DEPARTMENT OF THE TREASURY
INTERNAL REVENUE SERVICE
WASHINGTON, D.C. 20224

SMALL BUSINESS / SELF-EMPLOYED DIVISION

May 15, 2008

This responds to your Freedom of Information Act (FOIA) request of October 16, 2007, received in our office on November 7, 2007.

You asked for a copy of the FOIA Case Logs for FY 2005, FY 2006, and FY 2007 to date. I am enclosing 40 pages and a CD (398 pages) in response to your request. I am withholding 438 pages in part under FOIA exemption (b)(3) and (b)(6).

FOIA exemption (b)(3) requires us to withhold information that is specifically exempted from disclosure by another law. The law supporting this exemption is Internal Revenue Code section 6103(a).

This portion of FOIA exempts from disclosure inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency. There are three primary privileges covered by this exemption:

- The deliberative process privilege protects documents that reflect the pre-decisional opinions and deliberations that play a direct part in the process of making recommendations on legal or policy matters.
- The attorney work product privilege protects documents prepared by an attorney or other Service employee during litigation or in reasonable contemplation of litigation, and
- The attorney-client privilege protects confidential communications between an attorney and a client relating to a legal matter for which the client has sought professional advice.

The redacted portion(s) of each page are marked by the applicable FOIA exemptions. This constitutes a partial denial of your request. I have enclosed Notice 393 explaining your appeal rights.

If you have any questions please call Senior Disclosure Specialist Sharon Baker, ID # 50- 00267, at (202) 283-0308 or write to: Internal Revenue Service, HQ Disclosure Office (FOI, 5000 Ellin Road, NCFB C2-332, Lanham, MD 20706. Please refer to case number 03-2008-00158.

Sincerely,

A complaint may be filed within 10 days (excluding Saturdays, Sundays, or legal public holidays) after the date we receive your appeal if your appeal is from an adverse determination of a request for expedited processing. If you choose to file suit before receipt of a final determination by the Appeals office, the administrative appeals process may cease.

Exemptions

The Freedom of Information Act, 5 U.S.C. 552, does not apply to matters that are:

- (b)(1) • specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified under such executive order,
- (b)(2) • related solely to the internal personnel rules and practices of an agency,
- (b)(3) • specifically exempted from disclosure by statute (other than section 552b of this title), provided that the statute:

(A) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or

(B) establishes particular criteria for withholding or refers to particular types of matters to be withheld.

Note: Internal Revenue Code sections 6103 and 6105 are statutes which qualify for exemption 3 treatment. Section 6103 protects the confidentiality of tax returns and information pertaining to a taxpayer collected by the IRS. Section 6105 protects information obtained from a foreign country under a tax treaty.

- (b)(4) • trade secrets and commercial or financial information obtained from a person and privileged or confidential,
- (b)(5) • inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency,
- (b)(6) • personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy,
- (b)(7) • records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:
 - (A) could reasonably be expected to interfere with enforcement proceedings,
 - (B) would deprive a person of a right to a fair trial or an impartial adjudication,
 - (C) could reasonably be expected to constitute an unwarranted invasion of personal privacy,
 - (D) could reasonably be expected to disclose the identity of a confidential source, including a State, local or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source,
 - (E) would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law, or
 - (F) could reasonably be expected to endanger the life or physical safety of any individual.
- (b)(8) • contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions, or
- (b)(9) • geological and geophysical information and data, including maps, concerning wells.
