# MEN'S COLLECTION BY DORFMAN PACIFIC | WINTER 2020

For so long, people thought Dorfman was about selling hats. But really, we're about our hat community. You see a hat is just an accessory, but our millinery community is fostered by the artisans that hand make our hats, local shops that display our creations, and our customers' stories who wear them with distinction. This is coupled with our relentless commitment to service instilled by our founder, Jack Dorfman. Fashion trends are in a constant state of motion, but happy retail partners and valued customers are a constant for us.

The Milagro Foundation is a publicly supported foundation established by Carlos Santana and his family in 1998. Milagro makes grants around the world to community based organizations that work with underserved and vulnerable children in the areas of education, health and the arts.

From your purchase, a portion of the proceeds will be donated on your behalf to The Milagro Foundation. If you do not wish to contribute, please visit the following website to obtain a refund of the donated amount. http://www.milagrofoundation.org/santana.asp

Since its inception, Carlos Santana's Milagro Foundation has granted over \$7.5 million to agencies that support children.

Rare is it when someone is so talented that they are able to transcend genres and successfully bring their creative passion to two completely different arenas. We all know Carlos Santana for his guitar solos and magical musical feats. But his foray into fashion has been equally as fantastic.

Whether baseball caps or fedoras or pork pies, Santana has managed to infuse his line of hats with the same melodies that have reverberated from loudspeakers at his concerts for decades. Indeed, we would be remiss if we did not reflect upon how the Santana Hat Collection exudes the passion, the charisma of Carlos Santana's musical artistry. Santana first made waves in the 60s when his surprising but ... smooth melding of Latino soul music and classic rock first melted the hearts of concert-goers everywhere.

#### **OUR MISSION**

For so long, people thought Dorfman was just about selling hats. But really, we're about our hat family. You see a hat is just an accessory, but our community is fostered by the artisans that hand make our hats, local shops that display our creations, and our customers' stories who wear them with distinction. This is coupled with our relentless commitment to service and quality instilled by our founder, Jack Dorfman. Fashion trends are in a constant state of motion, but happy retail partners and valued customers are a constant for us.

#### **OUR ENVIRONMENT**

**OUR COMMITMENT TO OUR FUTURE** 

We believe it is our responsibility to conserve resources to lower our carbon footprint. Dorfman Pacific's headquarters operates the greenest distribution center in headwear industry, and one of the greenest in the United States. Skylights, motion sensors, light fixtures, reflective white roofing, recycled boxes, electric hand dryers, non-polluting electric fork lifts and carts, high efficiency air conditioning units and electric commuter cars are some the ways that Dorfman Pacific is reducing consumption and conserving resources.
