

# DOCKING STATIONS

## from Tripp Lite

Transform your laptop or tablet into a multi-device workstation. Tripp Lite's USB-C, Thunderbolt 3 and USB 3.0 docking stations connect a range of electronics. Docking stations are an all-in-one resource for transmitting video, connecting to Ethernet, transferring data and charging mobile devices.

- Connect to virtually any display
- Gain USB-A and USB-C ports for connecting to peripherals
- Read SD or Micro SD memory cards
- Connect stereo speakers
- Get fast Power Delivery (PD) charging
- Connect to the Internet when a Wi-Fi signal is weak or unavailable
- Transfer data at up to USB 3.2 Gen 2 speeds

Model	Description
