GENERAL COUNSEL'S REPORT

BACKGROUND

On February 27, 1978, the Commission received a complaint from the Spotlight initiating this matter. The Commission took the following actions on May 18, 1978:

1. Find no RTB that the Tiernan for Congress Committee violated 2 U.S.C. §441b(a) in the matter of its debts outstanding since the 1974 campaign.
2. Find no RTB that the Tiernan for Congress Committee is in violation of the Federal Election Campaign Act, as amended, with respect to debt settlement statements reported in 1975 since there were no established procedures for approval of the debt settlement at that time.
3. Send the Tiernan for Congress Committee a letter requesting additional information regarding proceeds from fundraisers.

After receiving a letter in response to this request for information, the Office of General Counsel served a subpoena on the Tiernan for Congress Committee in order to obtain records pertaining to fundraisers held in 1974 on behalf of candidate Robert Tiernan.

ANALYSIS

Mr. O'Halloran, treasurer of the respondent committee, has provided the Commission with all records in his control and has stated that to the best of his knowledge, these are all of the records pertaining to the 1974 fundraisers. By supplying all

of the relevant documents in their possession, the Tiernan for Congress Committee has complied with the subpoena.

According to information provided by Mr. O'Halloran and by Mr. Edward Clement, the Tiernan campaign manager, the dates of the events were as follows:

St. Patrick's fundraiser
March 1974

International Golf Club event
August 1974

Georgetown Club event
September, 1974

Francis Farms Clambake
September 4, 1974

Metacomet Country Club event
December 1974

There are, in effect, only three fundraisers at issue. The International Golf Club event was not a fundraiser, but was held to organize Tiernan campaign supporters and workers. There were no proceeds from The International Golf Club event.

As for the Georgetown Club event, the affair was sponsored by the Friends of Tiernan Committee; accordingly, the respondent Tiernan for Congress Committee had no reporting obligation under the law at that time with respect to the Georgetown Club fundraiser. It appears that the Tiernan for Congress Committee later took responsibility for the liabilities of the Friends of Tiernan Committee. Unless the Commission wishes to adopt the rule that a 1974 committee accepting such liabilities is responsible for any reporting errors, it would appear that there is no reason to believe the Tiernan for Congress Committee violated the law.

With respect to the St. Patrick's Day fundraiser, the clambake at Francis Farms and the event held at Metacomet Golf Club, according to Mr. Clement, all receipts from those fundraisers were reported to the Commission either in the aggregate as unitemized receipts of contributions less than \$100 or else were reported as itemized receipts. However, the proceeds were not broken down by individual fundraising event.

In the records provided to us in response to our subpoena, the proceeds gathered through the St. Patrick's Day fundraiser and the Francis Farms clambake are documented by ticket lists as well as by cancelled checks. There were no collections taken at these affairs nor were there sales of souvenirs or other items. With respect to the Metacomet Country Club fundraiser, there are only cancelled checks which appear by their dates to be connected with that event. Only one check in this group indicates on its face that it is for the fundraiser.

On the basis of the records kept by the committee, it appears that it would be possible for its reports to be amended.

Because the Commission has never pursued any 1974 reporting violations and pursuit of them would raise the question of whether the Commission has jurisdiction to pursue violations occurring prior to 1975, we are recommending several alternative methods of resolving this matter:

RECOMMENDATION

1. Find no reason to believe a violation has occurred and close the file.

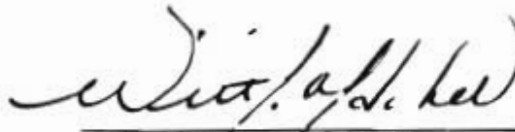

2. Find reason to believe a violation of 2 U.S.C. §434(b)(6) has occurred, but take no further action.

3. Find reason to believe a violation of 2 U.S.C. §434(b)(6) has occurred, require the Tiernan for Congress Committee to file an amended report, and take no further action.

4. Require the Tiernan for Congress Committee to file amended reports and take no further action.

5. Take no further action and close the file.

RE: MUR 539

Dear Mr. Oldaker:

I am in receipt of your letter of September 29, 1978, extending the time for producing information to October 11, 1978.

In a telephone conversation on September 15, 1978, at which time you granted me an extension of time, you indicated the Commission wanted the expenses for the following fundraisers: March, 1974, St. Patricks, June 10, 1974, report; September, 1974, Francis Farms, January 31, 1975, report; Metacomet Country Club, January 31, 1975, report.

In your letter of September 29, 1978, you now indicate you are interested in the proceeds from these fundraisers and two additional events, namely, September, 1974, Georgetown Club, January 31, 1975, report; International Golf Club, January 21, 1975, report.

By letter of October 10, 1978, I sent you cancelled check no. 1000, dated December 15, 1974, in the amount of \$482.32, made payable to the Metacomet Country Club, the same representing the expenses of that fundraiser. Enclosed, also, find cancelled check in the amount of \$1,700, dated March 21, 1975, made payable to Francis Farms for that fundraiser.

Please be advised that the expenses of the St. Patrick's Day fundraiser were as follows: Turks Head Club, \$2,784.46; Mark Russell, \$587.27; Audionics, \$35; Avery

Piano, \$90; for a total of \$3,496.73. To date, I find no cancelled checks on this event.

The Georgetown Club fundraiser was not run by the Tiernan for Congress Committee; it was sponsored by the District of Columbia Friends of Tiernan. There were no expenses for International Golf Club, January 31, 1975, report, as all those attending paid their own expenses.

The proceeds from these fundraising events were never broken down into events as such, but were filed with the Clerk of the House in the following manner: If a person paid over \$100, the same is listed as an itemized contribution. Payments of \$100 or less were grouped as unitemized contributions.

RE: MUR 539

Dear Mr. O'Halloran:

This letter is in response to your letter of September 19, 1978 in which you requested a specification as to what documents would satisfy the subpoena sent to you as Treasurer of the Tiernan for Congress Committee. As you have been informed previously, the Commission requested that you provide information regarding the proceeds from a number of fundraising events. Specifically there are expenditures for five fundraisers mentioned in your reports (March, 1974 St. Patricks, June 10, 1974 report; September, 1974 Francis Farms, January 31, 1975 report; September, 1974 Georgetown Club, January 31, 1975 report; International Golf Club, January 31, 1975 report; Metacomet Country Club, January 31, 1975 report). However, there are no corresponding reports of proceeds for any of these fundraising events as requested in 2 U.S.C. §434(b)(6). The Commission subpoena issued on August 30, 1978 requires that you send all records which in any way pertain to those fundraisers and the proceeds obtained.

In light of the extension which you have been granted, this information should be produced and delivered to the Commission by Wednesday, October 11, 1978.

Sincerely,

A handwritten signature in black ink, appearing to read "William C. Oldaker".

Dear Mr. Oldaker:

I am in receipt of your subpoena to produce documents and records on or before September 15, 1978. In a telephone conversation on said date, you gave me a reasonable extension of time.

By letter of July 17, 1978, I asserted the law required me to maintain my records for a period of not less than two years. Your disagreement with that contention requires that I attempt to locate the subpoenaed documents. If they are still available, I will turn them over to you.

It would be of assistance to me if you would advise exactly what you are looking for so that, if I do not have relevant documents, I can attempt to obtain the information elsewhere.

Very truly yours,

Allegation

7 2 2 4 0 1 1 0 0 3 3
A complaint by Spotlight alleged the following: (1) that the Tiernan for Congress Committee debts, being outstanding since the 1974 campaign, should be treated as corporate contributions and thus, in the instances of corporate creditors, constitute violations of 2 U.S.C. §441b(a), (2) that a debt settlement was reported without submission of a debt settlement statement as required by 2 U.S.C. §434(b)(12); and (3) that although expenditures listed by the Tiernan for Congress Committee suggest that fundraising functions were held, the reports do not list ticket sales, as required by §434.

Previous Commission Action

On May 19, 1978, the Commission found no reason to believe that the Tiernan for Congress Committee violated 2 U.S.C. §441b(a) with regard to Committee debts outstanding since 1974; found no reason to believe that the Tiernan for Congress Committee violated the Federal Election Campaign Act, as amended, with respect to debt settlement statements reported by the Committee in 1975. At the same time the Commission determined that the Tiernan for Congress Committee be sent a letter by the office of the General Counsel requesting additional information regarding the reporting of proceeds, if any, from four fundraisers "held in" 1975. This last determination contains an error which should be pointed out. At least two of the fundraisers

were held in September, 1974. It is unclear when the other two were held. The four fundraisers were reported on the January 31, 1975 report. However, the letter sent requesting the information made clear which fundraisers were in question.

Analysis

A letter notifying F. Thomas O'Halloran, Treasurer of the Tiernan for Congress Committee, of the Commission's determination was sent on May 19, 1978. That letter requested the Tiernan for Congress Committee provide information regarding total proceeds from the following fundraising events: a March 1974 St. Patricks fundraiser; a September 1974 event at Francis Farms; a September 1974 event at the Georgetown Club; and events at the International Golf Club and Metacomet Country Club, the last four of which are listed in the January 1975 report. Mr. O'Halloran responded by restating the request for proceeds information and asking for a time extension in which to obtain the information and reply to the Commission letter. On June 21, 1978, the Commission granted a thirty rather than ten day period in which to comply.

A second letter was received from Mr. O'Halloran on July 17, 1978 which provides no information regarding the proceeds from the fundraising events in question. Rather, following a quote from the Manuel of Regulations and Accounting Instructions from the Clerk of the U.S. House of Representatives dated 1974 which states that records of statements and matters reported with the Clerk shall be kept for a period of not less than two years from the date of filing the statement or reports, he proceeds to list each event in question and cite a microfilm cart/frame number. These are, in fact, the same pages, either a Schedule C,

itemized expenditures, or Schedule E, debts and obligations, which report the fundraising expenditure and which led the Commission to request information concerning the proceeds of those events. Hence, the Commission has no more information concerning the fundraising events than it had before its request.

From Mr. O'Halloran's response it is unclear whether there is, in fact, any information which exists concerning the proceeds from those fundraisers since he did not state that he has no such information. With this in mind, there are four alternatives which the Commission can take at this point. The Commission can;

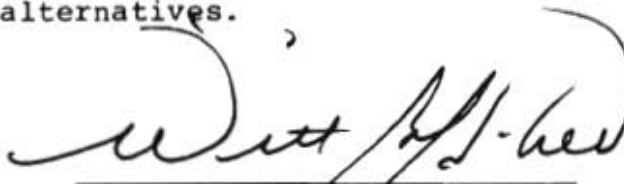

- (1) write another letter pointing out the deficiencies in the response and request information regarding proceeds;
- (2) subpoena the Tiernan for Congress Committee records;
- (3) find reason to believe a violation has occurred;
- (4) find no reason to believe and close the file.
- (5) close file without finding.

Recommendation

Adopt one of the above five alternatives.

RE: Complaint of The Spotlight Against
Robert O. Tiernan

Dear Gentlemen:

I am counsel for The Spotlight, the newspaper published by the Liberty Lobby, Inc. The Spotlight has brought my attention to certain activities which they believe, and which I concur, are apparent election violations by Robert O. Tiernan, a Congressional candidate from Rhode Island in the 1974 elections. In my capacity as counsel to the Spotlight, I am herewith filing a complaint concerning these activities as set forth below.

I. Possible violation of debts and obligations requirements.

Review of the short form report of receipts and expenditures received by the Commission in January 1978 from the Tiernan for Congress Committee indicates outstanding debts to five different entities.

According to the Election Commission's Campaign Guide on Post-Election FECA requirements, Campaign Guide #6, November 1976, at page 6.3:

When a candidate or political committee fails to pay a campaign bill in a timely fashion consistent with normal business or trade practice, the debt in effect becomes a contribution made by the creditor to the candidate or committee. If this occurs, both the creditor and the political debtor risk violating the Act....

There is, however, one limited exception. A debt outstanding for a longer period of time than is usual in business may not be regarded as a contribution if the creditor has made a

7974011037

"commercially reasonable" attempt to collect the debt. In the case of credit extended by corporations, an unpaid bill or the settlement of a debt at less than the original amount is an (illegal) contribution unless the corporation settles the debt in a commercially reasonable manner and files a Statement of Settlement with FEC.

I am told that one of the creditors listed, see attached list, Exhibit 1, namely the Georgetown Club, sued Mr. Tiernan in May of 1977 to regain payment of the debt. I would presume that this is a commercially acceptable way of recapturing money owed, although, interestingly, Mr. Tiernan pleaded the statute of limitations, albeit unsuccessfully, in his defense. The plea was made in the spring of 1977 and not overruled until last week. It is curious how Mr. Tiernan can in Court claim immunity by means of the statute of limitations from Court collection efforts while still representing to the Commission that the debt was outstanding. See Exhibit 1, dated several weeks prior to the Court Order denying the statute of limitations claim. Even assuming that a "debt" must be declared as such whether or not legally enforceable, the fact that Mr. Tiernan has chosen to contest the lawsuit seems to me to at least be evidence of his nonintention to repay it. If that is indeed his intention, then for that reason, as well as the commercially reasonable test, this debt appears appropriate for treatment as a contribution. If the Georgetown Club is a corporation, then the transaction may be illegal.

I have no records of efforts made, even with the passage of over three years, by Allegheny Airlines, Joseph White Associates, Dave Ramage or L. M. Collins to recover monies owed. In the case of Allegheny Airlines, in which a three year debt for \$171.61 would presumably not be commercially reasonable and for which no Statement of Settlement has been filed, this would then be presumed to be a corporate contribution, which is illegal under the Act. 11 C.F.R. §§100.4(a)(6) and 114.10. See, also, 14 C.F.R. Part 374a concerning airline debt security arrangements, which also do not appear to be complied with as demonstrated by the outstanding debt.

With specific regard to Allegheny Airlines, I would further note that Schedule C of the Tiernan for Congress Committee submission received on July 15, 1975, indicates that money was paid to Allegheny Airlines in "final adjusted settlement of account." See Exhibit 2. This appears to me to be inconsistent with the amended Schedule E submitted later, Exhibit 1, and is, as well, as in the case of other corporations

listed as settled with in Exhibit 2, unaccompanied by the required Statement of Settlement.

II. Reporting of individual contributions.

There are numerous references in the Tiernan for Congress filings to fund raising expenses, which suggest fund raising functions for which tickets may have been sold. See, for example, the expenses listed for the Internaional Golf Club, Exhibit 3, and as well expenses listed for the Georgetown Club, Exhibit 1. However, a search of the records indicates no reporting of the sale and purchase of tickets, which I presume would constitute individual contributions. It is my understanding that such ticket sales, if they occurred, must be reported.

According to the Federal Election laws a campaign committee cannot terminate until all existing debts are satisfied. 11 C.F.R. §§101.1, 102.4. It is further my understanding that campaign committees are under a duty to return illegal contributions. "Campaign Guide for Federal Candidates," FEC Campaign Guide #3, §176. It would thus appear to me that the failure of the Tiernan for Congress Committee to arrange repayment of apparent illegal contributions is also possibly a violation of the Act.

My client has information that the Election Commission, at least by virtue of Vice Chairman Staebler and Mr. Fiske, has for some time had knowledge of these alleged violations. Insofar as the Commission has taken the position that it can on its own, without need for formal complaint, investigate possible violations within its knowledge, see Reply Memorandum of the Commission dated October 21, 1977, in the case of Federal Election Commission of the United States v. The Spotlight, Miscellaneous No. 77-0195, United States District Court for the District of Columbia Circuit, I would like to know what actions the Commission has taken to investigate these apparent violations. I would also like to be apprised of any actions taken by the Commission in response to this complaint.

Further, in view of the fact that Mr. Tiernan is presently a Federal Election Commissioner and in the words of Mr. Staebler to my client, should thus "like Caesar's wife" be beyond reproach, setting an example for all members of Congress, I would ask that pursuant to Title 2 U.S.C. §437g(a)(3)(B), that Commissioner Tiernan grant authorization for public disclosure of the course of the investigation. I would also ask that this request of Mr. Tiernan be relayed to

him and trust, unless I hear to the contrary, that he will be so apprised of it.

Pursuant to 11 C.F.R. §111.2(a)(4) this is to inform you that this complaint is filed on behalf of the Spotlight and not on behalf of or at the request or suggestion of a candidate.

CERTIFICATION

I, Marjorie W. Emmons, Secretary to the Federal Election Commission, do hereby certify that on May 18, 1978, the Commission determined by a vote of 5-0 to take the following actions in the above-captioned matter:

1. Find No Reason to Believe that the Tiernan for Congress Committee is in violation of 2 U.S.C. Section 441b(a) in the matter of the Tiernan for Congress Committee debts, outstanding since the 1974 campaign.
2. Find No Reason to Believe that the Tiernan for Congress Committee is in violation of the Federal Election Campaign Act, as amended, with respect to the debt settlement statements reported in 1975 since there were no established procedures for the approval of debt settlement at that time.
3. That the Tiernan for Congress Committee would be sent a letter by the General Counsel requesting additional information regarding proceeds, if any, from fundraisers.
4. That a letter be sent to the Complainant setting forth the actions taken above, and that a copy of this certification be enclosed.

Commissioner Tiernan has specifically recused and has not participated in any way whatsoever in this matter.

MEMORANDUM

TO: The Commission

May 18, 1978

FROM: William C. Oldaker

RE: MUR 539

At the May 17, 1978 Commission meeting, the staff was requested to provide further information with regard to the Tiernan Committees' compliance with §434b(6). In particular, it was requested that the filed responses be examined to determine whether in connection with fund-raising events corresponding itemized or unitemized contributions were shown.

Reports for all the Tiernan Committees (Tiernan for Congress, Friends of Tiernan, Rhode Island and Washington, D.C., Citizens for Tiernan and Robert O. Tiernan) were reviewed. Attached are reports which reflect expenditures for fundraising events. These show the following:*

A) Tiernan for Congress Committee June 10, 1974

Expenditures \$3,999.17 for March 1974 fundraiser

Contributions

- A) unitemized - \$16,305.00
- B) individual - no pattern corresponding to an event

*Attached also is a June 10, 1974 report of the Friends of Tiernan wherein \$8,850 is listed as the proceeds from the sale of tickets without description of the type of event.

70010110061

B) Tiernan for Congress Committee January 31, 1975

Expenditures

- 1) \$1,718.70 - International Golf Club - No date
- 2) \$482. . - Melacomet C.C. No date
- 3) \$2,343.50 - Francis Farms September, 1974
- 4) \$1,303.80 - Georgetown Club September, 1974

Contributions

- A) unitemized - \$8,748.00
- B) individual - no pattern corresponding to an event

On the face of the filed reports, the unitemized receipts would appear to correspond with the noted fundraising events and thus account for individual contributions received which do reach the threshold reporting requirements.

COMPLAINANT'S NAME: Spotlight

RESPONDENT'S NAME: Tiernan for Congress Committee/Robert O. Tiernan

RELEVANT STATUTE: 2 U.S.C. §§434(b)(12), 436(c), 441b(a), 434(b)(2),
434(b)(6); 11 C.F.R. §100.4(a)(6) and §114.10

INTERNAL REPORTS CHECKED: Tiernan for Congress; Friends of Tiernan;
Citizens for Tiernan; and Robert O. Tiernan,
FEDERAL AGENCIES CHECKED: None candidate

SUMMARY OF ALLEGATIONS

1. That the Tiernan for Congress Committee debts, being out-standing since the 1974 campaign, should be treated as contributions and thus, in the instances of corporate creditors, constitute viola-tions of §441b(a).

2. That a debt settlement was reported without submission of a debt settlement statement as required by 2 U.S.C. §434(b)(12).

3. That although expenditures listed by the Tiernan for Congress Committee suggest that fundraising functions were held, the reports do not list ticket sales, as required by §434.

ANALYSIS

1. Complainant asserts that whereas the Committee debts assumed in 1972 have neither been paid nor settled the credit as

7 9 0 1 0 1 1 0 0 5 1

7004011005

originally extended must be treated as a contribution. The 1971 Act which governed these transactions does not establish conditions under which debts might be incurred by committees; however current Commission regulations provide guidance. The regulations address the terms under which the debts were originally assumed and the extension of further credit as separate issues. As for the original extension, 11 C.F.R. §114.10(a) states that a corporation may extend credit to a committee provided "that the credit is extended in the ordinary course of the corporation's business and the terms are substantially similar to extensions of credit to nonpolitical debtors which are of similar risk and size of obligation." An examination of the debts challenged by the complainant (Allegheny Airlines, \$523.56 [\$171.61 of which remains outstanding]; Mr. Joseph White Associates, \$1,395.06; Georgetown Club, \$1,303.80; Mr. Dave Ramage, Washington, D.C., \$2,124.25; and L. M. Collins, \$410.57) does not reveal any obligation that would appear by either the amount and/or the creditor to be an extension outside of the ordinary course of business. Moreover, the complainant does not provide any evidence or information showing that the original extension of credit was unusual.

As for the further extension of the credit previously granted, 11 C.F.R. §100.4(a)(6) provides that the extension of credit for a length of time beyond business or trade practice shall, unless the creditor has made a commercially reasonable attempt to collect, cause the debt to be treated as a contribution. In this respect the circumstances of this matter fail to show a lack of commercially reasonable

attempts to collect. For instance, the Committee maintains a balance of only \$554.88 with \$5,405.29 in outstanding debts. In addition, the complaint itself shows that the Georgetown Club has sued, without avail, to obtain the \$1,303.80 owed. In view of the expense and time incident to litigation and this creditor's inability to settle or prevail after such, other creditors could not be expected to go so far as seeking court action. Furthermore, whereas 2 U.S.C. §434(b)(12) and §436(c) require the reporting of outstanding debts until such are extinguished, it appears that the Act does not contemplate that the mere carrying of a debt automatically changes the debt into a contribution.

2. Complainant also asserts that debts were settled, in particular with Allegheny Airlines, without submission of a debt settlement statement as required by 2 U.S.C. §434(b)(12). The reports show settlement of five debts in March of 1975. In connection with each, there is a statement that each settlement was "a final adjusted settlement of account." There is no additional information as to the circumstances and conditions under which these obligations were extinguished, and the staff recommends that in this respect the matter be referred to Reports Analysis for review as is ordinarily rendered to debts settled in this time period.

3. Complainant also asserts there are no ticket sales to correspond with reported expenditures that were apparently made for fundraising functions. Under the 1971 Act, individual contributions in excess of \$100 were required to be reported, but there is no suggestion in the reports or evidence in the complaint showing a

7004011065

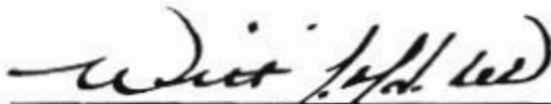

failure to comply with this requirement. However, the reports in question do not separately list the total proceeds from any particular fundraising event as required by §434(b)(6), and, therefore, with respect to this information, we recommend referral to Reports Analysis for review as is ordinarily rendered in establishing compliance with this section.

SUMMARY

For the reasons set forth above, the complaint does not give reason to believe that the outstanding obligations were originally extended under circumstances indicating contributions were received or that treatment of the debts as a contribution is now required on account of a failure to use commercially reasonable efforts to obtain repayment. Further information may be required by §434(b)(12) as to the circumstances under which certain obligations were settled and also may be required by §434(b)(6) as to the total amount of proceeds from fundraising events the Committee may have held, thus on these issues we recommend referral to Reports Analysis for review.

RE: Complaint of The Spotlight Against
Robert O. Tiernan

Dear Gentlemen:

I am counsel for The Spotlight, the newspaper published by the Liberty Lobby, Inc. The Spotlight has brought my attention to certain activities which they believe, and which I concur, are apparent election violations by Robert O. Tiernan, a Congressional candidate from Rhode Island in the 1974 elections. In my capacity as counsel to the Spotlight, I am herewith filing a complaint concerning these activities as set forth below.

I. Possible violation of debts and obligations requirements.

Review of the short form report of receipts and expenditures received by the Commission in January 1978 from the Tiernan for Congress Committee indicates outstanding debts to five different entities.

According to the Election Commission's Campaign Guide on Post-Election FECA requirements, Campaign Guide #6, November 1976, at page 6.3:

When a candidate or political committee fails to pay a campaign bill in a timely fashion consistent with normal business or trade practice, the debt in effect becomes a contribution made by the creditor to the candidate or committee. If this occurs, both the creditor and the political debtor risk violating the Act....

There is, however, one limited exception. A debt outstanding for a longer period of time than is usual in business may not be regarded as a contribution if the creditor has made a

700117077

"commercially reasonable" attempt to collect the debt. In the case of credit extended by corporations, an unpaid bill or the settlement of a debt at less than the original amount is an (illegal) contribution unless the corporation settles the debt in a commercially reasonable manner and files a Statement of Settlement with FEC.
(emphasis original)

79040110071
I am told that one of the creditors listed, see attached list, Exhibit 1, namely the Georgetown Club, sued Mr. Tiernan in May of 1977 to regain payment of the debt. I would presume that this is a commercially acceptable way of recapturing money owed, although, interestingly, Mr. Tiernan pleaded the statute of limitations, albeit unsuccessfully, in his defense. The plea was made in the spring of 1977 and not overruled until last week. It is curious how Mr. Tiernan can in Court claim immunity by means of the statute of limitations from Court collection efforts while still representing to the Commission that the debt was outstanding. See Exhibit 1, dated several weeks prior to the Court Order denying the statute of limitations claim. Even assuming that a "debt" must be declared as such whether or not legally enforceable, the fact that Mr. Tiernan has chosen to contest the lawsuit seems to me to at least be evidence of his nonintention to repay it. If that is indeed his intention, then for that reason, as well as the commercially reasonable test, this debt appears appropriate for treatment as a contribution. If the Georgetown Club is a corporation, then the transaction may be illegal.

I have no records of efforts made, even with the passage of over three years, by Allegheny Airlines, Joseph White Associates, Dave Ramage or L. M. Collins to recover monies owed. In the case of Allegheny Airlines, in which a three year debt for \$171.61 would presumably not be commercially reasonable and for which no Statement of Settlement has been filed, this would then be presumed to be a corporate contribution, which is illegal under the Act. 11 C.F.R. §§100.4(a)(6) and 114.10. See, also, 14 C.F.R. Part 374a concerning airline debt security arrangements, which also do not appear to be complied with as demonstrated by the outstanding debt.

With specific regard to Allegheny Airlines, I would further note that Schedule C of the Tiernan for Congress Committee submission received on July 15, 1975, indicates that money was paid to Allegheny Airlines in "final adjusted settlement of account." See Exhibit 2. This appears to me to be inconsistent with the amended Schedule E submitted later, Exhibit 1, and is, as well, as in the case of other corporations

listed as settled with in Exhibit 2, unaccompanied by the required Statement of Settlement.

II. Reporting of individual contributions.

There are numerous references in the Tiernan for Congress filings to fund raising expenses, which suggest fund raising functions for which tickets may have been sold. See, for example, the expenses listed for the Internaional Golf Club, Exhibit 3, and as well expenses listed for the Georgetown Club, Exhibit 1. However, a search of the records indicates no reporting of the sale and purchase of tickets, which I presume would constitute individual contributions. It is my understanding that such ticket sales, if they occurred, must be reported.

According to the Federal Election laws a campaign committee cannot terminate until all existing debts are satisfied. 11 C.F.R. §§101.1, 102.4. It is further my understanding that campaign committees are under a duty to return illegal contributions. "Campaign Guide for Federal Candidates," FEC Campaign Guide #3, §176. It would thus appear to me that the failure of the Tiernan for Congress Committee to arrange repayment of apparent illegal contributions is also possibly a violation of the Act.

My client has information that the Election Commission, at least by virtue of Vice Chairman Staebler and Mr. Fiske, has for some time had knowledge of these alleged violations. Insofar as the Commission has taken the position that it can on its own, without need for formal complaint, investigate possible violations within its knowledge, see Reply Memorandum of the Commission dated October 21, 1977, in the case of Federal Election Commission of the United States v. The Spotlight, Miscellaneous No. 77-0195, United States District Court for the District of Columbia Circuit, I would like to know what actions the Commission has taken to investigate these apparent violations. I would also like to be apprised of any actions taken by the Commission in response to this complaint.

Further, in view of the fact that Mr. Tiernan is presently a Federal Election Commissioner and in the words of Mr. Staebler to my client, should thus "like Caesar's wife" be beyond reproach, setting an example for all members of Congress, I would ask that pursuant to Title 2 U.S.C. §437g(a)(3)(B), that Commissioner Tiernan grant authorization for public disclosure of the course of the investigation. I would also ask that this request of Mr. Tiernan be relayed to

him and trust, unless I hear to the contrary, that he will be so apprised of it.

Pursuant to 11 C.F.R. §111.2(a)(4) this is to inform you that this complaint is filed on behalf of the Spotlight and not on behalf of or at the request or suggestion of a candidate.

Re: MUR 539

Dear Mr. Gard:

This letter is in response to the questions raised in your letter of March 2, 1978 as to whether the Commission has alternative voting requirements in the situation where one Commissioner withdraws himself from deliberations on a matter. §B.S.C. §437c sets forth the required vote necessary to obtain a Commission decision. That same section clearly states that a member of the Commission may not delegate to any person his vote or any decision-making authority of duty vested in the Commission. Hence, in light of nondelegation of voting powers there is no alternative procedure by which the Commission can reach a decision.

The complaint which spotlight filed against Robert Tiernan has been assigned as MUR 539. Please refer to this number in any further correspondence.

Sincerely yours,

RE: Complaint of the Spotlight
Against Robert Tiernan

Dear Mr. Oldaker:

I am in receipt of your letter of February 28, 1978.

Your letter did not make any specific response to my asking that the request for Mr. Tiernan to waive his secrecy protections be transmitted to him. Accordingly, as per my letter of February 23, 1978, I assume that that request has been presented to him.

I do note with interest that your procedures provide that, "the recommendation in the [general counsel's] report must be approved by a majority of the six Commissioners in order for it to become effective." To me, a "majority of the six Commissioners" means four Commissioners must vote action with respect to the staff recommendation. While I would presume that Mr. Tiernan will recuse himself from any such deliberations, I would note that his withdrawing from any voting really has the effect of being a negative vote rather than being neutral. This is because the number of votes required to take any action is counted not by tallying whoever is voting and taking the winner but rather by requiring a certain number of positive votes to do something. Accordingly, it appears to me that the result of Mr. Tiernan's recusal would be to in effect require an eighty percent majority (4 out of 5) before the Commission can do anything. In view of all of this, my question is whether or not the Commission has some sort of alternative

10011031

voting requirements in situations like this one, where a commissioner is directly involved. Your views on this would be appreciated.

I also note from your procedures that complaints are assigned MUR numbers and would appreciate being informed of the MUR number assigned to this case.

Thank you for your cooperation.

Very truly yours,

RE: FEC v. Spotlight

Dear Gloria:

I am enclosing a copy of a complaint that I filed on behalf of my client, the Spotlight, against Mr. Tiernan for possible election law violations.

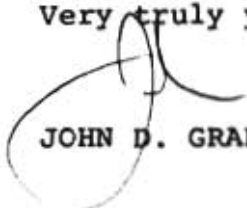

The purpose of this letter is to request that should the Commission take any further action with regard to my client in connection with the litigation in which we have been involved, that Mr. Tiernan disqualify himself. I would also ask that any other commissioner who feels that he is unable to render impartial decisions because of the charges against Mr. Tiernan or because of the publicity in the Spotlight about Mr. Tiernan or Mr. St. Germain that they, too, recuse themselves. I would note that this request is really made independent of the complaint and that the Complaint was not issued for purposes of obtaining a recusal of Mr. Tiernan. Indeed, Mr. Tiernan has been aware of the Spotlight's investigation of him for quite some months and I am quite sure is aware of the stories that were broken last December on his campaign activities. Thus, my request that he recuse himself is made notwithstanding the complaint that I have just filed. I would also add, by the way, that I am now assuming that the supplying of information in response to the Commission's questions regarding the FUND FOR TRUTH mailing will end that matter anyway and thus have no reason to believe that the Commission would take further action in any case.

RE: Complaint of The Spotlight Against
Robert O. Tiernan

Dear Gentlemen:

I am counsel for The Spotlight, the newspaper published by the Liberty Lobby, Inc. The Spotlight has brought my attention to certain activities which they believe, and which I concur, are apparent election violations by Robert O. Tiernan, a Congressional candidate from Rhode Island in the 1974 elections. In my capacity as counsel to the Spotlight, I am herewith filing a complaint concerning these activities as set forth below.

I. Possible violation of debts and obligations requirements.

Review of the short form report of receipts and expenditures received by the Commission in January 1978 from the Tiernan for Congress Committee indicates outstanding debts to five different entities.

According to the Election Commission's Campaign Guide on Post-Election FECA requirements, Campaign Guide #6, November 1976, at page 6.3:

When a candidate or political committee fails to pay a campaign bill in a timely fashion consistent with normal business or trade practice, the debt in effect becomes a contribution made by the creditor to the candidate or committee. If this occurs, both the creditor and the political debtor risk violating the Act....

There is, however, one limited exception. A debt outstanding for a longer period of time than is usual in business may not be regarded as a contribution if the creditor has made a

10001101002

"commercially reasonable" attempt to collect the debt. In the case of credit extended by corporations, an unpaid bill or the settlement of a debt at less than the original amount is an (illegal) contribution unless the corporation settles the debt in a commercially reasonable manner and files a Statement of Settlement with FEC.
(emphasis original)

I am told that one of the creditors listed, see attached list, Exhibit 1, namely the Georgetown Club, sued Mr. Tiernan in May of 1977 to regain payment of the debt. I would presume that this is a commercially acceptable way of recapturing money owed, although, interestingly, Mr. Tiernan pleaded the statute of limitations, albeit unsuccessfully, in his defense. The plea was made in the spring of 1977 and not overruled until last week. It is curious how Mr. Tiernan can in Court claim immunity by means of the statute of limitations from Court collection efforts while still representing to the Commission that the debt was outstanding. See Exhibit 1, dated several weeks prior to the Court Order denying the statute of limitations claim. Even assuming that a "debt" must be declared as such whether or not legally enforceable, the fact that Mr. Tiernan has chosen to contest the lawsuit seems to me to at least be evidence of his nonintention to repay it. If that is indeed his intention, then for that reason, as well as the commercially reasonable test, this debt appears appropriate for treatment as a contribution. If the Georgetown Club is a corporation, then the transaction may be illegal.

I have no records of efforts made, even with the passage of over three years, by Allegheny Airlines, Joseph White Associates, Dave Ramage or L. M. Collins to recover monies owed. In the case of Allegheny Airlines, in which a three year debt for \$171.61 would presumably not be commercially reasonable and for which no Statement of Settlement has been filed, this would then be presumed to be a corporate contribution, which is illegal under the Act. 11 C.F.R. §§100.4(a)(6) and 114.10. See, also, 14 C.F.R. Part 374a concerning airline debt security arrangements, which also do not appear to be complied with as demonstrated by the outstanding debt.

With specific regard to Allegheny Airlines, I would further note that Schedule C of the Tiernan for Congress Committee submission received on July 15, 1975, indicates that money was paid to Allegheny Airlines in "final adjusted settlement of account." See Exhibit 2. This appears to me to be inconsistent with the amended Schedule E submitted later, Exhibit 1, and is, as well, as in the case of other corporations

listed as settled with in Exhibit 2, unaccompanied by the required Statement of Settlement.

II. Reporting of individual contributions.

There are numerous references in the Tiernan for Congress filings to fund raising expenses, which suggest fund raising functions for which tickets may have been sold. See, for example, the expenses listed for the Internaional Golf Club, Exhibit 3, and as well expenses listed for the Georgetown Club, Exhibit 1. However, a search of the records indicates no reporting of the sale and purchase of tickets, which I presume would constitute individual contributions. It is my understanding that such ticket sales, if they occurred, must be reported.

According to the Federal Election laws a campaign committee cannot terminate until all existing debts are satisfied. 11 C.F.R. §§101.1, 102.4. It is further my understanding that campaign committees are under a duty to return illegal contributions. "Campaign Guide for Federal Candidates," FEC Campaign Guide #3, §176. It would thus appear to me that the failure of the Tiernan for Congress Committee to arrange repayment of apparent illegal contributions is also possibly a violation of the Act.

My client has information that the Election Commission, at least by virtue of Vice Chairman Staebler and Mr. Fiske, has for some time had knowledge of these alleged violations. Insofar as the Commission has taken the position that it can on its own, without need for formal complaint, investigate possible violations within its knowledge, see Reply Memorandum of the Commission dated October 21, 1977, in the case of Federal Election Commission of the United States v. The Spotlight, Miscellaneous No. 77-0195, United States District Court for the District of Columbia Circuit, I would like to know what actions the Commission has taken to investigate these apparent violations. I would also like to be apprised of any actions taken by the Commission in response to this complaint.

Further, in view of the fact that Mr. Tiernan is presently a Federal Election Commissioner and in the words of Mr. Staebler to my client, should thus "like Caesar's wife" be beyond reproach, setting an example for all members of Congress, I would ask that pursuant to Title 2 U.S.C. §437g(a)(3)(B), that Commissioner Tiernan grant authorization for public disclosure of the course of the investigation. I would also ask that this request of Mr. Tiernan be relayed to

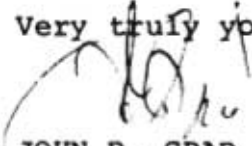

70010110001

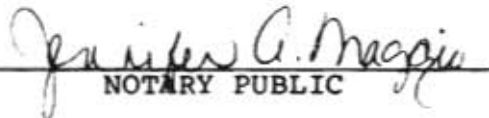

Federal Election Commission
Page 4
February 23, 1978

him and trust, unless I hear to the contrary, that he will be so apprised of it.

Pursuant to 11 C.F.R. §111.2(a)(4) this is to inform you that this complaint is filed on behalf of the Spotlight and not on behalf of or at the request or suggestion of a candidate.

Very truly yours,

JOHN D. GRAD

If the Georgetown Club is a corporation, then the transaction may be illegal.

I have no records of efforts made, even with the passage of over three years, by Allegheny Airlines, Joseph White Associates, Dave Ramage or L. M. Collins to recover monies owed. In the case of Allegheny Airlines, in which a three year debt for \$171.61 would presumably not be commercially reasonable and for which no Statement of Settlement has been filed, this would then be presumed to be a corporate contribution, which is illegal under the Act. 11 C.F.R. §§100.4(a)(6) and 114.10. See, also, 14 C.F.R. Part 374a concerning airline debt security arrangements, which also do not appear to be complied with as demonstrated by the outstanding debt.

With specific regard to Allegheny Airlines, I would further note that Schedule C of the Tiernan for Congress Committee submission received on July 15, 1975, indicates that money was paid to Allegheny Airlines in "final adjusted settlement of account." See Exhibit 2. This appears to me to be inconsistent with the amended Schedule E submitted later, Exhibit 1, and is, as well, as in the case of other corporations

COPIED TO FILE

listed as settled with in Exhibit 2, unaccompanied by the required Statement of Settlement.

II. Reporting of individual contributions.

There are numerous references in the Tiernan for Congress filings to fund raising expenses, which suggest fund raising functions for which tickets may have been sold. See, for example, the expenses listed for the Internaional Golf Club, Exhibit 3, and as well expenses listed for the Georgetown Club, Exhibit 1. However, a search of the records indicates no reporting of the sale and purchase of tickets, which I presume would constitute individual contributions. It is my understanding that such ticket sales, if they occurred, must be reported.

According to the Federal Election laws a campaign committee cannot terminate until all existing debts are satisfied. 11 C.F.R. §§101.1, 102.4. It is further my understanding that campaign committees are under a duty to return illegal contributions. "Campaign Guide for Federal Candidates," FEC Campaign Guide #3, §176. It would thus appear to me that the failure of the Tiernan for Congress Committee to arrange repayment of apparent illegal contributions is also possibly a violation of the Act.

My client has information that the Election Commission, at least by virtue of Vice Chairman Staebler and Mr. Fiske, has for some time had knowledge of these alleged violations. Insofar as the Commission has taken the position that it can on its own, without need for formal complaint, investigate possible violations within its knowledge, see Reply Memorandum of the Commission dated October 21, 1977, in the case of Federal Election Commission of the United States v. The Spotlight, Miscellaneous No. 77-0195, United States District Court for the District of Columbia Circuit, I would like to know what actions the Commission has taken to investigate these apparent violations. I would also like to be apprised of any actions taken by the Commission in response to this complaint.

Further, in view of the fact that Mr. Tiernan is presently a Federal Election Commissioner and in the words of Mr. Staebler to my client, should thus "like Caesar's wife" be beyond reproach, setting an example for all members of Congress, I would ask that pursuant to Title 2 U.S.C. §437g(a)(3)(B), that Commissioner Tiernan grant authorization for public disclosure of the course of the investigation. I would also ask that this request of Mr. Tiernan be relayed to

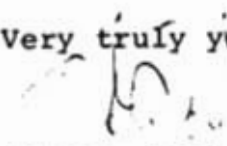

707101301

him and trust, unless I hear to the contrary, that he will be so apprised of it.

Pursuant to 11 C.F.R. §111.2(a)(4) this is to inform you that this complaint is filed on behalf of the Spotlight and not on behalf of or at the request or suggestion of a candidate.

Very truly yours,

JOHN D. GRAD

~~Dr. Daniel Medina~~

Good morning, Dan!

Because I am most interested in returning Bob Tiernan to Congress, I have volunteered to serve on his Re-election Committee. Congressman Tiernan has done an outstanding job in representing the citizens of Rhode Island, yet he is faced with a tough primary.

The purpose of this note is to ask your help by attending a stag clambake which will help to raise the funds needed by Bob Tiernan to finance his campaign.

The clambake will take place on September 4 at the Francis Farm on County Street in Rehoboth, Massachusetts. Chowder and clamcakes will be served at 4:30 with dinner at 7:00. The \$50 ticket includes chowder, clamcakes, dinner, and open bar from 4:30 to 9:00.

I will be contacting you shortly. Do hope you can make it.

Sincerely,

Richard D. Cesana

SUBJ: CLAMBAKE FOR CONGRESSMAN TIERNAN - SEPTEMBER 4

NEW MEMBERS

On August 5th a meeting was held at the First and Last Chance Restaurant with Aldie Goyette as host. A summary of the discussion items follows:

1. All arrangements have been made for the Clambake and entertainment.
2. Anyone wishing to work at the door at the Clambake to sign people in and pass out name tags should notify Ed Clement. One hour should be sufficient if we have several volunteers to spell the people from the Congressman's office.
3. We must recruit additional members for the ticket committee. Please, every member recruit another member.
4. Discussion was held as to whether or not lunch meetings or late afternoon or evening meetings are more desirable for the committee. It was decided that the next meeting will be held Tuesday, Aug. 13, at Camille's. A telephone poll of the committee will be taken to determine the best time for the majority. (Time: 6:00 p.m.)

See you on the 13th, and please be sure to bring another ticket seller.

SUBJECT: CLAMBAKE FOR CONGRESSMAN TIERNAN

Thank you for agreeing to serve on the committee to sell tickets for the Clambake for Congressman Bob Tiernan. We are in hopes of expanding our ticket committee to fifty people. Please try to recruit at least one more committee member and bring him to our next meeting on Monday, Aug. 5th.

Our initial meeting was held at the Helm Restaurant on Thursday, July 25th. At that meeting the following was decided:

1. The plans for holding the clambake at Francis Farms on Wednesday, Sept. 4, at \$50.00 per ticket were approved.
2. The selection of Drew Corcoran Music and entertainment was approved.
3. Some committee members desire to have letters typed to send out with their tickets. This service will be available through Ed Clement in Congressman Tiernan's office.
4. It was decided to expand the committee to at least 50 ticket sellers. Each member will get at least one additional man and two if possible to serve on the committee.

The next meeting of the committee will be a luncheon meeting on Monday, August 5th at 12:15 p.m. to be held at the First and Last Chance Restaurant, 342 East Ave. in Pawtucket. Please call Ed Clement at Congressman Tiernan's office at 528-4561 to let him know who you will be bringing to the meeting to help out on the committee.

See you on the 5th and please don't forget to recruit at least one more committee member.

Dear Bob:

With reference to the clambake for Bob Tiernan on September 4th, I would suggest that we could have the following as far as music is concerned.

A Dixieland Band dressed in straw hats and red and white striped jackets consisting of trumpet, clarinet, trombone, accordion and either bass or banjo. *and a drummer*
This would be an ideal Dixieland Band, with six musicians. With this Dixieland group we could play either inside or out.

The cost for this would be \$275.00 for three hours and \$45.00 each additional half hour. It strikes me that probably 6:00 - 9:00 or 5:30 - 8:30 would be good hours to have this.

If we wanted frosting on the cake we could add Ginny Conley, the female vocalist, to the six piece Dixieland Band at an additional charge for three hours of \$40.00.

Unless you wanted to keep the budget down, which I understand you don't, I think this would be the ideal thing to have. In addition to this arrangement a novel idea would be to have a bagpiper, whom I can get for maybe \$25.00 - \$30.00, march through the crowd dressed in his kilts, etc.

Let me know how this strikes you, Bob. I'll look forward to hearing from you.

Best regards,

Hal Corcoran
