The Neomounts by Newstar keyboard and mouse mount, model KEYB-V100 is a universal mount for keyboards and mice. This mount is a great choice when wall-, ceiling-, or desk mounting of consoles is needed. This console mount is ideal to combine with any wall-, ceiling- or desk bracket available using VESA hole pattern 75x75mm.

Select the wall-, ceiling or desk mount you need and combine it with the keyboard and mouse holder. Need to combine keyboard, mouse and monitor? Add our adapter, KEYB-V100RACK and all combinations are possible. Example shown includes Neomounts by Newstar flat screen desk mount, model FPMA-D940HC combined with KEYB-V100 (75 cm x 23 cm) and KEYB-V100RACK. The installation of KEYB-V050 (50 cm x 23 cm) works similar.

The mount has been arranged both for left - and right-handed users. Any keyboard and mouse can be used with this bracket.

By using an ergonomic mount neck- and back complaints can be avoided. Ideal for use in offices and on counters or in a reception area.

All installation material is included with the product.
