Connect seamlessly. Customize easily.

Connect seamlessly

The dual-mode connectivity incorporates a 2.4GHz wireless and a Bluetooth 5.0 connection so you can pair and connect to almost any PC via your preferred mode. Widely compatible, this mouse works with a variety of operating systems, including Windows, Mac OS, Chrome, Linux and Android.

Built to last

Work for up to 36 months¹ on a single battery without having to be concerned with battery replacements. Dell Advanced Exchange Service² ships you a replacement unit the next business day should your mouse be faulty within the three-year warranty.³

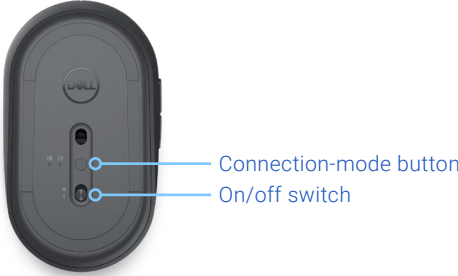

Customize and manage

Intuitively positioned shortcut buttons on the mouse allow easy navigation across web pages and applications. The Dell Peripheral Manager software lets you customize and manage your keyboards and mice efficiently.

¹ Based on Dell internal analysis of battery life usage model calculations, Nov. 2019. Results vary depending on usage and computing conditions.

² Replacement part/unit dispatched, if needed, following completion of phone/online diagnosis. Fee charged for failure to return defective unit. Availability varies.

³ For a copy of the Limited Hardware Warranty, write to Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see dell.com/warranty.

Match your mouse to your style
