APPROVAL

Please consider this as authorization for the Emergency Purchase Order (EPO) as requested. Please attach this email and all other relevant documentation (EPO request form, quotes/proposals, memorandum, etc.) to the EPO when it is input into the SRM procurement. It is the agency's responsibility to confirm the funding source with their respective Comptroller.

Unless this request involves a true emergency requiring immediate action to protect the health, safety or welfare of citizens or employees, services obtained under Emergency Procurement protocols may still carry labor relations obligations that must be fulfilled.

Please promptly forward an email to jpistor@pa.gov (or) ckleeman@state.pa.us after you have entered the EPO and attached all appropriate documentation in SRM. Also include the EPO number in the subject line of your emailed response. Agency central procurement office must be copied on all emails.

SRM REQUIREMENTS

Please make note that release of EPO's in the new SRM approval workflow are not automatic.

CHANGES AND EXTENSIONS:

Changes made to a previously approved EPO, will no longer trigger a re-release in SRM workflow. However, all changes must be documented on the EPO.

In no case may the expiration date of an EPO be extended without approval from DGS, and the approval must be obtained from DGS prior to the expiration date of the EPO. Any services performed after the expiration date may be considered unauthorized.

This email was sent from an unmonitored account. Please contact gs-procure@state.pa.us for help.
