(b)(3); (b)(6)	-	11/23/2010	Request clarification of a policy that is currently being enforced by Department of Veterans Affairs (VA) offices that appears to be out of compliance with the law. Pursuant to the Freedom of Infomration Act, I am requesting a copy of the VA's Policy on firearms in a VA Facility. I am willing to pay any fees associated with the receipt of the requested documents. On November 23, 2010, the VISN 17 FOIA POC contacted a Security Specialist in VACO for assistance as I am sure this is a common FOIA request. A voicemail and e-mail were both sent and am currently waiting for a response. This request may be referred to VACO Security. After discussion with the Security Specialist Supervisor in VACO, it was requested that this FOIA request be reassigned to his office. The reassignment was done by the VISN 17 FOIA POC on November 30, 2010 in FOIAXpress. A notification letter to the requester will be sent by the VISN 17 FOIA POC notifying him of the new POC. On December 2, 2010, the VISN 17 FOIA Officer completed and mailed via UPS a letter notifying the requester of the referral to the Office of Security and Law Enforcment (07B) with the new FOIA POC. Secondly, the VISN 17 FOIA POC completed an official letter notifying the FOIA POC Office of Security and Law Enforement (07B) that her office would be responsible for a response back to the requester. An e-mail was sent with copies of both documents to the FOIA POC at 07B.	11-01521-F	12/3/2010	Granted in full
