Aruba ClearPass Visibility Benefits:

- Automatic detection and categorization of endpoints for security and audit demands. Continuous monitoring of all devices, including those that come and go!
- Agentless visibility that lets you find devices like BYOD smart phones, and IoT.
- Contextual attribute sharing that extends visibility to a wide range of security and IT-services solutions.

Terms and Conditions:

- This promotion offer is applicable to HPE Authorized Partners in Europe, Middle East and Africa only, and terms and conditions may vary by country.
- Eligible products: end user customers must purchase a CPVB Appliance from the Bundle SKUs offered in this promotion together with 1 year of foundation care support at all times.
- Participants must obtain pre-approval to participate in this promotion which can be obtained through the special negotiated discount quoting process.
- Approvals are valid for 30 days from date of issue.
- This promotion cannot be combined with deal registration or any other promotion.
- No bundle substitutions will be allowed at any time.
- HPE reserves the right to terminate, alter, or modify these Terms and Conditions at any time.

INSTRUCTIONS FOR PARTNERS

- To take advantage of this promotion please ensure you reference Promo Code "EMEA_CPVB_PROMO" on your Aruba quote request.
- Partners who experience issues with submitting a quote request within the HPE Aruba quoting tool should contact their local HPE Aruba sales or channel account manager representative for assistance.
