## APC vs. Tripp Lite

| APC   | Tripp Lite   |
|---|--|
| Sells direct to end users, especially on larger deals                                       | Only sells through the channel – NO EXCEPTIONS!  |
| Pricing is moderately high  | Competitive pricing and deal registration programs   |
| Only in business since 1981   | More than 95 years of manufacturing excellence   |
| A publicly traded company, meaning more rules to follow and fewer options for customisation | A privately held company, meaning fewer rules to follow and more options for customisation |
| Fewer buying resources and options for support  | Better sales tools, website resources and award-winning customer support                   |
| A limited number of products, focusing on power protection and conditioning                 | More than 4,500 products, allowing customers to standardise on a single-source solution    |
