

ApeosPrint 5330

A4 Monochrome Printer Catering to your everyday business needs

FUJIFILM Business Innovation Corp.

New Times, New Apeos

The new "Apeos" offers advanced features with high security level and easy operability to help business diversify with times.

"Apeos" devices are able to connect smoothly with a variety of solutions and services to realise an all new agile remote workstyle of working anytime, anywhere.

Superb printing quality

• Print resolution up to 1,200 x 1,200 dpi

FUJIFILM

- Super EA-Eco toner for fine text and
- fine lines

Fast printing speed

- Print up to 53 ppm on A4 size
- Automatic 2-sided printing
- High reliability with robust design.

ECO support

Monochrome / A4 53 ppm

- Toner save function in increments of 1%
- Super EA-Eco toner: Fusing achieved at a low temperature contributes to low power consumption

Flexible. Secure. Reliable

Offices can easily use different FUJIFILM devices thanks to shared functions across the lineup.

Supporting Universal Print by Microsoft^{*1}

By registering ApeosPrint 5330 to Universal Print by Microsoft in advance, users^{*2} authenticated with Azure AD can print from anywhere through cloud.

*1: Optional Storage (SSD) is required.

*2: Organizations with Microsoft Windows Enterprise or Microsoft 365 subscriptions

Print out from any printer within the office

With Server-less On-Demand Print*, you have the flexibility to print and collect the print outs from any of the connected printer.

- Improves productivity by printing from another available device when the current device is in use
- Up to 100 devices can be linked
- * Optional

Safeguard important information

- Prevents paper information leakage with Secure Print and Private Charge Print with IC card authentication*. With Image Log*, job logs and the image itself can be stored and managed, enabling prompt investigation upon information leakage.
- Newly support WPA3 as latest wireless LAN security protocol and adopt TPM (Trusted Platform Module) 2.0, as a security chip that conforms to the latest standards with enhanced encryption
- Detects tampering of device software and self-repairing feature protects and repairs device software against tampering events
- Provides more robust and secured office environment with enhanced security feature of both hardware and software

Reliable support system

From consumables replacement to unexpected device failures, most problems can be resolved without waiting for the service or sales representatives.

- Resolve problem using the "Help" function on the device
- "Remote Assistance" with the help of operators

^{*} Optional

ApeosPrint 5330, catering to your everyday business printing needs

User-friendly colour touch panel

- Home screen personalisation for ease of access to commonly used functions
- When using Private Charge Print, you can easily select and delete the documents viewing the thumbnails* shown on the panel.

* Optional Storage (SSD) is required for thumbnail view.

Smart & scalable

* Optional

flash drive

mobile device.

Connection*

You can print photos and

documents (DocuWorks/PDF)

stored in your iOS or Android

 Connect to Machine via Wireless Environment or Wi-Fi Direct

You can easily print from mobile

for efficient operations*.

ApeosPrint 5330 can be installed just the way you like. As a desktop device, under a counter, or a console central printer.

Printing envelopes, thick paper and long paper with a smooth surface

- Automatic adjustment of pressure to print envelopes
- A smooth paper feed path so that thick paper can run stably.
- Supports long paper up to 215.9 x 520 mm*

1. 5-inch colour touch panel:

Intuitive colour touch panel lets you find just what you want at a glance

Quick printing from your mobile device and USB

devices using Print Utility, AirPrint, and Mopria® Print Service. • You can directly print the documents stored on a USB flash drive

- 2. USB port*: Use your own USB flash drive to print directly
- 3. Output tray: Capacity is 250 sheets
- 4. Bypass Tray (150 sheets): Supports various paper types such as envelopes and postcards
- 5. Standard Tray (550 sheets): For standard users. Supports various types & sizes of paper
- 6. 550-Sheet Feeder* (550 sheets): Paper feeding capacity is 2,350 sheets at maximum. High scalability for high-volume printing needs

8

- 7. Caster*:
 - For easy installation and moving on the floor
- 8. Cabinet*: Convenient for storing paper and consumables
- 9. IC Card Reader*: You can use Private Charge Print with your IC card

* Optional

Print from mobile devices

*1: The number of printable pages is a reference value derived from the average of 3 sheets printed in A4, 1 sided, image coverage per 5 % in one setting, under continuous printing usage conditions. The actual number of printable pages may vary to below half the reference value, depending on paper type, paper direction, input/output tray settings, initialization operations upon powering ON/ OFF the device, tuning operations to maintain print quality, and other such usage environment conditions: environment conditions.

environment conditions.
*2: Published value based on ISO/IEC 19752 standards. The actual number of printable pages may vary significantly from the published value, depending on printing content, paper size, paper type, usage conditions, initialization operations upon powering ON/OFF the device, tuning operations to maintain print quality, and other such usage environment conditions.
