On motion of Commissioner ( ), which carried ( ) the Resolution of the Gwinnett County Commissioners set forth below is hereby adopted:

**WHEREAS**, the Gwinnett County Board of Commissioners (“Board”) is the governing authority of said County; and

**WHEREAS**, an advertised public hearing has been held on the 2019 Proposed Budget, as required by State and Local Laws and regulations; and

**WHEREAS**, the Board decrees that the Proposed 2019 Budget shall in all cases apply to and control the financial affairs of County departments and all other agencies subject to the budgetary and fiscal control of the governing authority; and

**WHEREAS**, the Board may authorize and enact adjustments and amendments to appropriations as to balance revenues and expenditures; and

**WHEREAS**, each of the funds has a balanced budget, such that Anticipated Funding Sources equal Proposed Expenditures; and

**NOW, THEREFORE, BE IT RESOLVED** that this Budget is hereby adopted specifying the Anticipated Funding Sources for each Fund and making Appropriations for Proposed Expenditures to the Departments or Agencies named in each Fund; and

**BE IT FURTHER RESOLVED** that Expenditures of any Operating Budget Fund or Capital Budget Fund shall not exceed the Appropriations authorized by this Budget Resolution and any Amendments thereto or Actual Funding Sources, whichever is less; and

**BE IT FURTHER RESOLVED** that all Expenditures of any Operating Budget Fund or Capital Budget Fund are subject to the policies as established by the Board of Commissioners and the County Administrator; and

**BE IT FURTHER RESOLVED**, consistent with the Official Code of Georgia Annotated Section 33-8-8.3, the proceeds from the tax on insurance premiums in the amount of \$30,291,123 are recorded within the Police Services Special District Fund for the primary purpose of funding police protection to inhabitants of unincorporated Gwinnett in its entirety, budgeted at \$129,352,548 and remaining funding of \$99,061,425 anticipated from direct revenues and taxes; and

**BE IT FURTHER RESOLVED** that certain Capital Project Budgets are adopted, as specified herein, as multiple-year project budgets as provided for in Official Code of Georgia Annotated Section § 36-81-3(b)(2); and

**BE IT FURTHER RESOLVED** that Indirect Cost Allocations and Contributions as appropriated in any Fund within the various accounts of a Department or Agency are restricted for the express purpose as designated; and

**BE IT FURTHER RESOLVED** that a vacancy period for a minimum of ninety days shall ensue immediately upon the separation of employment by an employee from a County department or Agency; and

**BE IT FURTHER RESOLVED** that transfers of appropriations in any Fund among the various categories within a Department or Agency shall require only the approval of the Director of Financial Services so long as the total budget for each Department or Agency is not increased; and

**BE IT FURTHER RESOLVED** that the 2019 Budget shall be amended so as to adapt to changing governmental needs during the fiscal year as follows: Any increase in Appropriations in any Fund for a Department or Agency, whether through a change in Anticipated Revenues in any Fund or through a transfer of Appropriations among Departments or Agencies, shall require the approval of the Board of Commissioners, except in the following cases where authority is granted to:

- I. The Department Director to:
  - (a) set fee structures provided that they are not restricted by rate setting policies and agreements; and
  - (b) allocate funds previously approved between existing capital projects within the SPLOST Programs or Enterprise Funds, within Department or Agency, within the same category of projects.
2. The Director of Financial Services to:
  - (a) allocate funds to appropriate Department or Agency from insurance proceeds for the replacement or repair of damaged equipment items;
  - (b) allocate funds from Operating or Capital Non-Departmental contingencies and reserves to cover existing obligations/expense in accordance with the intent and actions of the Board of Commissioners; however, in no case shall appropriations exceed actual available funding sources; allocate funds from established reserves for leave balances at retirement, salary adjustments and reclassification to Department and Agency as necessary to provide funding for compensation actions, reductions in force and retirement incentives; transfer funds resulting from salary savings or transfer balances resulting from under expenditures in operating accounts into Non-Departmental reserves to fund accrued liabilities and expend funds within Non-Departmental reserve to reduce said accrued liabilities;
  - (c) authorize preparation and submission of applications for grant funding; however, acceptance of all grant awards is subject to the approval of the Board of Commissioners;
  - (d) adjust revenue and appropriation budgets between capital projects as necessary to incorporate grant awards previously approved by the Board of Commissioners;
  - (e) approve adjustment of revenues and appropriations within Department or Agency for capital categories/projects and revise allocated funding previously approved, or, as appropriate, transfer appropriations among fiscal years for projects as necessary to allow completion of each project and cover existing obligations/expenses in accordance with the intent and actions of the Board of Commissioners; however, in no case shall appropriations exceed actual available funding sources;

- (f) calculate savings associated with the future vacancy of any position and shall further have the authority to amend the budget of such Department or Agency at the time a vacancy arises unless an exception has been granted;
  - (g) adjust revenue and appropriation budgets to incorporate collected revenue for confiscated assets in Special Use Funds, all revenue in Authority Imaging Fund, bond forfeitures, and capital projects to be allocated in contingencies or project specific levels; and
  - (h) allocate \$250,000 from the Other Miscellaneous budget in General Fund towards efforts to address the opioid crisis in Gwinnett County.
3. The County Administrator to:
- (a) transfer funds from Department or Agency budgets to Contribution to Capital Projects for amounts up to \$50,000;
  - (b) transfer funds within a capital fund from fund or program contingencies and/or savings in existing projects to establish new projects for amounts up to \$100,000;

  - (d) reallocate funding among projects approved by the Board of Commissioners;
  - (e) allocate funds from the established Compensation Reserve to Department or Agency budgets to provide funding for approved compensation actions; and
  - (f) transfer funds to establish new projects related to economic development, Special Purpose Local Option Sales Tax Programs or Enterprise Funds within a capital fund from fund or program contingencies and/or savings in existing projects.

**BE IT FURTHER RESOLVED** that such amendments shall be recognized as approved changes to this resolution in accordance with O.C.G.A. 36-81-3. These authorities for transfers of appropriations shall not be used as an alternative to the normal budget process and are intended to be used only when necessary to facilitate the orderly management of projects and/or programs; transfers approved under these authorities may not be used to change the approved scope or the objective of any capital project; and

**BE IT FURTHER RESOLVED** that the compensation for county appointments by the Board of Commissioners to the various Boards and Authorities have been set (see-

attached schedule). This does not preclude any department from reimbursing those members for actual expenses incurred in the performance of duty; and

**BE IT FURTHER RESOLVED** that the Board of Commissioners shall approve increases in authorized positions. Vacant positions and associated budget may be reallocated within the same Department or Agency or reassigned to another Department or Agency and filled authorized positions and associated budget may be reassigned at the same grade level between a Department or Agency with the authorization of the County Administrator. 25 unallocated positions shall be available to allocate to Department or Agency with the authorization of the County Administrator as necessary; and

**BE IT FURTHER RESOLVED** that eligible County employees may receive a pay increase as specified in the 2019 Compensation Plan. Pay increases shall be administered in accordance with current procedures as established by the County Administrator. Employee pay increases for any and all years beyond 2019 will depend upon availability of funds and appropriations by the Board of Commissioners; and

**BE IT FURTHER RESOLVED** that the County Administrator is granted authority to authorize benefits pursuant to O.C.G.A. §47-23-106 for retired Superior Court Judges.

Subject: Justification Letter – GCID 20190016

Date: November 30, 2018

I am requesting approval/authorization for the Chairman to execute a Facility Use Agreement with the American Red Cross of Metropolitan Atlanta. The Facility Use Agreement provides for the use of county owned facilities by the American Red Cross to provide services during a disaster. The American Red Cross provides services to individuals, families, and communities when disasters strike. Disaster services of the Red Cross are supported, in part, by facility owners who permit the Red Cross to use their buildings as shelters for disaster victims. Upon coordination with the Gwinnett County Office of Emergency Management, certain county owned facilities may be made available to the Red Cross on a temporary basis to conduct emergency, disaster-related activities. The Red Cross will reimburse the county for certain reasonable costs and any damage to facilities. This agreement will greatly improve the efficiency of shelter operations within the county and improve the safety of our residents and visitors. Should you have any questions, please contact Emergency Management Director, Greg Swanson 770-513-5610.

# Facility Use Agreement

The American National Red Cross ("Red Cross"), a non-profit corporation chartered by the United States Congress, provides services to individuals, families and communities when disasters strike. The disaster relief activities of the Red Cross are made possible by the American public who support the Red Cross with generous donations. The Red Cross's disaster services are also supported by facility owners who permit the Red Cross to use their buildings as shelters and other service delivery sites for disaster victims. This agreement is between the Red Cross and a facility owner ("Owner") so the Red Cross can use the facility to provide services during a disaster. This agreement only applies when Red Cross requests use of the facility and is managing the activity at the facility.
