ACCESSORIES

Secret 2-Way

The privacy filters block the view from two sides (left/right).

Secret 4-Way

The privacy filters block the view from four sides (left/right/top/bottom).

Anti Glare

The filters reduce reflections by sunlight and protect the display from scratches.

Nice to know

The film adheres directly to the full surface of your display thanks to the use of a silicone layer. Attaches easily without forming bubbles. No residue when removed.

Available for all current smartphones, tablets and notebooks. The films can be custom-made for individual devices even in small quantities.
