CUSTOMER BENEFITS

More Usable Space

The Vertiv™ VR Racks offers 2.5" of additional space when compared to comparable racks. This means more room for **easier cable management**, **future proofing** for larger rack equipment as devices increase in size, and provide **additional airflow** to keep equipment from overheating.

No Tools Required

A tool-less design allows the rack to be easily installed and adjusted as device layout changes.

Rapid Deployments

All racks are stocked through Vertiv and Distribution
