PRODUCTS & PRICING:

The Contractor shall perform all services according to the requirements and specifications listed herein.

- The Contractor shall furnish solid waste dumpsters, roll off dumpsters, and all supplies necessary to complete the service, as well as be responsible for the collection, transportation, and legal disposal of the solid waste at an approved site.
- The term "solid waste collection and removal services" shall include providing containers, pick-up, transportation and disposal of solid waste. The Contractor shall make their own arrangements to dispose of the solid waste.
- Each facility/agency shall determine the pickup location(s), container size, type, and frequency of pick up; will call or scheduled day(s).
- All dumpsters must have closed tops.
- Bear-proof dumpsters may be required at some locations.
- Locks may be required and must be provided at NO EXTRA COST. Agencies shall make arrangements with the Contractor for sites requiring locks.
- Locks that are lost or broken due to negligent actions by State Agencies will be the agencies responsibility to replace.
- The Contractor shall be responsible for the maintenance and repair of the containers at no additional cost to the State.
- The State reserves the right to request dumpsters that are deemed in disrepair, unsafe, or unsightly to be swapped out at no charge to the State.
- The Contractor shall at all times be responsible for the safe, careful, and efficient operation of their equipment and shall comply with all safety regulations applicable to this operation.
- Equipment operators shall be experienced and capable and shall be licensed by the State to operate motor vehicles.
- Additional containers can be added or upgraded to the contract in the future as agreeable between the parties.
- The State reserves the right to change the size of the container, or the frequency of pick-up, for any of the locations throughout the term.
- Additional, on-call pick-up service shall be provided at the rates and prices for normal services as specified in offer section.
- A maximum fee of \$50.00 may be charged to State Agencies that request a contracted dumpster size be swapped for a different size. This fee will not be charged for initial can placement.
- Some State of New Hampshire locations own their own compactors that would require only hauling and disposal; some would require receiver box rental, hauling, and disposal. Agency contact will specify when requesting service.
- Response time for Will Call locations shall be within 72 hours once service call is requested.

Additional Requirements

Unless otherwise stated herein all services performed under this Contractor shall be performed between the hours of 7:30 A.M. and 4:00 P.M unless other arrangements are made in advance with the State. Any deviation in work hours shall be pre-approved by the Contracting Officer. The State requires ten-day advance knowledge of said work schedules to provide security and access to respective work areas. No premium charges shall be paid for any off-hour work.

The Contractor shall not commence work until a conference is held with each agency, at which representatives of the Contractor and the State are present. The conference shall be arranged by the requesting agency (State).

The State shall require correction of defective work or damages to any part of a building or its appurtenances when caused by the Contractor's employees, equipment or supplies. The Contractor shall replace in satisfactory condition all defective work and damages rendered thereby or any other damages incurred. Upon failure of the Contractor to proceed promptly with the necessary corrections, the State may withhold any amount necessary to correct all defective work or damages from payments to the Contractor.

The work staff shall consist of qualified persons completely familiar with the products and equipment they shall use. The Contracting Officer may require the Contractor to dismiss from the work such employees as deems incompetent, careless, insubordinate, or otherwise objectionable, or whose continued employment on the work is deemed to be contrary to the public interest or inconsistent with the best interest of security and the State.

The Contractor or their personnel shall not represent themselves as employees or agents of the State.

While on State property, employees shall be subject to the control of the State, but under no circumstances shall such persons be deemed to be employees of the State.

All personnel shall observe all regulations or special restrictions in effect at the State Agency.

The Contractor's personnel shall be allowed only in areas where services are being performed. The use of State telephones is prohibited.

If sub-contractors are to be utilized, Contractor shall provide information regarding the proposed sub-contractors including the name of the company, their address, contact person and three references for clients they are currently servicing. Approval by the State must be received prior to a subcontractor starting any work.
