This request should include material mentioned in the following news article from Reuters, published on January 3, 2017: "In a wide-ranging request for documents and analysis, President-elect Donald Trump's transition team asked the Department of Homeland Security last month to assess all assets available for border wall and barrier construction. The team also asked about the department's capacity for expanding immigrant detention and about an aerial surveillance program that was scaled back by the Obama administration but remains popular with immigration hardliners. And it asked whether federal workers have altered biographic information kept by the department about immigrants out of concern for their civil liberties. The transition team also asked for copies of every executive order and directive sent to immigration agents since Obama took office in 2009, according to the memo summarizing the meeting"	1/18/2017

2017-HQFO-00619	Tan, Michael	<p>all records related to the following issues: (1) The purpose and scope of the reports required by Section 11 of the Executive Order, and the rationale for including the information covered therein. (2) The data forming the basis for the reports. This means a copy of the original electronic data in their original format, or any spreadsheet format (such as .xls, .csv, or another standard electronic format), with a row in the spreadsheet for each act or offense, and columns including each piece of requested information. Note that one individual may have more than one act or offense, and therefore may have more than one row in the spreadsheet. The agency may redact individuals' names and Alien numbers for privacy, but should preserve the structure of the data and the ability to track individuals' cases. This can be accomplished by including columns with unique identifiers that correspond to the names and Alien numbers of the noncitizens, allowing the data to be analyzed at the individual level without revealing the identity of the noncitizens. (3) The methods and procedures for identifying, tracking, analyzing, verifying, and reporting the data identified by Section 11 of the Executive Order. (4) The methods and procedures for ensuring the accuracy of the reports and their underlying data. (5) The dissemination of the reports to government officials, the news media, and the general public. (6) For information about acts of violence or terrorism by noncitizens, this includes all analogous information about such acts by U.S. citizens. If such information has not been gathered, this request includes a request for all documents related to the decision not to gather that information. Pls see request</p>	3/31/2017
