Over the Counter (OTC)

Item Catalog

Please keep this booklet nearby. You will need it to look up the OTC items you want to order. It contains steps on how to order online, by phone or in store.

Three convenient ways to place an order.

Choose the way that works best for you:

#1 By phone:

Orders can be placed by calling OTCHS at **1-888-628-2770 (TTY: 711)**. You can speak to a live agent Monday to Friday, from 9 AM to 8 PM CT.

How to place an order by phone:

1. Please have your member ID card and order ready when placing an order by phone.
2. When you call OTCHS, the agent will ask you to provide the name of your health plan and your member ID number.
3. Then, you will be asked to verify your full name, date of birth, and the address on file.
4. The agent will inform you how much is your benefit allowance and how often you can order.
5. Once the ordering process begins, please provide the agent with the codes of the items you want to order from this booklet. The codes are found in the first column of each table.
6. You will be provided with a confirmation number after the order is completed. Always make sure to receive and keep your confirmation number.

Return Policy: No returns or exchanges are allowed. If you have not received your order or received a damaged item, call OTC Health Solutions at 1-888-628-2770 (TTY: 711) within 30 days of placing your order.

- If your item is not in stock, an item of similar or greater value may be changed in your order.

#2 In store:

You can pick up your OTC items at any OTC Health Solutions® (OTCHS) enabled store. To find the nearest location, go to <https://www.cvs.com/otchs/secureblue/storelocator>.

How to use your OTC Health Solutions benefits in store:

1. Find approved items in this booklet. Only the items listed in your booklet are available through your plan.
2. Go to any OTCHS enabled CVS Pharmacy® store.

IMPORTANT: Not all CVS stores participate in this benefit. To find the nearest location, go to <https://www.cvs.com/otchs/secureblue/storelocator> or call OTCHS at 1-888-628-2770 (TTY: 711).

3. Look for the OTCH indicator on the top right of the shelf label and review the SKU number for item eligibility. Items are in the dedicated OTCHS section or in the aisles throughout the store.
4. Go to any front store register to check out and give the cashier your member ID card.

Refer to your health plan booklet.

Find which items are available for you in your plan booklet.

Go to any OTCHS enabled CVS Pharmacy.

Look for the OTCH indicator on the label followed by the SKU # to check item eligibility. Items may be found in the dedicated OTCHS section or in the aisles throughout the store. Not all items may be available through your plan.

Go to any front store register to check out and give the cashier your member ID card.

Not all items are available in all stores. If your item is not available, call OTCHS at 1-888-628-2770 (TTY: 711) or visit your plan's web page at <https://www.cvs.com/otchs/secureblue> to process your order.

Please note that the regular retail price in the store may vary. For prices that apply when you use your OTC benefits, please refer to this booklet. Item prices cannot be combined with promotional offers or ExtraBucks® Rewards. Not all items will be carried in all CVS® OTCHS enabled stores.

To Redeem in Store.

Tell the cashier that you have the OTCHS benefit and show your member ID card before the cashier begins to scan items.

Your insurance card is used to verify eligibility, not as a form payment.

You can also cut out and show the QR Code to the cashier at the register to help with the order.

Steps for cashier:

1. Scan QR Code.
2. You will be directed to the OTCHS App on the point-of-sale (POS) system.
3. Ask the member for their plan ID Card.
4. Select the member's plan.
5. Enter the member ID or the member's first and last name.
6. Scan eligible items and follow the steps on the POS system to finish the order.
7. If you are having trouble finding the member or processing the order, call the dedicated OTCHS Store Support line for help.

#3 Online:

The fastest and easiest way to order 24/7 is to visit: <https://www.cvs.com/otchs/secureblue>. Online orders must be sent by 10:59 PM CT to be processed the same day.

How to place an order through our website:

1. Create an account

- If it is your first time placing an order online, you will need to create an account by visiting <https://www.cvs.com/otchs/secureblue>.
 - Choose the “Create Account” button and follow the steps.
 - You will need your **member ID, date of birth, ZIP code** and **current email address**. Each member registering needs to have a separate email address. If a member shares an email address with a spouse or caregiver who also has an OTC account, they will only be able to register one account.
 - You will also need to create a password.
- If you need help to find your member ID, select “Get help locating your member ID.”
- Remember to save your password for future orders. You will need your member ID or email address along with your password to sign in again.
- If you forget your password, choose the “Forgot Password?” button to make a new one.

2. Place an order

- Once you sign in, your benefit amount and balance will show at the top of the page.
- Search through the available items and add to your basket. Your order total will automatically deduct from your balance.
- Once you are ready to place your order, choose “Checkout.”
- You will receive email notifications with the latest status updates as we’re processing your order.
- Please review the order frequency limits found on the FAQs to avoid missing benefit amounts.

Reminder: Orders must be placed by 10:59 PM CT of the last day of the quarter. Orders can only be cancelled within 30 minutes after being processed.

Return Policy: No returns or exchanges are allowed. If you have not received your order or received a damaged item, call OTC Health Solutions at 1-888-628-2770 (TTY: 711) within 30 days of placing your order.

- If your item is not in stock, an item of similar or greater value may be changed in your order.

It can be found on the front of your health plan ID card.

What is the benefit?

The OTC benefit offers you an easy way to get generic over-the-counter health and wellness items by going to any OTC Health Solutions-enabled CVS Pharmacy® store. You can also order by phone at 1-888-628-2770 (TTY: 711) or online at <https://www.cvs.com/otchs/secureblue>. Not all items are available in stores. Items marked with a “⊕” in the booklet can only be ordered over the phone or online.

Is there a limit on the number of items I can order?

There is no limit on the number of items you may order. You can order up to 9 of any single item, per quarter. There are some items that have special limits. These are marked with a “★” or “■” in the booklet.

How long will it take to receive my order?

Most orders will arrive in less than 7 business days. It may take longer during peak volume periods as well as for orders that have hazardous items. If you have not received your order within 14 days, please call OTC Health Solutions at 1-888-628-2770 (TTY: 711).
