland's campus, Lakeland's partner high schools or online.

### AP

Courses are offered at the high school's campus.

## Course Length

### CCP

Courses are generally offered by semester, which is half of the academic year (16 weeks). Some are available in half semesters (eight weeks).

### AP

Courses are generally the full-length of the academic year.

## Credits Earned

### CCP

Students earning a passing grade will receive college credit for the course.

### AP

Each AP exam is scored on a scale of one to five. Generally, colleges/universities require a minimum score of three to receive college credit. More competitive colleges/universities may require a score higher than three.

## Transferability\*

### CCP

Ohio Transfer 36 and Transfer Assurance Guide (TAG) course credits are guaranteed to transfer to any public college or university in Ohio. Lakeland Community College is nationally accredited by the Higher Learning Commission, and our courses are recognized by all other accredited colleges across the country, so the credits can transfer to private or out-of-state institutions.

### AP

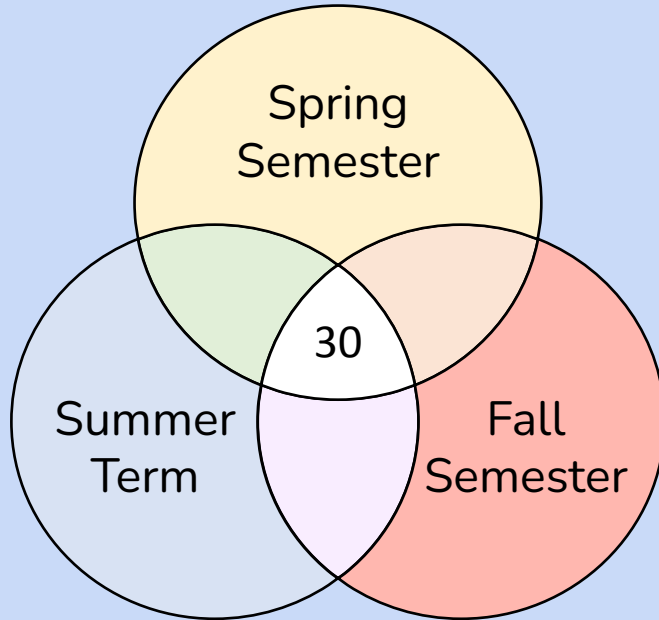

Students need to check directly with the college/university of interest regarding transferability and score requirements. Some colleges/universities issue elective credit only, which may not apply toward the student's major.

\*For more information regarding transferability, please visit [transfercredit.ohio.gov](http://transfercredit.ohio.gov).

## How Many Credits can Students Take?

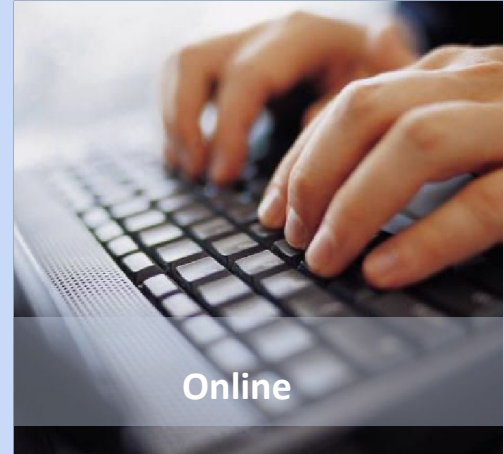

- Up to 30 credits per academic year, includes high school classes:
  - Calculation:  $30 - (\text{_____ high school units} \times 3) = \text{___}$  (max CCP credits)
  - Example:  $30 - (3 \text{ high school units} \times 3) = \mathbf{21}$  CCP credits
- If a student enrolls in more than 30 credits, they can either:
  - Drop the course (during the 100% refund period) or
  - Pay for the entire course (including tuition, fees, books) at the college's standard rates

## When Can Students Take Classes?

- Summer is the lead academic term
- Student athletes should know - summer term CCP courses cannot count for athletic eligibility for that academic year

## Where Can Students Take Classes?

\*The option to take courses at the high school is only available if the high school has partnered with a college or university to offer courses at the high school. At Chardon High School, this partnership is through Lakeland Community College.

## What Courses can Students Take?

- College courses in subject areas that will satisfy high school graduation requirements
  - Students must work with high school counselors to ensure they are meeting any mandatory testing or other high school requirements
- Courses in a career pathway that interests them
- Courses that are major or degree requirements
- Students must meet prerequisites for all courses they take
- Students must complete their first 15 credits in Level I courses, which are transferable to public Ohio Universities. (See College/University's website for a list of Level I courses)

## Non-Allowable Courses

- Private applied courses with one-on-one instruction (such as performing art lessons)
- Study abroad courses
- Physical education courses
- Pass/Fail graded courses
- Remedial courses or sectarian/religious courses

## Grades & GPA

- CCP grades earned in college courses are the same grades that will appear on the high school transcript
  - *Chardon- A “W” or “Withdrawal” is not placed on the student’s HS transcript*
- Grades will be factored into the high school and college GPA
- *Weighted Grades\**
  - *“Secondary schools must implement a policy for awarding grades that is equivalent across all advanced standing courses in the same general subject area”*
  - *Chardon Potential Policy:*
    - *Grades of C or higher will be weighted with an additional value of 1 added for AP/CCP*
    - *Ex. a final grade of A = 5.0 quality points, B = 4.0 quality points, C = 3.0 quality points*

If a student fails or withdraws from the course, the college transcript and high school transcript will reflect the student’s final grade.

## Will my Credits Transfer?

- Most courses will transfer, especially from one public college to another public college within Ohio
- Students must check with colleges to confirm transferability
- Visit [transfercredit.ohio.gov](https://transfercredit.ohio.gov) or [transferology.com](https://transferology.com) for more resources

# CCP Probation & Dismissal

## Probation

- A student will be placed on CCP Probation if they earn less than a cumulative 2.0 GPA in CCP courses or withdraws from 2 or more courses in one academic term
- When on CCP Probation, the student may only enroll in one CCP course for one college semester and may not enroll in a college course in the same subject in which they previously earned a D, F, or W grade
- Appeals\*: students may submit an appeal to retake a course

## Dismissal

- If a student on CCP Probation does not increase their CCP GPA to a 2.0 or above during the probation semester, they will be placed on CCP Dismissal
- While on CCP Dismissal, students may not enroll in any CCP courses
- Appeals\*: students may submit an appeal within 5 days of being dismissed, or wait until the end of the CCP Dismissal semester

\*Each high school must have a policy describing the process for appeals

\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$

Lakeland allows students to withdraw from a course within the first 2 weeks for a full refund.

- If you fail a course, you will be billed for the cost of the course and the textbooks
- If you register for a course, drop the course with Chardon, but forget to drop it with Lakeland officially, you will (likely) be billed for the cost of the course and the textbooks
- If you withdraw from a course after the first 2 weeks, you will be billed for the cost of the course and the textbooks
  - *Roughly \$60/credit for courses taught at Chardon by our staff*
  - *Roughly \$120/credit for courses taught via the college/university staff*

## What Support Services are Available?

- High School counselor
- College advisors/counselors
- Colleges provide the same academic supports to CCP students as they do traditional students
  - Learning Center/Tutoring
  - Library Access
  - Advising/Counseling
  - Student Accommodation Center

## How do I qualify for CCP ?

- Students entering grades 10, 11 or 12 with an unweighted, cumulative high school GPA of 3.0 or above will be admitted into the CCP program.
- Students entering grades 7, 8, and 9 must submit qualifying ACT or SAT scores or take the Next-Generation ACCUPLACER Writing test at Lakeland (or the college they are applying to) and test into college-level English.
