

# FEMALE WORLD SPORT SCHOOL CHALLENGE 2024

**JAN 25 - JAN 28, 2024**

**HOCKEY FOR ALL CENTRE**

# Welcome

St. Mary's Academy (SMA) is proud to host the 11th annual Female World Sport School Challenge from January 25 - 28 at the hockey for all centre. A warm Winnipeg welcome is extended to athletes, coaches, team managers and staff, scouts, parents and friends from across Canada who will undoubtedly enjoy the play of top-level female hockey players!

Female hockey continues to grow in popularity as evidenced by the increasing numbers of youth female players and the evolution of the professional female hockey league. Hockey Canada has taken a lead role by encouraging and sanctioning Sport Schools to create an environment balancing academics and sport. Supporting female hockey since the 1930s, it was a natural fit for SMA to embrace the Hockey Canada Sport School model and provide an opportunity for young women who are academically gifted and passionate about hockey; we share Hockey Canada's vision to promote opportunities for young women to *"Lead, Develop, and Promote Positive Hockey Experiences."* Since the tournament's inception in 2013 where Hockey Canada and SMA co-hosted the inaugural tournament, the tournament has grown to a 16- team event welcoming from Ontario, Manitoba, Saskatchewan, Alberta and British Columbia.

To the group of committed volunteers consisting of SMA Prep Team parents, SMA staff and community members, accept our heartfelt gratitude for your commitment to our athletes and tournament – the success of this tournament would never be possible without your support! To the many tournament sponsors, we thank you for your generous support of female hockey and commitment to this tournament.

# Greetings from SMA Alumnae

**Kennedy Frank (SMA 2019)**  
**Assistant Coach**  
**St. Mary's Academy Flames Prep Hockey**

I would like to congratulate all the young women on reaching such a competitive level in women's hockey.

As a Flames Alumna, hockey has opened so many doors for me. A University education, the chance to travel and make connections, and now the opportunity to share my knowledge and love of the game as a coach. I wish each player the best of luck this weekend and in any further pursuits with hockey. Have fun!

**Logan Angers (SMA 2018)**  
**Quinnipiac University**

Welcome to the FWSSC!  
This tournament has clearly made itself to be a true showcase of the top female hockey players in Canada and was a highlight for me in each of my four years playing at SMA. Female hockey is making its mark and with the start of the PWHL, the future is very bright for young players like you.

This tournament attracts scouts from schools all over Canada and the US. I have been very fortunate to further my hockey career at Quinnipiac thanks in a huge part to my years at SMA. I have learned that through hard work, dedication to the sport, and believing in yourself, that good things will happen. Trust the process, be where your feet are, and you will enjoy the experience of a lifetime, no matter what level you play.

# Greetings from SMA Alumnae

**Christine Bumstead (SMA 2013)**  
**Assistant Coach University of Saskatchewan**  
**Assistant Coach Team Manitoba U18 Female**  
**Performance Coach Saskatoon Blades**

Congratulations on the difference you are making in female hockey! If it doesn't feel that way to you right now, like you are not a part of the movement, take a look in the stands at your next game. That younger girl watching you wants to be in your skates when she's bigger, she wants to be just like you! Every female athlete is a role model to those younger, and even those older than her. It is an exciting and monumental time to be a girl in sport right now! Enjoy your journey and continue making strides for the game you love!

**Kayla Friesen (SMA 2016)**  
**Assistant Coach, Atlantic Coast Academy U18 Men's Team**  
**Female Skills Director, 101% Always Hockey**  
**NWHL Professional Women's Hockey Player Boston Pride**

This tournament is one of those events that sets you apart from the rest. You alone are setting the foundation for the future female hockey players who are striving to be right where you are one day. Give yourself credit for that alone. I was once right where you ladies are, and now I'm continuing the movement to show female athletes that there will be more opportunities afterwards to continue their hockey career at the professional level. My advice to you all is to simply embrace and enjoy every moment you have throughout this journey, because it goes faster than most are aware of. Take a second to look where you are and what you're doing for the future. These types of events are the ones you're going to cherish and look back at for years to come no matter the outcome.
