Re: FOIA Request No. F-00145-14
Final Response

The United States Agency for International Development (USAID) regrets the delay in responding to your Freedom of Information Act (FOIA) request. Unfortunately, USAID is experiencing a backlog of FOIA requests. Please know that USAID management is very committed to providing responses to FOIA requests and remedying the FOIA backlog.

On November 22, 2016, we sent you electronically the final response to your February 6, 2014 FOIA request for all premium travel reports that USAID filed with GSA for 2013, 2012, 2011, 2010, or 2009. Upon receiving the responsive documents, you advised us that the documents were unreadable as scanned and requested another copy. We obtained another copy of the report that incorporates all the years, 2009-2013, into one report and enclose it here.

For your information, Congress excluded three (3) discrete categories of law enforcement and national security records from the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all of our requesters and should not be construed as an indication that excluded records do, or do not, exist.

USAID conducted a comprehensive search of the Bureau for Management, Office of Management Services, Travel and Transportation Division (M/MS/TTD) for documents responsive to your request. The search produced 32 pages. Of those pages, we have determined that all 32 pages of the records are partially releasable pursuant to Title 5 U.S.C. § 552(b)(6).

FOIA Exemption 6 exempts from disclosure information about individuals in personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right to privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test. Within the records we withheld the names and trip IDs of individuals that have a disability or exceptional circumstance.

If you require any further assistance or would like to discuss any aspect of your request, you may contact Dexter E. Johnson, the assigned FOIA Specialist by phone on (202) 712-4618 or at dejohanson@usaid.gov. You may also contact USAID's FOIA Public Liaison, Lynn P. Winston, at foia@usaid.gov.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services offered:

If you wish to fax your appeal, the fax number is (202) 216-3369. Both the appeal and envelope should be marked "FOIA APPEAL." Please include your tracking number F-00145-14 Final Response in your letter.

There is no charge for this FOIA request. As this concludes the processing of your request, it will be closed.

Thank you for your interest in USAID and continued patience.

Sincerely,
