RURAL CHAMPIONS OF CHANGE

—Dheeraj Pradhan

Nari Shakti Mahila Sangh (NSMS) is a story of struggle and efforts of 5597 women from Paraswada and Balaghat Block of Balaghat District. These women are from 129 villages of Balaghat and it was in March 2008 that they embarked on this journey with small efforts. Initially individual members collectivized and formed Self-Help Groups of 10-15 members under Tejaswini Rural Women Empowerment Programme of Madhya Pradesh Government being implemented by Professional Assistance for Development Action (PRADAN). They were marred with not having access to better sources of livelihood, mortgaging assets to take loans from "sahukars", domestic violence and lonely efforts to fight injustices. These efforts for collectivizing led to formation of around 437 SHGs comprising economically weak tribal and dalit women.

In SHGs, women met weekly to save money to support each other economically to meet consumptive and productive needs of the family. Also this was a forum where women shared their daily life stories and issues for mutual support.

Status of SHGs (as on January, 2012)

Sl. No.	Particular	Amount (in Rs.)
1.	Total Saving	67.17 lac
2.	Total Internal Credit Generated	2.32 Crore
3.	Total Principal Repaid	1.84 crore

After three years of journey, SHGs are confident to integrate themselves with bank credit and more than 50 SHGs are making efforts to access credit to further their livelihood efforts of which 2 SHGs have been through Swaran Jayanti Gram Swarajgar Yojana (SGSY).

The second step in the journey was taken in 2010 when SHGs in a village came together to form Village Level Committees (VLC) where women members met once a month and dis-

cussed issues related to development of the village, decided on Plan of Action and participated in social and political sphere. Today there are more than 110 VLC active in the area and are interacting with government insti-

achieved this with less input cost through SRI.

In villages Madanpur, Salghat, Jalgaon, Kanari, Dhipur, Sawarjhodi, Dauni, Bhondwa, Partapur, Dongarbodi, Umaria, Khami,

tutions for better access to government schemes and programmes. These VLCs had been active in areas like absenteeism of teachers and auxiliary nurse midwife, demanding wage employment and payments of delayed wages in Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA), issues of domestic violence, accessing agricultural inputs from market, adopting improved vegetable cultivation, System of Rice Intensification (SRI) and organic methods, checking liquor consumption, demanding for electricity and better health facilities, attending Gram Sabhas and developing integrated natural resource based plans in 17 villages to be integrated with MGNREGA. The initiative got further boost under UN women supported programme. Even before this second step in Panchayati Raj elections around 49 members got elected as Panch and one took up the position of Sarpanch in the area.

To concretize with few examples, around 2300 households have adopted improved vegetable cultivation and System of Rice Intensification (SRI) to enhance their productivity leading to higher income. Some of them adopted improved techniques in vegetable cultivation of brinjal, chilly and tomato in around 2.5 decimal of homestead land and has been able to earn more than Rs 9000.

More than 400 SHG households have adopted vermin-compost along with System of Rice intensification which decreases input cost and enhance productivity. Some of them have been able to produce 21 quintals from 70 decimal of field from where earlier they used to get 6 quintals. They

Kharakona, Alipur, Durenda and Salhe, SHG members came forward and motivated other villagers to develop integrated natural resource based plans for better food security and livelihood opportunities. The plans have small land and water structures with crop planning suited to small and marginal farmers. Villagers are making efforts to get these plans integrated with MGNREGA through Gram Sabhas and can go a long way in checking distress migration in the area.

In Pindkepaar, Ghunadi and Murjhar, Village Level Committees discussed the issue of alarming trend towards tobacco and liquor consumption among young people and decided to organize a peaceful rally across three villages. In this they sought support from Panchayat, schools, Police and villagers across ages and this had a positive impact and liquor consumption came down drastically in the area. It was realized during the course that to deal with issues related to domestic violence, inequality, non-participation in decision making and deprivation from education, linkages need to be built across villages and this led to development of 21 clusters each comprising around 4-5 villages which are physically approachable. These clusters came together to form Nari Shakti Mahila Sangh and celebrated Unity Festival. The Federation was formed with objective of:

- To support and attainment of better position for women in family and society, strengthening of economically weak families with integration with better sources of livelihood.

RURAL CHAMPIONS OF CHANGE...

- To support SHGs in integrating them with banks, government and other development oriented institutions to strengthen the roots of Federation.
- To educate members on their Rights and help them in accessing them.

This year again women celebrated 18th February, 2012 as **Awareness Festival**. These annual meets are forum for Federation to internalize their own strength as well as interact with external world. Women members come to a single stage taking out rallies from their villages and depict issues like domestic violence, access to services, delayed wages in MGNREGA, better livelihood opportunities in plays, songs and other cultural expressions. The Federation meets every month at both blocks separately where representatives from VLCs come. Today Federation has office of its own and is moving with strength towards its objectives.

NSMS deliberated on the issue of wage employment in MGNREGA and this led to demand for wage employment across villages with more than 1000 members coming forward, demanding for employment which saw a significant success. Recently around 40 members volunteered to form Participatory theatre groups to raise awareness and active-

ly deal with the issues of domestic violence and MGNREGA. They move from village to village and carry out awareness plays and deliberate through them, involving more members with them. This is the step where women are taking charge and dealing with larger environment. Nobody envisioned that forming of SHGs could lead to collectivization and awareness at such level. Today women members face challenges with structure and leadership still being fluid, they have to deal with banks and other institutions and not least they have to fight with their families for equal access and decision making for better socio-economic and political position within society.
