The HGST logo consists of the letters H, G, S, and T, each enclosed in a white square. The squares are arranged in a horizontal row. Below the logo, the text "a Western Digital brand" is written in a smaller, sans-serif font.

The comprehensive portfolio of enterprise-class HDDs, SSDs, platforms, and systems from the HGST and SanDisk brands enable organizations to make the most of their data. With our deep understanding of customer needs and the evolving technology landscape, HGST- and SanDisk-brand products deliver innovative, proven, enterprise-class storage solutions to optimize efficiency and reliability across the data center. The result is unmatched storage performance, capacity, and affordability for solving the most prevalent IT infrastructure challenges today.

SYSTEMS

Object Storage: ActiveScale™ systems provide a highly scalable and economic solution to store petabytes of data with system reliability and extreme data durability.
