

Your cutting edge business laptop
that ticks every box

Tecra X40

Toshiba's Tecra X40 stands at the cutting edge of business functionality. The latest generation of Intel® Core™ U Series processors and our unique Hybrid Cooling technology deliver uncompromising and optimised productivity – with a battery life of up to 11 hours. Secured by a magnesium honeycomb chassis that is tested to MIL STD 810G, and protected by Toshiba's own in-house BIOS, security and durability are assured wherever you're working. And a non-glare In-Cell touch screen and a wide range of connectivity options unleash the possibilities of working your way wherever you are. The Tecra X40 is the business laptop that ticks every box.
