

Town of Hampstead

2021 Annual Report

DEDICATION

BOB NUGENT

For over 40 years, the town of Hampstead was fortunate to have Bob Nugent as a resident. He loved this community and truly enjoyed connecting with people.

Many knew Bob as a science teacher since he taught at Pinkerton Academy for almost three decades. He was also well known as the owner of Sunset Lake Campground, a place he cherished since he was a park ranger in 1975.

He was an environmental advocate and volunteered with many organizations, including the Sunset Lake Association, NH Lakes and UNH's Lakes Lay Monitoring Program. He served on the Board of Directors of the New Hampshire Campground Owners' Association where he helped to promote the NH camping industry. In addition, he spent years on the Hampstead Recycling and Waste Disposal Committee. He was a strong advocate for the Town's recycling program. For years he discussed the benefits of having a 'Swap Shop' since it would divert useful items from the trash. The Swap Shop was established at Kent Farm Transfer Station in the summer of 2020.

Sadly, Bob passed away on January 10, 2021. We will always cherish those moments when we'd see him kayaking on Sunset Lake, waving hello from his pick-up truck, sharing a new recycling article or just bumping into him at the post office and saying hello.

We appreciate all he did and dedicate this year's annual report to Bob Nugent.

SELECTMEN'S REPORT

The past year of 2021 was a year that presented The Town of Hampstead with wonderful experiences and challenges especially with our continued experience with Covid -19. The Board would like to thank our citizens for their patience and understanding, as well as doing their part to help our continuing goal of “stop the spread” during the pandemic. The Board would also like to thank the employees of the Town of Hampstead for their continued hard work and dedication to the town, while putting themselves at risk to provide services, especially to those first responders who did not have the option to work from home. Thank you all!

The Fire department continued providing 24-hour coverage. This coverage has made quicker response times to emergencies within our community possible. Again, this year there will be a warrant article for the much-needed renovation to the fire station. This renovation is required to be compliant with State safety laws which mandate a separation between the department's living quarters and the decontamination area. The Police department welcomed some new faces this year. Stephen Winter, our new School Resource Officer, along with Gian Wilson as a patrolman. We also saw promotions within the ranks. Sergeant Chambers was promoted to Lieutenant, Detective Dyer was promoted to Sergeant, Officer Randell was promoted to Detective. Welcome and Congratulations! The Highway Department continued with their paving and road improvements over the summer and fall. The Building/ Code Enforcement Department saw a significant increase in construction dollar value of \$16,868,578. This represents a 69.83% increase in construction dollar value when compared to 2020. The Recycling and Waste Disposal Committee continued their education campaign for residents as to how we can all decrease our global footprint when it comes to Recycling and Waste Disposal, to the point we saw a 1% reduction in our tonnage. The Historic/Heritage Commission completed a project at the Historic Museum. The project involved the repair and painting of the interior as well as the installation of new light fixtures. The handicap ramp was also repaired. The Conservation Commission finished several projects the addition of our Hadley Rd. parking area and detailed mapping of all HCC trails. The Cable Committee continued broadcasting committee and board meetings live and rebroadcast on Channel 17, while also continuing to bring the free concert series during the summer, being mindful of the existing COVID-19 protocols.

The 9th Annual Turkey Trot on Thanksgiving Day morning was enjoyed by all who attended! The Christmas parade this past December was a mobile rally throughout town. It was special for all.

The Hampstead Public Library continued to provide its many services despite the challenges of Covid; even opening its doors again to residents. We encourage all residents to contact the Library to enjoy the many events and resources they have available.

In March of 2021 the Selectmen formed the Hampstead Stormwater Committee to assist Town Staff with implementing the Environment Protection Agency (EPA), National Pollutant Discharge Elimination System (NPDES), Municipal Separate Storm Sewer (MS4) Permit. The Committee is made up of 5 volunteers from the community. Even though the Committee only had a short time together, they have been working with Town staff and Rockingham Planning Commission (RPC) to prepare documents for our Annual Report for 2021-2022 that is due in June.

The Board of Selectmen wish to thank all members of our Town Boards, Committees, and Commissions for their service to the community. We'd also like to thank, the employees for all that they do, whose dedication to the town is experienced by all residents of Hampstead.

SELECTMEN'S REPORT

As 2021 has come to a close and we move into the future, we encourage all members of the community to be involved in Hampstead, in any capacity you can, to help ensure Hampstead will continue to be one of the best places to live.

With that sentiment in mind, The Fire Station, as I mentioned earlier, is in desperate need of the renovation being proposed in order to become compliant with State safety regulations. This is being proposed as a "One and Done" project where we pay for it in one year. I know it seems like a big ask, however from the perspective of paying for this in one year.

What is the financial/tax impact= \$1.11 per thousand of property valuation

<u>Home Value</u>	<u>Financial Impact</u>
\$150,000	\$166.50
\$200,000	\$222.00
\$300,000	\$333.00
\$400,000	\$444.00
\$450,000	\$499.50
\$500,000	\$555.00

If you were to calculate this expense \$499.50 over a 12-month period it would be \$42 a month (rounding up) if your property is valued at \$450K.

The fact of the matter is, that town facilities will always need repairs, renovations, or replacement. The issue will not go away! If you own property, I am sure you can relate. Currently, in town we have the Fire Station and the Central School buildings that are in need of renovations that need to be completed, with the Memorial Gym not far off from no longer being able to be ignored. The cost of these renovation projects will only increase over time. The proposed plans are the most cost-effective solutions to meet our needs as a town.

Finally, the board would like to remind voters that voting on the School Warrant and the Town Warrant will be held in the Hampstead Middle School on Tuesday, March 8th, 2022. The polls will be open from 8 AM to 8 PM.

Sincerely,

Sean P. Murphy

Board of Selectman-Chairman

ARTICLES

2. Are you in favor of the following as proposed by the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to amend Article III-5:4 A, In Commercial Zone C2 by replacing the existing language with the following: "The minimum lot size shall be the appropriate square footage required under Article II-1 (Soil-based Lot Size) and Article II-2 (Wetlands Ordinance) for the soil and slope which constitute such lot, or 45,000 square feet, whichever is larger."

Recommended by the Planning Board

YES ● 1,611
NO ○ 434

3. Are you in favor of the following as proposed by the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to adopt Article I-2:3 Building Permits Required, Under General Provisions, "C. For any Building Permit issued which includes elements of roofing, siding, windows, and doors; these exterior elements must be completed within 12 months of issuance of said Building Permit."

Recommended by the Planning Board

YES ● 1,453
NO ○ 628

4. Are you in favor of the following as proposed by petition to the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to rezone the land consisting of the area on the Northerly side of Route 111, bounded on the Northeast by the existing C-2 Zone at Map 12, Lot 15, bounded on the Southwest by Village Green Road, bounded on the East by Route 111 and bounded on the Northwest by a line which is four hundred feet (400') distant from the Northerly line of Route 111, from Zone A (Residential) to Zone C-2 (Commercial).

Recommended by the Planning Board

YES ● 1,267
NO ○ 748

TURN BALLOT OVER AND CONTINUE VOTING

**ABSENTEE BALLOT AND OFFICIAL BALLOT
ANNUAL TOWN ELECTION
HAMPSTEAD, NEW HAMPSHIRE
MARCH 9, 2021**

BALLOT 2 OF 2

Patricia A. Leman
TOWN CLERK

ARTICLES CONTINUED

13. To see if the Town will vote to raise and appropriate the sum of \$3,070 (Three Thousand and Seventy Dollars) for Haven. **YES** **NO** 1,279
Recommended by the Board of Selectmen 3-0 773

14. To encourage that every town board post all meeting agendas to the town website, and send them via the town email list, no later than two (2) business days prior to the board meeting - this article also seeks to encourage that any items that do not appear on the agenda should not be discussed at the meeting. This article seeks to promote transparency, and to give all residents ample time to plan in the event that they want to attend a meeting based on the topics being discussed. **By Petition**
Recommended by the Board of Selectmen 3-0 **YES** **NO** 1,876
229

15. To encourage that every board publicly post meeting minutes (draft minutes are acceptable) to the town website no later than 5 business days after each meeting (or within 72 hours for nonpublic meetings), and email notification once minutes are posted via the town email list. This article seeks to promote transparency, and to ensure that timely information is easy to find in one centralized location. **By Petition**
Recommended by the Board of Selectmen 3-0 **YES** **NO** 1,911
192

16. To study whether board recommendations shall be removed from the ballot. This article seeks to ensure that each voter is heard without being swayed or influenced by board recommendations. Ballots exist to obtain voter opinions, but they should never tell a resident how to vote - board recommendations bias the ballot, and ballots should be unbiased. **By Petition**
Recommended by the Board of Selectmen 3-0 **YES** **NO** 1,309
754

17. To encourage that all town board meetings be accessible via Zoom (or a similar software that allows residents to not only remotely view the meeting live, but also interact and pose questions). While Hampstead Cable TV is a great resource, many residents do not have cable television - furthermore, the public cannot interact with televised meetings. This article seeks to assure that all residents have the ability to attend town board meetings, remotely or in person, in a way that is convenient for them. **By Petition**
Recommended by the Board of Selectmen 3-0 **YES** **NO** 1,805

Default Budget of the Municipality Hampstead

For the period beginning January 1, 2022 and ending December 31, 2022

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

REPORT ON INTERNAL CONTROL BASED ON AN AUDIT OF BASIC FINANCIAL STATEMENTS

To the Board of Selectmen
Town of Hampstead, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Hampstead, New Hampshire (the Town) as of and for the year ended December 31, 2020, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

Vachon Clukay & Company PC

Manchester, New Hampshire
December 27, 2021

ANIMAL CONTROL

ANIMAL CONTROL

Animal Control for Hampstead had a productive year with Officers Maura Wentworth and Thomas Wilson-Frascone. They are on call 24/7 and are fortunately able to respond when needed. Calls for animal control are dispatched through the police department non-emergency number: 603-329-5700. After hours and weekends, calls to the same number go to Rockingham County Dispatch who is able to reach whoever is on call. Animal Control addresses calls from the public ranging from complaints, sick or injured wildlife, stray dogs and cats, and concerns about abuse or neglect.

A reminder of the importance of keeping your pets' rabies vaccines up to date: there was a raccoon in town that tested positive for rabies. He was witnessed acting aggressively toward people, jumped on a dog, and, upon capture, bit Thom. As well as being state law, the rabies vaccine protects pets in encounters like this. Always avoid handling wildlife, call animal control or Fish and Game. Your ACOs have had training, and are vaccinated for rabies themselves. Remember to license your dog by April 30th each year. Proof of current rabies vaccine is needed. Licensing can now be done online (link found on town website), as well as at the Town Clerk's office. With a current email address on file, residents can be reminded easily so late fees are avoided. In 2021, 1684 dogs were licensed in Hampstead!

Animal Control held a successful rabies and microchipping clinic in the spring, and plans to do it again in 2022. Maura and Thom were also fortunate to participate in other town events. These included "Read with a Hero" at the Central School, "Tails in Hampstead: All About the Town's Animal Control" at the Hampstead Public Library, and the Christmas Parade sponsored by the Hampstead Lions Club.

Hampstead Animal Control is willing to answer questions, give referrals, or respond to calls when help is needed. They appreciate the support of the townspeople, the Police Department, Town Hall, Edgefield Vet, Mitchell Animal Hospital, and local Wildlife Rehabilitators.

Respectfully,
Maura Wentworth
Hampstead Animal Control

ASSESSOR'S REPORT

The firm of Municipal Resources, Inc continues to handle the assessing functions for the Town. The primary members of the staff working in Town are, Scott Marsh, Chad Gordon, Michael Marsh and Seth Giberson. Additional staff members may be assisting. It is requested that if any of the assessors come to your property, you support the Town's efforts to keep assessments equitable and proper by answering questions and allowing them to view the property.

Municipal Resources personnel are available to meet with taxpayers and if an appointment is desired, Dawn Shaw or Mike Hall in the Assessing Office can schedule one for you. Both are great resources should any information be desired.

The past year saw the assessing office handle fifty abatement requests. There were also roughly 450 properties reviewed due to taxpayer inquires, building permits, incomplete status of prior review and/or site changes that resulted in about a \$8,100,000 increase in the Town's total taxable value. Assessing staff is continuing the process of reviewing properties each year to ensure the accuracy of the details listed on the individual property record cards.

A draft analysis completed on the DRA regarding sale and assessment comparison information indicates that the Town's ratio for the 2021-tax year is expected to be around 78%

PROPERTY TAX RATES - TAX YEARS 2016 - 2021

Year	Town	County	Local Educ	State Educ	Total
2016	\$3.35	\$1.11	\$17.37	\$2.37	\$24.20
2017	\$2.99	\$1.11	\$18.04	\$2.50	\$24.64
2018	\$2.86	\$1.15	\$19.07	\$2.44	\$25.52
2019	\$2.69	\$0.90	\$15.46	\$1.94	\$20.99
2020	\$2.87	\$0.87	\$15.89	\$1.92	\$21.55
2021	\$2.84	\$0.88	\$17.14	\$1.89	\$22.75

ASSESSOR'S REPORT

Individual property assessing information may be obtained by visiting the assessing office or on-line by following the link on the Town's website.

Below is a list of Tax Exemptions and Credits currently available. Additional information and applications are available at the assessing office.

ELDERLY EXEMPTION

\$ OFF ASSESSED VALUATION

AMOUNT	REQUIRED AGE	INCOME LIMITATIONS	ASSET LIMITATIONS
\$150,000	65 TO 74	Not in excess of	Not in excess of \$100,000
\$200,000	75 TO 79	\$35,000 if single,	excluding the value of
\$230,000	80 AND UP	\$50,000 if married	the residence & up to 2 acres

PERMENTLY DISABLED

\$ OFF ASSESSED VALUATION

\$50,000

The income and asset limitations are the same as the elderly exemption. As with the elderly exemption, the taxpayer must also be a resident of New Hampshire and own/occupy the real estate.

BLIND EXEMPTION

\$ OFF ASSESSED VALUATION

\$50,000

Every inhabitant owning residential real estate and who is legally blind, as determined by the administrator of blind services of the vocational rehabilitation division of the education department.

VETERAN

**Standard & All Veterans
Tax Credit \$750**

Every resident who served in the armed forces in any of the qualifying wars or armed conflicts as listed in RSA 72:28 or not less than 90 days of active service per RSA 72:28-b and was honorably discharged; or the spouse/surviving spouse of such resident

**Surviving Spouse
Tax Credit \$2,000**

The surviving un-remarried spouse of any person who was killed or died while on active duty in the armed forces, as listed in RSA 72:28

**Service connected
Disability
Tax Credit \$2,000**

Any person who has been honorably discharged and received a form DD-214 and who has a total and permanent service connected disability or is a double amputee or paraplegic because of the service-connected injury, or the surviving spouse of such person if such surviving spouse has not remarried.

BUILDING DEPARTMENT REPORT

BUILDING DEPARTMENT REPORT

The year 2021 continued to be an extremely busy year for us in the Building Department. The previous year, 2020, we saw record numbers in permit volume and construction dollar value. I was not quite sure if we would see those types of numbers again, but in 2021 our numbers peaked even higher and we saw a significant increase in construction dollar value. A total of 253 building permits were issued with a total construction dollar value of \$16,868,578. This represents a 69.83% increase in construction dollar value when compared to 2020. It appears that Hampstead continues to be an appealing location for residential and commercial construction.

In 2021 we have permitted 13 new single family homes, 26 condominium units, and 2 commercial buildings. Also, 212 permits were issued for alterations, additions, demolitions, and change of use permits. We issued 113 permits for septic system replacement and percolation soil tests. 12 sign permits were issued to various locations around town. We are continuing to see shoreline redevelopment occur around our lakes. The Winchester Heights project is approximately 80 % completed. The former Little Mexico site is currently being redeveloped; the expected build timeframe for Bluebird Storage is slated for 13 months. Route 111 Auto Sales will be constructing a new building on the Emerson Avenue side. There are several other projects in the cue at the Planning Board and we continue to field inquiries from commercial developers and people interested in Hampstead.

Mike Hall and Dawn Shaw both work as support staff for the Building Department and Assessors office for the regularly scheduled business hours. I serve as the Chief Building Official in a full time capacity. Philip Boisvert is our Code Enforcement Officer and Michael DiBartolomeo serves as our assistant building inspector. Anthony Iuele is our Electrical inspector and Michael Hartnett continues as our Plumbing inspector. Deputy Chief Will Warnock is our Fire Inspector. Once again, I would like to personally thank my employees who are part of a dedicated team who continue to work during the pandemic. We are constantly striving to make Hampstead a safer community.

Respectfully Submitted,

Kristopher Emerson
Chief Building Official

TOWN WARRANT

AND

TOWN BUDGET

**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

**FIRST SESSION OF THE ANNUAL MEETING
(DELIBERATIVE SESSION)
FRIDAY, FEBRUARY 11, 2022
7:00 P.M.
HAMPSTEAD MIDDLE SCHOOL**

To the inhabitants of the Town of Hampstead in the County of Rockingham in said state, qualified to vote in town affairs:

You are hereby notified to meet at the Hampstead Middle School in said Hampstead on Friday, February 11, 2022 at seven o'clock in the evening, for the explanation, discussion, and debate of each Warrant Article, and to transact all business other than by voting by official ballot.

**SECOND SESSION OF THE ANNUAL MEETING
(VOTING)
TUESDAY, MARCH 8, 2022
8:00 A.M. TO 8:00 P.M.
HAMPSTEAD MIDDLE SCHOOL**

To the inhabitants of the Town of Hampstead in the County of Rockingham in said state, qualified to vote in town affairs:

You are hereby notified to meet at the Hampstead Middle School in said Hampstead on Tuesday, March 8, 2022 at eight o'clock in the forenoon, to elect officers of the Town by official ballot, to vote on questions required by law to be inserted on said official ballot and to vote on all Warrant Articles from the First Session.

ARTICLE I

To choose all necessary town officers for the ensuing year. (By Official Ballot)

ARTICLE 2

Are you in favor of the following as proposed by the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to amend Article II-1 Soiled Based Lot Size with the following changes:

In Article II-1:1 Minimum Lot Sizes by adding the following sentence after the first paragraph: "The minimum lot size requirements shall apply to all lots including, but not limited to, lots served by off-site water and/or municipal sewage facilities."

In Article II-1:3 Relationship Between State and Local Regulations by removing the following sentence: "If the state regulations address an issue not included in the local regulation, or if the local regulation addresses an issue not included in the state regulation, that regulation shall automatically apply."

Recommended by the Planning Board

ARTICLE 3

Are you in favor of the following as proposed by the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to Amend Article II-2:6 Wetland Ordinance Buffer Provision by adding the following sentence:

"D. Also see Buffer Requirements Article IV-12."

Recommended by the Planning Board

ARTICLE 4

Are you in favor of the following as proposed by the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to Amend Article IV-10:4 D. Elderly Housing Buffers by removing the following sentence:

"The criteria for establishing the Buffer zone is found in the "Non-Residential Site Plan Review Regulations" and "Subdivision Regulations" of the Town of Hampstead, as amended (Also refer to Section IV-12 of the Zoning Ordinance)."

And replacing it with the following sentence:

"Also see Buffer Requirements Article IV-12."

Recommended by the Planning Board

ARTICLE 5

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$8,258,630 (Eight Million Two Hundred Fifty-Eight Thousand Six Hundred Thirty Dollars). Should this article be defeated, the default budget shall be \$8,118,812 (Eight Million One Hundred Eighteen Thousand Eight Hundred Twelve Dollars) which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operating budget only.

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 3-0 (advisory only)

ARTICLE 6

To see if the Town will vote to raise and appropriate the sum of \$1,745,793 (One Million Seven Hundred Forty Five Thousand Seven Hundred Ninety-Three Dollars) for the purpose of an addition attached to and renovation of the existing Fire Station and equipping same and to authorize the Board of Selectmen to apply for, obtain and accept federal, state and other aid, if any, which may be available for said project and to comply with all laws applicable to said project; and take any other action or pass any other vote relative thereto.

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 3-0 (advisory only)

ARTICLE 7

To see if the Town will vote to establish a Building Capital Improvement Capital Reserve Fund under the provisions of RSA 35:1 for new construction, renovation, and additions for Town buildings and to raise an appropriate the sum of \$1.00 (One Dollar) to be placed in this fund. Further, to name the Board of Selectmen as agents to expend from such fund.

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 3-0 (advisory only)

ARTICLE 8

To see if the Town will authorize the Board of Selectmen to sell the Town's interest in any leases with tower development companies on Town property located at the Kent Farm Transfer Station and further to authorize the Board of Selectmen to negotiate the terms and conditions of any sale, to convey easements, and to take any other action necessary to carry out this vote.

Recommended by the Board of Selectmen 5-0

ARTICLE 9

To see if the Town will vote to raise and appropriate \$15,000 (Fifteen Thousand Dollars) and authorize the withdrawal of that amount from the Town Forest Maintenance Account to be deposited into the Conservation Commission Fund. No amount to be raised from taxation.

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 3-0 (advisory only)

ARTICLE 10

To see if the Town will vote to place a "conservation easement" on the following town- owned parcels, thereby restricting its use to wildlife conservation, water protection areas, recreational and trail uses.

<u>Map/ Lot</u>	<u>Location</u>	<u>Description</u>	<u>acreage</u>
10 / 13	Stony Ridge/Freedom Hill area	Backlot	9.8
11 / 153	Stony Ridge/Freedom Hill area	Backlot	9.8
11 / 151	Stony Ridge/Freedom Hill area	Backlot	9.5
11 / 27	Squire Ridge Road	partial wetland area	12.03
2 / 14-1	Main Street	abuts cedar swamp	11.56

Recommended by the Board of Selectmen 5-0

ARTICLE 11

To see if the Town will vote to raise and appropriate \$10,000 (Ten Thousand Dollars) to be placed in the existing Building Repairs and Maintenance Expendable Trust Fund.

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 3-0 (advisory only)

ARTICLE 12

To see if the Town will vote to raise and appropriate the sum of \$10,000 (Ten Thousand Dollars) to be placed in the existing Hampstead Public Library Building Maintenance Non-Capital Reserve Fund.

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 3-0 (advisory only)

ARTICLE 13

To see if the Town will vote to raise and appropriate the sum of \$6,800 (Six Thousand Eight Hundred Dollars) for Rockingham County Community Action.

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 3-0 (advisory only)

ARTICLE 14

To see if the Town will vote to raise and appropriate the sum of \$17,142 (Seventeen Thousand One Hundred and Forty-two Dollars) for CART.

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 3-0 (advisory only)

ARTICLE 15

To see if the Town will vote to raise and appropriate the sum of \$500 (Five Hundred Dollars) for CASA.

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 3-0 (advisory only)

ARTICLE 16

To see if the Town will instruct the Selectmen and our State Representative to request the New Hampshire State Government to consider amending the State Statues and allow a town to freeze the school portion of town property tax for property owners over that age of 65 years. By doing so it will keep the future school portion of the property tax payable by a property owner, to that applicable at the age of 65 years. This will eliminate escalation of the school portion of taxes for those on fixed incomes. This is similar to other municipalities in the USA. (by petition)

Not recommended by the Board of Selectmen 0-5

ARTICLE 17

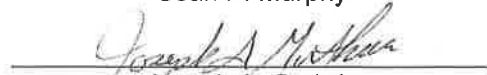

To see if the Town will vote under the provisions of RSA 669:17 to change the Zoning Board of Adjustment from appointed positions to elected positions. ZBA members are currently appointed by the Board of Selectmen- this article seeks to make ZBA members elected by residents of Hampstead. (by petition)

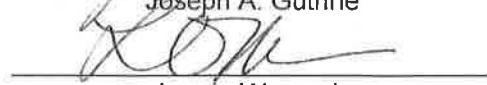

Recommended by the Board of Selectmen 5-0

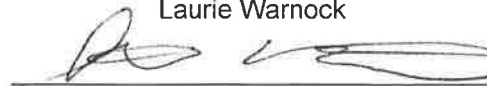

Given under our hands and seal, the 27th day of January, in the year of our Lord, Two Thousand Twenty Two.

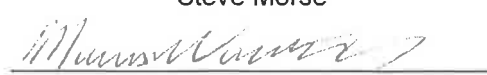

HAMPSTEAD BOARD OF SELECTMEN

Sean P. Murphy

Joseph A. Guthrie

Laurie Warnock

CABLE ADVISORY BOARD

Cable continues to broadcast committee and board meetings live and rebroadcast on Channel 17. We provide a welcome service to shut-ins and others who have chosen to remain in their homes by filming some of the town's church services for replay during the week. School-related programs are broadcast on Channel 6.

We continue to bring free music concerts during the summer, being mindful of the existing COVID-19 protocols. The concerts have been a much-needed source of entertainment and normalcy to the hundreds of music lovers who gather on the Meetinghouse lawn on Tuesday nights and at our new smaller and more intimate venue at Ordway Park on four Wednesday nights. Since adding the new concerts at the pavilion on the corner of Main Street and Depot Road, we have changed our name from Meetinghouse Park Summer Music Series to Hampstead Summer Music Series.

This past year our music fans were afforded the opportunity to donate to the all-volunteer non-profit organization, Hero Pups, located in Stratham, N.H. The group takes rescue dogs and trains them to assist veterans and first responders who benefit from their training. Just recently they were able to present five of their comfort dogs to their grateful new owners. Cable is proud to report that more than \$1700 was raised for Hero Pups through the generous donations of our concert-goers at our summer concerts and at the Don Campbell Christmas Concert.

The committee is always eager to add new equipment in an effort to keep up with fast-advancing technology. Anyone interested in joining the group as a volunteer is always welcome. We were pleased to welcome a new enthusiastic student volunteer this summer. Free training is offered and a loaner camera available for anyone interested in filming a town event.

HCAB meets the fourth Wednesday of the month at 7 p.m. at the Town Office.

For more information visit our website at www.hctv17@gmail.com

Clay Shaw, Chairman

CONSERVATION COMMISSION

2021 HCC finished several projects that took, in some instances, many years of planning and construction. First was the addition of our Hadley Rd. parking area. Second the detailed mapping of all HCC trails has been something the Commission has wanted for ten years. Today we have the tools and a member focused on the job. This will be a project that will go through several updates and in some areas include other Towns trails.

One of the biggest jobs is ongoing maintenance of trails which includes markings, signs, bridges and the trails themselves. Trails are important because it links our community to the land and the interest in preserving open land for future generations. Next is invasive plants and fighting them on two fronts. One is in the water with Shop Pond part of the Town Forest. The other is throughout our woods taking on species that have gotten out of control. The work is done by our Commission members as well as many volunteers who contribute time and energy to improving our land. Another continuing requirement of commission members is the review of construction projects in Hampstead. Our jurisdiction is over encroachment of projects on wetlands. This year we had several reviews and field trips to see developments slated for construction.

Conservation is also part of many educational studies carried out by graduate students from several colleges. The studies are mainly for thesis studies of animal movements, insect habitats and rocks/petrology. The State also does time to time studies on our wetlands and most of the documentation the public will not see due to preserving information of species location and types. Our own commission members have projects this year, which will investigate invasive plants. Education of our community started with a focus on children by a new member and with many changes coming down from the EPA will accelerate more education programs. Many programs relate to stormwater requirements the EPA requires of all communities.

Tim Lovell,

Chairman Conservation Commission

EMERGENCY MANAGEMENT

2021 continued to be a very different and unique year as the town continued to focus on making the necessary adjustments due to the pandemic of COVID-19. Since 2020, all town department's operations were modified to make sure that all employees and the public we serve were safe as town business continued. The town maintained all operations and tried to keep business as usual.

The town also applied for and received multiple Emergency Management Performance Grants (EMPG) from the New Hampshire Department of Safety Homeland Security and Emergency Management. Two grants, in the amount of \$8,000 were used to update the town's Emergency Operations Plan and the town's Continuity of Operations Plan. These plans are now updated and will not need to be updated for another 5 years. I want to thank all the town departments and school administrators for their input and support to make sure the town has viable working plans in case an emergency need arises.

The other EMPG was to update the public safety communications for the town. This grant was for \$30,210, which was to relocate the Fire Department's and Emergency Management's communication equipment to a higher elevation in Derry. This project has been completed, which provided a much better infrastructure for radio communications, which gives the town the ability to provide an "All Hazards" approach to public safety. Additionally, the town now has the ability to have a back-up system in place should the main tower be compromised.

As the Emergency Management Director for the town, I have had the opportunity and pleasure to work with all town department employees and administrators, school district employees and administrators, residents of the town, and many state agencies. I cannot thank them enough for the support and dedication for keeping the Town of Hampstead safe, and whereas, to prepare, respond, recover, and mitigate all Hazards.

Michael W Carrier

Fire Chief/Emergency Management Director

FIRE AND RESCUE DEPARTMENT

2021 has been a busy but very productive year for the fire department. The department responded to 1,169 emergency incidents, which is a 9% increase over 2020. This includes a 25% increase in medical emergencies, which includes motor vehicle accidents. See summary at the end of the report.

Additionally, even as the Pandemic continues, fire department members participated in over one-thousand hours of training, dedicated hundreds of more hours in committee meetings, assisted with the development and updating of operational guidelines, and provided significant input in maintaining a dedicated and professional fire department.

The 2022 proposed budget has an increase of 20% over the 2021 budget. Within this budget, however, is an increase of two additional firefighters. These positions were needed as a result of not having enough per diem firefighters to fill the necessary shifts. As an example, the month of October alone, had 600 hours of coverage that the department couldn't fill. This is directly related to a shortage of firefighters, especially for per diem positions. To try to minimize the financial impact to the taxpayers, the Board of Selectmen have authorized me to apply for a SAFER (staffing for adequate fire and emergency response) grant. This grant will be used to hire 4 firefighters, which would include the retention of the two positions authorized as well as two more. If the town is fortunate to receive this grant, it would cover 100% of the salary and benefits for 3 years. After the 3 years, the town would be responsible for cost to continue these positions.

Additionally, the department and town need to be prepared for a significant rate increase for the town's hydrant maintenance fee. Currently, there are 59 hydrants at a cost of \$200 per hydrant. A private water company, Hampstead Area Water Company, has requested from the Public Utilities Commission (PUC) that this cost increase to \$1,419 per hydrant. This is a 609%. If this increase is adjusted downward from the PUC, then the budget will be adjusted accordingly. At this time, no direction or timetable has been established. The town's Water Committee has been working diligently to minimize any impact relative to costs as well as the quality of water for our community.

This budget also includes the continuation of the department's vehicle replacement plan. This allows the department to replace vehicles without adding any significant additional tax impact. This program has established a cost-effective plan for the replacement of emergency vehicles. The next replacement will not be needed until 2027.

The department, again this year, will be proposing a "not to exceed cost" of \$1.5 million warrant article for renovations and an addition to the fire station. This will provide a much-needed decontamination area and other necessary space needs concerns.

In order to do this, the existing space needs to be reconfigured and bathrooms and offices need to be moved. There is not enough room within the existing "footprint", to relocate this space so an addition needs to be built. Within the addition, there will be an Emergency Operations Center to be able to effectively manage an "all Hazards" Emergency Management approach to all types of emergencies.

The town, through the help and assistance of the Board of Selectmen, in particular, the department's liaison Maurie Worthen, and Selectwomen Laurie Warnock, who helped the fire chief submit an application to Senator Shaheen for assistance from their congressionally directed spending. Currently, the department is in the final stages of approval for \$200,000. These funds will be used to directly supplement the Emergency Operations Center, and therefore reduce the overall financial impact of the project. The overall construction costs are \$1.7 million dollars, but with the financial assistance received, the net financial impact to the taxpayer is \$1.5 million dollars. The following is a summary of the proposal:

FIRE AND RESCUE DEPARTMENT

What is being proposed

4,200 square foot addition (the far right side of the building) plus renovations to the existing building

Why is it being proposed

- Firefighter Health and Safety – Inadequate and non-existent separation of contaminants from living/office space – need for decontamination area
- Inadequate living and office space for 24-hour coverage (original design was for an “all-volunteer” department)
- Building design and systems are original to the building (built in 1985)
- Lack of functionality and flow (whereas operations and administration need to have separation)
- Inadequate storage for EMS supplies, radio/communications equipment, and basic custodial supplies
- Training area serves as a mixed-use room – Living, Kitchen, Training, and Meeting Room

How much will the project net cost be – “Not to Exceed” \$1,500,443 – Includes \$60,000 contingency and \$200,000 from Senator Shaheen’s congressionally directed spending.

What is the financial/tax impact

<u>Home Value</u>	<u>Financial Impact</u>
\$150,000	\$166.50
\$200,000	\$222.00
\$300,000	\$333.00
\$400,000	\$444.00
\$450,000	\$499.50
\$500,000	\$555.00

The department will also be applying for a grant to help provide some of the necessary safety items, which will be used to clean and decontaminate Firefighter clothing and equipment. This will include a gear extractor and appropriate drying equipment.

We will continue to look for all available financial assistance to continue to provide a cost-effective public safety service for Hampstead, with the least possible financial impact to the town.

The men and women of the Hampstead Fire-Rescue Department dedicate a significant amount of time and effort to make sure that the Town of Hampstead is provided with the best possible service. Firefighters and EMS personnel attend monthly training sessions that require additional time away from home to make sure their high skill level is maintained for you, your family, and visitors to our town.

The department prides itself on its mission and values, and to serve you and our community.

FIRE AND RESCUE DEPARTMENT

I would like to thank the Board of Selectmen for their continued support, time, and dedication to the fire department and the Town of Hampstead.

I would also like to thank all the town departments, the Hampstead Schools, Budget Committee, and all committees for their assistance with the Fire Department as well as the many community members and leaders for their support and assistance. All of which is invaluable!

I would like to especially thank the men and women of the Hampstead Fire-Rescue Department for their help, dedication, and professionalism.

Respectfully submitted,

Michael W. Carrier

Fire Chief/Emergency Management Director

HIGHWAY DEPARTMENT

The Highway Department started out the new year with a couple small snow storms. We picked up an enclosed trailer for our emergency roadside construction signs, which is a great help so we can just hook up to the trailer and go to any weather-related incident, car crash or normal road maintenance and have all the signs that we need. The Department also purchased a solar powered portable message board to alert the Town of any emergencies or town functions. The purchase was made with ARPA funds.

The first of February we had our first big snow storm. We had to rebuild one of our salt spreaders with all new chains and gears. The end of March, I started mapping via GPS, the culverts and catch basins for the MS4 stormwater regulations.

The Department also started chipping roadside brush. Getting ready for paving and road reclamation as we marked out all the roads to be worked on this year. Five culverts were replaced in the Harris Avenue and Shore Drive. area. Large rocks were removed dug large rocks from those roads as well in preparation for paving. The Highway Department reclaimed and paved the second half of Wheelwright, Littles., Harris and Shore roads. An overlay was completed on Beverly, Randall, Hilltop, Eastman, Birchwood and Anne roads. A lot of tree cutting and brush cutting was done on many roads.

A company was hired to come in and spray the Japanese Knotweed, an invasive plant that was located on the side of the roads. Towards the end of Summer, we started getting equipment ready for winter. The Town contracted with a company in order to re-painted and do crack sealing. To close out the year, we had a small snow storm.

In closing, I would like to thank the town's residents for their support throughout the year.

Town of Hampstead, Road Agent

Jon Worthen

HISTORIC/HERITAGE COMMISSION

In 2021 the Historic/Heritage Commission completed a project at the Historic Museum. The project involved the repair and painting of the interior as well as the installation of new light fixtures. The handicap ramp was also repaired, the hope is to paint the exterior of the building as well as the handicap ramp this coming spring. The Meetinghouse received a needed roof replacement that we were very happy to accomplish. Old granite curbstone was also purchased for the parking lot, this will be installed in the spring. Stripes were also painted on the parking lot.

In keeping with tradition, we had another successful “Ring in the fourth” with quite a crowd attending. We made sure that everyone had a chance to ring the 1809 Paul Revere Jr. bell, The only one of its kind that is known to exist. COVID-19 once again forced a virtual 48th annual Ecumenical Thanksgiving service. We would like to thank all the clergy that worked hard to make it happen.

The Historical Society Museum was closed during the summer and fall, both due to COVID as well as the time that the painting was done. We have reorganized the collection and are happy that we are open once again on Saturdays from 1:00 till 4:00

The members of the Historic/Heritage Commission would like to thank you for your continued support.

Respectfully submitted,

Robert Morris, Chairman

HAMPSTEAD PUBLIC LIBRARY

How does one sum up 2021? Chaos? Constant pivoting? Scrambling? I am not sure that any one word can describe this last year. The Library is back to its full 54-hour week with many patrons coming in to select their own materials. Many patrons still want curbside delivery and the Library is happy to comply. We even have a few patrons who get home delivery. The Youth Services Librarian conducted outdoor Storytime and Mother-Goose-on-the-Loose until it became too cold for the kids to be sitting outside on the ground. The Adult Programming Librarian conducted a few indoor programs but they were limited to the amount of people we can physically have in the Meeting Room. The limits are based on the CDC Guidelines for inside gatherings. The Library received a grant to install an air cleaner in the large meeting room.

If the Library had been able to build the Pavilion during 2021, many more programs would have been able to be held out there. Many of the adults that come to programs such as book club and chair yoga did not like sitting in the blacktop parking lot on hot, sunny days. If they could have been under cover, they would have been much more comfortable and happier to attend.

To that end, the Library Staff is busy writing grants and conducting fundraising events. The staff and Trustees committed to building the pavilion without asking the taxpayers for the funds. Between grants received and the fundraising efforts, approximately 25% of the necessary funding has been secured. Please see the Library website at hampsteadlibrary.org to participate in the fundraisers and be part of the history of the library by purchasing a personalized brick.

The Library also received a grant for \$10,000 which provided for the permanent story walk on the front lawn. The stories change regularly so even if you have checked it out, give it another go. The Library also received a grant to purchase snowshoes and winter stories so patrons can enjoy the story walk even when there is snow on the ground. Patrons can also borrow the snowshoes to enjoy snowshoeing at their favorite location.

The Library added electronic resources such as Consumer Reports and The Wall Street Journal for use by our patrons from any location that they can access the internet. With many patrons staying home due to the pandemic, these added resources were met with some happy patrons.

In the months to come, there will be major changes to the children's area of the Library. The Library received grant funding through the Institute for Museum and Library Services' "Grants to States" program. The grant program is part of the American Rescue Plan Act of 2021 and being facilitated by the N.H. State Library. The Friends of the Hampstead Public Library are also helping out with the renovation with some financial support. The Greater Hampstead Civic Club, the Hampstead Mothers Club and the Hampstead Middle School Media Specialist have all agreed to partner with us on this project. All the

HAMPSTEAD PUBLIC LIBRARY

renovations are expected to be completed by the end of the summer and there will be a grand reopening when it's complete.

The Library was fortunate to have enough funds to finally get the siding replaced on the building. We have received many complements on how nice the building looks. The Library also received a bequest from a former staff member and long-time patron Janet Eagleson to create the path to the garden. The Town took care of clearing the side of the building and recreating the swale that was originally part of the property and the Library custodian built the accessible path to the Storybook garden from the front of the building. This allows for a safe passage and people no longer have to walk in the street to get to the garden. The path is dedicated to Janet with a stylish plaque with one of her favorite quotes: "If you have a garden and a library, you have everything you need." If you have not seen the plaque or the path, please stop by the library to check it out.

The carpeting on the second floor was replaced and the countertop to the circulation desk was also replaced in 2021. So again, it's been a year of building renovations. There's still more to go and one of the projects that is under consideration is the renovation of the portico. The Library would like to make the design more in line with the building itself and the surrounding area. The Library is also planning to replace the stair treads on both ends of the building. The current treads are original to the building and are worn and stained and faded from UV light hitting them all day long. The Library also has some insulation projects that need to be completed.

Long-time staff member and Head of Circulation, Nancy Macmillan retired and was replaced by the Library's own Janet Arden who was the programming manager. The new programming manager is Julie Watt. Marilyn Moran, our evening and Saturday Library Assistant also retired from regular hours but is still filling in when needed. Her duties were assumed by Emily Wentworth who has been with the Library as a page during high school and our summer intern since she has been in college.

The Library staff would like to thank the Trustees of the Library for their dedication and support during a very difficult year. We also thank the Friends of the Hampstead Public Library for their continued support even when the Thrift shop could not be open all the time.

And a huge thank you to our patrons for being understanding and dealing with the ups and downs of the pandemic and their continued support. Libraries transform lives in so many ways and the Hampstead Public Library is no exception.

Thank you for supporting the Library,

Rosemary Krol

ORDWAY PARK

Every year Ordway Park and the town of Hampstead are grateful for the dedication of groups and volunteers. 2021 once again saw the Hampstead Garden Club continue its talented work to maintain its adopted civic site in Ordway Park. Their ongoing contribution creates a special centerpiece for the park, drawing visitors to enjoy their handiwork.

The pavilion donated by the Hampstead Lions Club has become another central feature of Ordway Park. In 2021 it served as a gathering place, a shelter for wedding ceremonies, a locus for a memorial service, and the site of Hampstead Cable TV-sponsored concerts. HLC graciously postponed planned work repainting the pavilion in order to accommodate a function. HLC now has two Trex benches in the pavilion courtyard. Two other matching benches have been given to the park thanks to the efforts of Darlene Cote and town recyclers; other sites in town have also benefited from this community effort.

Volunteers contribute weeding, storm damage clean-up, trimming, pruning, mowing in the wooded areas and annual mowing of the naturalized areas, hauling of debris, as well as prep work for the reworking of the former Christmas tree area into an accessible gathering space with some additional parking. The town of Hampstead does regular lawn mowing and trimming and cleans up storm damage piles. We hope to develop better channels of communication that will benefit the town and the park.

2021 was the 25th anniversary of the Ordway Park Committee. Its first meeting was in September of 1996 and it was tasked with fulfilling a mandate to redevelop the abandoned park in time for the town-wide anniversary celebration in 1999. The committee organized on site events, fundraising, volunteer work, donations of labor and equipment and material, and coordinated efforts to mesh with the town in developing a cohesive park that could serve the entire community – not just a specific group or groups. A lot was accomplished. There is more to be done, to fulfill the full vision of the park, to maintain existing improvements, and to encourage creative use of the park. We need a new generation of committee members!

Weather and scheduling challenges due to the pandemic were impediments to planned work. We were able to move forward with the next phase of work in the area where the remaining dying Christmas trees were removed. Stumps and debris were hauled off site to a processing yard. Topsoil was excavated out of the area of the main parking lot excavation and stockpiled. Geotextile was laid and processed gravel was hauled in and spread. Topsoil in the improvement area was stockpiled so that the subgrade could be raised with material hauled in and spread; the goal is to meet accessible standards for grade/slope. Weather prevented screening of the site topsoil; this will happen when weather permits. Finish work will follow. Additional expansion of parking is planned in the lower parking area.

Scheduling problems and site access issues due to saturated soils meant that planned tree removals were delayed; such work has to be planned around function dates as well. This will happen when site conditions permit. Once the tree work is completed, the stumps will be ground and regrading below the pavilion will be completed.

Maintenance work next year will include electrical repairs. Planning is underway to replace the electrical panel board with a utility shed that will provide better weather protection for the electricals, in addition to providing a place to store seasonal items like hoses and holiday lighting. We have continuing problems with trash from Depot Crossing and accident damage to the stonewalls to address.

Thank you to all the visitors who express your enjoyment of the park, and to all who contribute to making the park welcoming to the community.

Julia Forbes, Ordway Park Committee

PLANNING BOARD

2021 continued to be a very busy and productive year for the Planning Board. One of the responsibilities of the Planning Board is updating the Town's Master Plan and Capital Improvement Plan every ten years. Throughout the year the Planning Board subcommittee members worked tirelessly along with a representative from the Rockingham Planning Commission. They reached out to the towns people for their thoughts and comments on how they currently see their town and their vision of what they want to see in the future. The Capital Improvement Committee reached out to the towns departments to come up with a list of major expenditures the town will be facing in the next 10 years to formulate a plan to keep our taxes in check.

On the planning side, the Board continues to review and approve Accessory Dwelling Units (ADU's), and approved Brianna Woods, an 8-lot subdivision. The Board worked on updating our Subdivision and Site Plan regulations along with new stormwater regulations to work in conjunction with the MS4 Regulations required by the EPA.

The Board welcomed a new full-time member Kim Colbert and alternate Bob Weimar. I would like to thank the Planning Board Secretary for all her hard work, and all the Planning Board members for all the involvement and energy they give throughout the year. It looks to be another busy year ahead of us.

Stephen Wentworth, Chairman

POLICE DEPARTMENT

On behalf of all of us here at the Hampstead Police Department, I would like to thank the residents for their continued support. Over the past year we have worked hard to keep the community safe. The police department typically breaks down the majority of our police work into four categories; incident reports, arrests, car accidents and traffic stops. Below are the 2021 end of year totals for these four categories.

- **Incident Reports** **1208**
- **Arrests** **142**
- **Car Accidents** **145**
- **Traffic Stops** **1,106**

With regards to the types of criminal activity that the department deals with, below is a brief overview of some of the more prevalent reported offenses in 2021;

- **Assault Related Offenses** **52**
- **Theft & Burglary Related Offenses** **49**
- **Identity Fraud / Theft Offenses** **16**
- **Driving While Intoxicated Offenses** **21**
- **Disorderly Conduct Offenses** **45**

We are still navigating the challenges associated with the Covid-19 pandemic but police work is starting to get back to “normal”. We did have some changes at the department and I would like to recognize some of these important changes.

In February 2021, we hired Officer Stephen Winter as our new School Resource Officer. Officer Winter previously worked for Sandown, NH Police Department and came to us with 12+ years of full-time experience. SRO Winter had big shoes to fill as he replaced SRO Conway. SRO Winter’s calm demeanor and ability to connect with kids has helped make this a smooth transition.

In April 2021, we hired Officer Gian Wilson. Officer Wilson previously worked for the Loudon, NH Police Department for 2-years and has made a great impact on our patrol division. As a younger officer, Officer Wilson demonstrates a good balance of proactive policing and community policing. Officer Wilson uses common-sense and shows empathy for those who he deals with. This makes him a nice fit here at the police department!

Also, in April we had a couple promotions. Officer Randell was promoted to the rank of detective. After several years of proving himself as a competent patrol officer and our juvenile officer, he received the well-deserved promotion. Congratulations to Detective Randell, we look forward to you solving cases!

Detective Dyer was promoted to the rank of sergeant. A couple years ago, Sergeant Dyer came to us from another police department. He has 20 years of exemplary service to New Hampshire law enforcement. Sergeant Dyer has been a great front-line supervisor and is instrumental in the development of our younger officers. Sergeant Dyer has also taken on the responsibility of being our lead training officer, ensuring that officers are receiving proper training.

POLICE DEPARTMENT

It should also be noted that Sgt. Dyer solved a commercial burglary that resulted in several high-profile arrests. In October, Sgt. Dyer was the recipient of a NH Congressional Law Enforcement Award, for his relentless efforts in solving the case. Congratulations to Sergeant Dyer!

Finally, Sergeant Chambers was promoted to the rank of lieutenant. Lt. Chambers has faithfully dedicated just over 20 years of service to the residents of Hampstead, combined with a previous (10) years of law enforcement service in another state. Lt. Chambers brings a wealth of knowledge to the department and is a crucial component to leading the department in the right direction. Lt. Chambers still responds to calls and handles front line supervisory responsibilities on a daily basis. Congratulations to Lt. Chambers on a well-deserved promotion!

Towards the end of the year, we were able to complete some much-needed improvements to our shooting range. With generous discounts and donations from Busby Construction, Petra Paving and American Striping we were able to get renovations done at a very low cost. Proper firearms training and quality use of force training is imperative to keeping the community safe during a crisis and helping the Town avoid possible civil litigation. Having an adequate place to build firearms skills is incredibly important.

As always, I would like to take a moment to acknowledge the police departments 2021 Toys 4 Tots toy drive. Every year the community support grows and grows for this cause and it is truly remarkable. Our previous record was 18 full boxes of toys. This year we filled almost 40 boxes for a conservative estimate of at least \$20,000 worth of toys. Thank you to all who helped make it a success!

Lastly, I would like to thank our Board of Selectmen, fellow town employees, various community leaders and all the residents who help make Hampstead a great place to live. It has always been an honor to serve the people of Hampstead and I look forward to serving the residents in 2022!

Respectfully submitted,

Joseph A. Beaudoin Jr.
Chief of Police

RECREATION COMMISSION REPORT

The Hampstead Recreation Commission administers and supervises several recreation programs and all recreation facilities available to the citizens of Hampstead. Members include: Chairman Matt Johnson, Melissa Denton, Erin Pellegrini, Sara Arroyo, Melissa Colburn and Angie Ingraham the Recreation Director.

The summer program for children was still impacted by Covid-19 but we did add in a few field trips and continued the fun. The summer program was open to Grade 2 children thru Grade 8. Program sites were the Memorial Gym and Central School. Some of the activities included: water games, Lego building, painting, making crafts, playing gaga ball, field trips, tennis and basketball. There were 4 field trips that included Launch Trampoline Park, movies, and beach days, Kona Ice still by stopped for a cool treat.

The Town Beach was a popular spot on the hot days. We had two lifeguards on duty. People still enjoyed the sand and water. We are pleased to report that the bi-weekly water testing showed that the water quality remained good this summer. A beach parking permit continues to be required and is available at the Town Clerk's Office. We also added sand to the beach this summer.

The Annual Senior Citizens' Holiday Dinner held in December was an enormous success being attended by 251 Hampstead Seniors. The dinner was a pick-up dinner at St. Anne's Church. Food was prepared by Jaye Dimando and Kathy Costa. The Recreation Commission distributed the food as the Hampstead Seniors drove up to get it. Kim Colbert and Tina Harrington organized packing of the meals along with other wonderful community volunteers. We extend our thanks to all who volunteered time to help make the day an enjoyable success. The Seniors did not have any trips this summer due to the pandemic.

The 9th annual Turkey Trot Run/Walk on Thanksgiving morning had over 300 people sign up for the event. All money raised goes to support future Hampstead Recreation. projects. It was a beautiful day with a lot of happy runners.

The Depot Road baseball field was fixed by HASB and Recreation this year. There were new base paths made and new baseball mound was added. At Depot Road we have been working on the irrigation system and hope to have that at 100% next year. The town did work on the drainage at the tennis courts and the tennis courts were re-surfaced adding two Pickle ball courts.

The HRC would like to thank the active members of our community who give their time and talent to assist us in our various programs. Volunteers add to the success and richness of all of our programs. A special thanks to the Civic Club HASB, and Hoops Basketball Program for their continued donations of time and money to the improvement and upkeep of the Town's facilities.

The Recreation Commission provided two outside movie nights. In August we watched Raya and The Last Dragon and in October, Hocus Pocus on the Meetinghouse field. They were well attended and we will provide more movies in 2022.

Sincerely,
Angie Ingraham - Hampstead Recreation Director

RECYCLING & WASTE DISPOSAL

The Hampstead Recycling & Waste Disposal (RWD) Committee is a volunteer advisory committee to the Board of Selectman. Members include Ellen Cabral, Chris Kowalski, Proctor Wentworth, Reinhild Davis and Carol Cipriano and our town hall liaison, Tina Harrington. Our Board of Selectman liaison is Steve Morse.

Despite dealing with another year in a pandemic, our committee kept busy. One of the places we spent a lot of time was at our Swap Shop, which is located at the transfer station. Now in its second year of operation, we are happy to say that we are getting great feedback and a lot of interest/visitors. For those not aware, at the Kent Farm Transfer Station we have a shipping container that is designated for usable items that were saved from the trash. Residents with transfer station stickers are able to drop off items in good condition (e.g. furniture, toys and household items) that they no longer want when the transfer station is open (2nd Saturday April – November, 8am to 4pm). These items are stored in the container and on the third weekend from April – November (10 am-12 pm), all are welcome (residents and non-residents, no transfer station sticker required) can come to the transfer station to browse and take home whatever they like. It's a win-win as it has now diverted hundreds of pounds of trash from needing disposal (and avoiding the disposal fees for those items) and it allows these items to get a second life. Our team volunteered at the Swap Shop from April to November and we will continue to do this in 2022. If you have an interest in helping us, email HampsteadRecycles@gmail.com

We volunteered at the spring (Plaistow) & fall (Chester) household hazardous waste days. Hampstead is part of a 6-town alliance with household hazardous waste days. Given the extremely high cost to hold these events, it becomes a more manageable cost to each town when set-up fees can be split 6 ways. We are working with these towns to create a way to provide a more efficient process for dropping off hazardous waste in a more cost-effective manner.

As for trash disposal statistics, we saw a decline in both recycling and trash, despite the fact that we added approximately 40 new dwellings in 2021. The reduction in recycling tonnage doesn't necessarily mean people are recycling less – especially since trash tonnage is down. Plastic is getting lighter and there are fewer products that use glass, which we know adds a ton of weight.

We are happy to see our trash tonnage decreased slightly (-1%). We believe this is due to our residents changing their habits – whether that means buying less one-time use products or donating usable items instead of throwing away. Whatever the reason, we are happy to see the reduction in trash tonnage. However, it's important to keep in mind that our small town (just shy of 3800 dwellings) produced over 5 million pounds of trash in 2021 – that's 1333 pounds per household per year! Any effort to reduce trash is encouraged and appreciated. Ways to reduce trash is by composting, donating usable clothing and textiles and simply by buying less.

Reminders:

- Pinard provides a service for residents who may have more trash than one 65-gallon toter can handle. Residents can rent an additional trash toter directly from Pinard for an annual fee of \$175.
- Additional recycling toters are available for a \$75 one-time fee.
- Compost bins ("The Earth Machine") are available through the Town Hall. The fee is \$60.
- There is a textile recycling bin at Hampstead Central School. This container collects: clean and dry bagged clothing, footwear, sheets, blankets, towels and stuffed animals. The items in good condition are reused, the items that aren't usable are recycled.
- The Swap Shop accepts household items, toys & bikes, indoor/outdoor furniture and sports equipment on transfer station days and require a transfer station sticker (2nd Saturday April – Nov, 8am to 4pm). The Swap Shop can't accept small engines, electronics, car seats, clothing/shoes, carpet and mattress/box spring. The Swap Shop is open to anyone for browsing/taking home items the 3rd Saturday of each month from April – November from 10 am to 12pm.
- Waste oil and propane tanks are accepted at the Town Garage the first and third Saturday of each month from 8:00 am to 1:00 pm.

RECYCLING & WASTE DISPOSAL

If you are interested in joining the committee, or even just attending a meeting or two, our door is always open. We meet the second Wednesday of each month at 7:00 at the Town Hall. For any questions, please email us at HampsteadRecycles@gmail.com or call Town Hall at 329.4100. We have a Facebook page (Hampstead Recycles) that we encourage you to follow for updates on weather delays, holiday delays, fun facts and more!

Thank you for recycling!

Ellen Cabral
Chairman, Hampstead Recycling & Waste Disposal Committee

STORMWATER MANAGEMENT COMMITTEE

In March of 2021 the Selectmen formed the Hampstead Stormwater Committee to assist Town Staff with implementing the Environment Protection Agency (EPA), National Pollutant Discharge Elimination System (NPDES), Municipal Separate Storm Sewer (MS4) Permit. The Committee is made up of 5 volunteers from the community.

What does all this mean, well an MS4 is a conveyance or system of conveyances that is owned by a state, city, town, village, or other public entity that discharges to waters of the U.S., designed or used to collect or convey stormwater (e.g., storm drains, pipes, ditches), not a combined sewer, and not part of a sewage treatment plant, or publicly owned treatment works (POTW).

To prevent harmful pollutants from being washed or dumped into MS4s, certain operators are required to obtain NPDES permits and develop stormwater management programs (SWMPs). The SWMP describes the stormwater control practices that will be implemented consistent with permit requirements to minimize the discharge of pollutants from the sewer system.

You can view the Town of Hampstead's SWMP on the Town Website under the Stormwater Tab. We also have much more information that has been submitted to the EPA as well as public outreach and education fliers. In July of 2021, the Town was audited by the EPA, which is also available on the website.

Throughout most 2021, the Committee only consisted of one member until early October when 2 additional members joined followed by our fourth member in December. We are still seeking one additional member. Currently our membership consists of members of the Sunset Lake Association, Planning Board and Conservation Commission as these groups are an important part of the Town.

Even though the Committee only had a short time together, they have been working with Town Staff and Rockingham Planning Commission (RPC) to prepare documents for our Annual Report for 2021-2022 that is due in June. Part of this required the Town to contract with an Environmental Consultant to assist the Town in mapping and evaluation of our stormwater outlets as well as taking samples. The Consultant that was hired is Comprehensive Environmental Inc (CEI) from Merrimack, NH. More information on this will be added to the website regarding further permitting as CEI gathers their information throughout the Town.

It is the Stormwater Committee's goals to protect the Town's greatest resources, its lakes, waterways and wetlands by recommending Best Management Practices (BMP's), conducting long and short-range planning and execution of these BMP's to restore and preserve these wetland resources ensuring they meet the most feasible and achievable water quality goals. The Committee will also assist Town Personnel and Departments with the implementation of the EPA MS4 permit and serve as the forum for public participation, public education and outreach, illicit discharge detection and elimination, construction site and post-construction site runoff controls, and improved pollution prevention and good housekeeping with all town operations.

Respectfully submitted,

Paul Carideo, Acting Chair

TOWN CLERK REPORT

TOWN CLERK

INCOME

	2020	2021
Auto & Boat Permits	\$2,132,416.96	\$2,183,465.15
Beach Permits	\$3,345.00	\$3,420.00
Dog Licenses	\$14,686.50	\$16,285.50
Fees	\$67,619.28	\$64,704.50
Freon, Tire, TV coupons	\$7,952.00	\$6,018.00
Marriage License	\$2,250.00	\$2,350.00
Returned Check Fees	\$1,575.00	\$1,365.00
Transfer Station Permits	\$20,170.00	\$20,675.00
TOTAL	\$2,250,014.74	\$2,298,283.15

In 2021, the Town Clerk-Tax Collector's office processed 13,268 motor vehicle and boat registrations, 1,684 dog licenses, 94 marriage licenses, 584 vital statistic certified copies, as well as hundreds of miscellaneous transactions. We collected \$30,295,497.83 in property tax payments, which is 97 % of the total property taxes committed.

Motor Vehicle renewals, dog licenses, vital records, transfer station permits, and beach permits can all be processed online using our E-Reg program. We encourage you to use our online services.

We accept credit/debit card payments for property taxes. Credit card payments can be taken over the phone or over the counter. There is a 3.5% convenience fee for the service.

Our website, www.hampsteadnh.us continues to be a great resource for information. Please visit it often, as it is continuously updated. Our policy has been and continues to be to provide exceptional service to the residents of Hampstead. We are always looking for new ideas and appreciate your feedback.

TRUSTEES OF TRUST FUNDS 2021 REPORT

Trustees operate under statutory requirements dictated by the Division of Charitable Trusts, a unit of NH Department of Justice (DOJ), which is overseen by the Attorney General. The DOJ sets guidelines for the creation and management of charitable trusts including Cemetery Trusts and Capital Reserve Funds. Trustees are responsible for ensuring the instructions for each Trust are dutifully followed as well as the investment of Funds managed and maintenance of Trust records.

Cemetery and High School funds have been under the management of Northeast Planning (LPL Financial) since 6/28/10 under the “Prudent Investor Rule”. Library Funds were transferred to LPL in June 2015. The investment objective for these funds is to achieve capital appreciation while simultaneously generating needed interest income for end of year distributions. In 2020 market value of Principal held increased by 12.58% (inclusive of capital gains). Overall portfolio interest & dividend income was 1.05% (net of advisory fees). The annualized return on these funds since inception is 7.33%.

All other funds are held in TD Bank EscrowDirect accounts. Capital Reserve Funds must be managed under the Prudent Man Rule and the remaining Trusts require quick liquidity. The average rate of return on all funds held in TD Escrow was 0.11%.

The following is a summary of annual year-end distributions made in 2022 but accounted for in 2021.

1. Library Funds: Interest income check for \$150.86 to Town of Hampstead Library
2. High School Fund: Interest income check for \$423.53 to Town of Hampstead School District
3. Cemetery Funds: Care & maintenance check for \$6,112.40 to Town of Hampstead

Gustav Khambatta Kristina George Maria Kuhl

WATER RESOURCES COMMITTEE

“To support the provision of safe, adequate, affordable and sustainable water sources for Hampstead and its residents”

In 2021, the work of the committee was focused on four main areas:

1. 2020 Local Source Water Protection Grant: Aquifer Delineation and Protection, and Community Outreach and Education
2. Drought monitoring and mitigation planning
3. PUC docket 20-117 request for rate increase by Hampstead Area Water Company
4. Participation in developing the Master Plan for Hampstead

Local Source Water Protection Grant Activities

Sanborn Head & Associates was selected as the contractor to identify and map water resources in Hampstead to complete part of the work funded by the Grant. They used publicly available information from the DES-One Stop database and field work by students from UNH to develop a number of maps showing well locations, water pipelines and potential contamination sites. Separately, the committee commissioned the same contractor to produce maps of the underlying geological structures that might influence well productivity and connectivity. These maps combined will allow town land use boards to make informed decisions when considering the impact of new developments on neighboring residents.

The Rockingham Planning Commission was contracted to work on the outreach and education portion of the grant which resulted in 4 fact sheets to provide information to the public on:

- Watersheds, Water Cycle & Well- Aquifer Interactions
- Water Conservation & Groundwater Recharge
- Influence of Land Use on Groundwater
- Understanding Groundwater Contaminants

These are all available on the Water Resources Committee page on the Town of Hampstead website. As part of the topic on contamination, the Committee partnered with Granite State Analytical, a local licensed water testing company, to offer ‘Water Testing Week’ in October. Discounted water tests were made available at Town Hall to encourage residents to understand what’s in their water and take steps to clean it up if necessary. Arsenic and bacteriological impacts are of particular concern in Hampstead water and the surrounding area.

WATER RESOURCES COMMITTEE

Drought Monitoring Activity

During the spring and summer of 2021, Hampstead and the State of NH was suffering from considerable drought and concerns were raised about the potential for wells to run dry if residents did not modify their water usage. Lawn watering is one of the largest quantity uses of water during the summer months and the committee proposed a lawn watering restriction framework for consideration by the Select Board, depending on the severity of the drought. These included alternating watering days and limiting watering to overnight hours to reduce the stress on our underlying aquifer. The Board approved the plan and a mailer was sent to all addresses in Hampstead to advertise the recommendations. Thankfully late summer and fall were particularly wet and all levels of drought status were removed by the end of the year.

Hampstead Area Water Company Advocacy

Multiple members of the committee have been active intervenors in the Request for Rate Increase by Hampstead Area Water Company to the Public Utility Commission. This has taken a lot of time and energy but it is vital to ensure that the Town be represented in the proceedings to protect the interest of Hampstead ratepayers and taxpayers. The proposed increase to the fire hydrant fees from \$200 per hydrant to over \$1300 per hydrant is of particular concern and this has been strongly challenged during the process. The final rates will not be decided for some time but a temporary rate increase has been approved in the meantime.

Hampstead Master Plan Revision Support

Two town-wide surveys were taken this year, one from the Water Committee and one from the Master Plan Committee and the results show that the majority of residents are concerned about protecting the water resources in our town and want provisions to be in place to make sure we have clean, abundant drinking water in the years to come. We have representatives on the Master Plan steering committee and are actively involved in the development of the documents to guide the future of Hampstead in this area.

The Water Resources Committee thanks the residents of Hampstead for their support during the year and encourages more people to join us for this important work.

Stephanie Spyvee

Chair, Hampstead Water Resources Committee

ZONING BOARD OF ADJUSTMENT

In 2021, the Board consisted of eight members, Geoffrey Dowd, Chairperson, Hank Riehl, Vice Chairperson, and members Dale Blaine, Proctor Wentworth, and Randy Clark. Neil Emerson and Karen Hanides served as Alternate members. Later in the year, Jaye Dimando joined the Board as an Alternate member.

The Board heard requests for and granted fifteen Special Exceptions. A total of nineteen requests for variances were presented. Ten variance requests were granted. Five variance requests were withdrawn, and the remaining four variance requests were continued into 2022 and subsequently withdrawn.

Important to note, an applicant may request to withdraw an application to preserve their right to bring the matter forward again to the Board through reapplication. However, if an application is denied by the Board, the matter may not be brought to the Board again unless there has been a significant change in circumstances or to the application itself to warrant the Board's acceptance of any reapplication.

Special thanks to our long-serving and highly dedicated Board Secretary Dawn Shaw who kept the Board running smoothly during all of the challenges of 2021 with the same high level of integrity and commitment as she has provided to the Board over the past 37 years!

Our meetings are televised to the Town through the ongoing and much appreciated work of the Hampstead Cable Advisory Board. A special thank you goes out to Clayton Shaw, Cable Advisory Committee Chair, and all members who worked hard to make our meetings accessible to the community.

ANNUAL REPORT OF THE HAMPSTEAD SCHOOL DISTRICT

For the Year Ending June 30, 2021

OFFICERS OF THE HAMPSTEAD SCHOOL DISTRICT
--

BOARD OF EDUCATION

	Term Expiration
Jason Giard	2024
Megan Malcolm, Vice Chair	2023
Caitlin Parnell (appointed to a one-year term per <u>RSA 671:33</u>)	2022/2023
Erin Pellegrini	2024
David Smith, Chair	2022

OTHER DISTRICT OFFICERS

Neil Reardon, Moderator	2024
Lisa DeMio, Clerk	2023
Laura Jones, Treasurer	2024

SCHOOL ADMINISTRATIVE UNIT NO. 55/ HAMPSTEAD SCHOOL DISTRICT ADMINISTRATION

<i>The mission of the Hampstead School District is to provide challenging educational experiences that prepare all students to succeed to their individual potential in a changing world.</i>

HAMPSTEAD SCHOOL DISTRICT

HAMPSTEAD SCHOOL BOARD

Left to Right: Jason Giard, Caitlin Parnell, Megan Malcolm – Vice Chair, Erin Pellegrini, and David Smith – Chair

The 2020-21 school year for the Hampstead School District continued with the theme of change while also demonstrating resilience against formidable odds. Our students and staff have been faced with many hardships from the pandemic; however, through perseverance, we were able to finish the school year strong.

As written in the 2019-20 annual report, we began the year with remote instruction and transitioned into a hybrid model of learning three months into the school year. The hybrid model of learning brought its own unique challenges to the learning environment; however, the overwhelming joy of having students in the hallways greatly overshadowed any reluctance to engage in this hybrid model. Administration and staff welcomed the students with such great enthusiasm that it may have been even greater than the

enthusiasm of the parents sending their children into the school building for the first time in eight months.

As we turned the new year and continued to evolve the learning environment, the school board and administration embarked on to monumental activities for the school district. Preparations for the various warrant articles to be put in front of the voters being one of the first. While the warrant article for the HCS addition failed to pass a super-majority by a mere 97 votes, voters overwhelmingly approved the HCS “60’s wing” renovation which greatly improved the insulation, new HVAC equipment, new insulated roof, new windows and other improvements which will improve the physical learning environment for staff and students. At the time of writing this report, we have learned that the contractor has finished on time and under budget; both great

achievements to be able to communicate to all in the community.

The next activity for the school board and administration was to fill the leadership positions for our single district SAU. The board was thrilled to announce the selection and hiring of new superintendent, Bob Thompson, to lead us into a new and bright future. Later in the spring we were also able to fill additional leadership positions that will partner with Mr. Thompson in both the areas of 21st Century Learning, Assessment, & Technology, Student Services, and a new Principal at HCS. The final icing on the cake was the wonderful news that we were able to maintain several staff members from the previous SAU. These staff members were pivotal to setting up and supporting the newly formed, single district SAU55.

Following the winter months and under the leadership of new school board members and the administration, the school district was able to return to in-person learning with the support of staff. Staff quickly put positive energy and an extremely positive vigor to doing everything possible to fill the education

gap as a result of over a year without in-person learning. We were able to have a strong finish to the school year with thanks to everyone involved in supporting the school district.

This was a tremendous year for the school district in that we were able to finish with our heads held high and looking forward to a new school year with new leadership and a confident momentum moving into the next school year.

Lastly, we would like to acknowledge the retirement of a great leader and staple in the Hampstead community for the past 40 years. Principal Dillard Collins has meant so much to so many people over those years and has left many lasting memories through his dedication to students, staff, colleagues and peers. He is a man of honor who left the school better than he found it. Thank you Mr. Collins. We hope you are enjoying retirement with your family. Please know we are a better school district and community because of your commitment to all of us. Thank you.

Respectfully submitted,
David Smith, Chair

REPORT OF THE OFFICE OF SUPERINTENDENT Robert Thompson

The 2020-21 school year presented a monumental challenge amidst the ongoing global pandemic as administrators and executives worked tirelessly to advance an educational program that best supported our students regardless of geographical location. A safe learning plan using a phased approach was implemented, with remote learning kicking off in September, which led to the introduction of hybrid learning in November, and finally, a full return to schools in April. Owing largely to the success of this plan to ensure synchronous learning at both schools were the Memorandums of Understanding agreed upon between the School Board and each Union.

SAU office staff performed daily operational activities in addition to associated tasks necessary throughout the transition year resultant of pending withdrawal of the Timberlane district from SAU55. Although the Plaistow office experienced closure at the onset of the pandemic, it reopened in September with limited staff and modified protocol to allow for social distancing. Whether situated in a professional office setting or remote location, productivity soared to ensure that Hampstead would experience zero interruption in services once we became a single district SAU on July 1st. With space to lease a new central office in Hampstead secured in the Spring, and formation of our SAU reorganizational structure taking shape, senior staff looked forward to a fresh outlook.

As was necessary last year for productivity, numerous online meetings were conducted for purposes of school board meetings, administrative meetings, budget development, and the Superintendent search activity. Despite less than favorable conditions, all District requirements at the SAU level were met and work commenced without skipping a beat even when in person settings were not feasible.

TRANSITION YEAR TO FORM A SINGLE-DISTRICT SAU ON JULY 1, 2021

Highlights

- SAU55 policies were repealed effective July 1, 2021 and any of those policies not already on the Hampstead School District books were slated for development when necessary.
- A tax-exempt lease agreement to maximize the use and production of office printers and copiers was executed on a five-year basis starting next fiscal year.
- SAU files and records were safely relocated to the new SAU office on Mary E. Clark Drive prior to July 1st.
- Hampstead's SAU office staff was hired over the Spring of 2021 for a July 1st start date to fill budgeted positions as prescribed by the Hampstead School Board's new SAU reorganizational structure.
- Hampstead's Superintendent elect and its first Superintendent as a single district SAU was introduced to the public

and began attending school board meetings in the spring for preparedness starting July 1st.

ENROLLMENT

Official enrollment numbers are determined on October 1st of each school year. Enrollment numbers by grade for the 2020-21 school year:

Hampstead Central School			
PreK	48	Grade 2	70
Kindergarten	61	Grade 3	102
Grade 1	92	Grade 4	79
Total HCS			452
Hampstead Middle School			
Grade 5	77	Grade 7	96
Grade 6	101	Grade 8	86
Total HMS			360
Pinkerton Academy			
Grade 9	109	Grade 11	108
Grade 10	99	Grade 12	101
Total PA			417
Total District Enrollment			1229

THE MARCH 2022 WARRANT

The 2022 Warrant includes a bond issue in the amount of \$12,595,000 for the Hampstead Central School addition project, a proposed operating budget of \$31,671,796, a capital reserve fund installment of \$500,000, an HCS lot line adjustment, and acceptance of reports. This year is an off-cycle for all collective bargaining agreements in the district, thus explaining the absence of CBA warrant articles, and the absence of a special meeting on cost items article that would be associated with such. Presentations on these items were made at the January 11, 2022 public hearings and at the February 8, 2022 deliberative session. School Board members worked continuously

throughout the budget and bond development process to present infrastructure initiatives for the 2022-23 school year.

RETIREMENTS

Tremendous thanks and appreciation to retiring staff in the 2020-21 school year: Dillard Collins, Regina Kuhl, Virginia “Ginny” Murphy, Sheila Nolan, and Jill Owens.

WITH THANKS AND APPRECIATION FROM THE SUPERINTENDENT

I want to thank the Hampstead School District for welcoming me to the community. I am grateful to be among such extraordinary groups of individuals and for the opportunity to advance the excellence in education characteristic of our schools.

REPORTS FROM ADMINISTRATION

Pictured left to right: Superintendent Bob Thompson, CFO/Business Administrator/HR Director Geoff Dowd, Student Services Assistant Director Franceen Flynn, Director of Technology Joe Dionne, HCS Principal Dr. Terrilyn Cheney, Student Services Director Tracy Griffenhagen, Facilities Director Jeff Mackey, HMS Assistant Principal Lynne Joseph, HCS Assistant Principal Peter Schmidt, and Director of 21st Century Learning, Assessment & Technology Nicole Tomascelli. (Missing: HMS Principal Maria DiNola.)

21ST CENTURY LEARNING, ASSESSMENT AND TECHNOLOGY – Nicole Tomascelli, Director

The Office of the Director of 21st Century Learning, Assessment and Technology is responsible for ensuring that all students and teachers have access to curriculum, tools and resources as well as technology to support high quality instruction and innovative personalized learning. This office oversees credentialing and site-based licensing of our instructional staff and is responsible for coordinating professional development opportunities for individuals and teams so that they can provide a robust 21st Century learning environment. This office will also manage all federal and state grant opportunities as well as pursue community partnerships and local grant opportunities.

The Hampstead Schools reopened for the 2020-21 school year with four cohorts to accommodate a variety of learning options for families. Students in cohorts A & B participated in hybrid instruction attending lessons in the buildings every day for either morning or afternoon sessions. Students in cohort C were fully remote and utilized Zoom and digital tools

for instruction. There were also a few families who opted for cohort D which allowed them to homeschool during the year with curricular support from the district. While many of the schools' traditional extracurricular activities were unable to run due to the pandemic, the students and teaching teams were incredibly resilient and creative in finding ways to collaborate and learn together online. In April 2021, the Governor's executive order required school districts to provide full time in person learning to all students five days per week. This was the first time in over a year that Hampstead Schools were in full session.

Assessments

In May of 2021, the New Hampshire Department of Education administered Statewide Assessments (NHSAS) in Math and Reading to students in grades 3-8. Students in grades 5 & 8 also participated in Science Statewide Assessments. Teachers, data teams and administrators use data from these state-wide standardized assessments as well as our iReady benchmarking tests to stay informed of our students' instructional levels and determine to what extent learning loss has occurred for our

students. It is important for families to know that in order to have a clear picture of each student’s proficiency towards grade level skills, we rely on multiple data points as well as teachers’ anecdotal feedback at regular intervals throughout the school year. Additionally, we will be incorporating iReady assessments Winter and Spring for our 1st and 2nd grade students as well as Spring for our Kindergarteners to be sure we are making informed decisions with regard to their programming and placement for 1st grade.

Technology

Parents may have noticed some changes in PowerSchool with the installation of Enrollment Express during the 2020-21 school year. We utilized ESSER I federal funds to purchase Chromebooks and protective sleeves to ensure all 5th graders had devices. The tech department deployed GoGuardian Classroom Suite to allow for supervision and support of appropriate use of these devices during remote learning and inclement weather days. Additionally, the tech department purchased, set up and configured network and device infrastructure to the SAU (central office) with a captive portal guest network over the summer of 2021.

STUDENT SERVICES – Tracy Griffenhagen, Director

The Hampstead Special Education Department works to ensure equity, access, and opportunity for all students in the Hampstead School District. Under the leadership of Franceen Flynn, students with identified educational disabilities received appropriate services to meet their educational needs. Students identified with educational disabilities have Individualized Education Programs

(IEPs) that provide them with a Free Appropriate Public Education (FAPE), as mandated by Federal and State law. As of October 1, 2020, the child count data for the New Hampshire Department of Education (NHDOE), the Hampstead School District had 221 students identified with educational disabilities.

The success of Hampstead Schools Special Education Department is the direct result of the skilled professionals who work within the program. Our staff consists of special educators, paraprofessionals, occupational therapists, physical therapist, reading specialists, speech-language pathologists, school psychologists, Board-certified Behavior Specialists, educational audiologist, and teachers for the visually impaired and hard of hearing. Services are along a continuum of placements from in-class support to individual specialized instruction.

It is the legal and ethical obligation of the Hampstead Special Education Department to find and identify any child within Hampstead who are suspected of having an educational disability. This obligation, known as Child Find, ensures that all students with disabilities are given access to a free and appropriate public education (FAPE). Referrals for students between the ages of 2.5 and 21 who are suspected of having an educational disability can be made at any time by contacting the Director or building administration.

Students who qualify for special education receive a high-quality education that is individualized at a student level and is unique to each child’s diverse learning profile. This education may consist of specialized instruction along with related services, specialized transportation,

rehabilitative assistance, behavioral and/or academic support. Services may be delivered in the regular classroom environment, in the special education setting, in individual or small group sessions. The special education team, consisting of a teacher, administrator, special education team and parent/guardian works collaboratively to develop goals and services to allow the student to make progress in the least restrictive environment.

Hampstead Schools receives funding and reimbursements to help offset local costs expended for the delivery of specialized programs. The Individuals with Disabilities Education Act (IDEA) federal grant is paid on an annual basis. Medicaid and Special Education Aid are reimbursement programs that are based on the specific billing of services. The special education department continues to seek the maximum amount of available aid through checks and balances within the financial management of student service resources.

During a year of online and hybrid learning, the special education department was dedicated to providing rich learning opportunities both in-person and online. It was the hard work and dedication of the special education staff that ensured continued quality services.

FACILITIES – Jeffrey Mackey, Director

The Facilities Department kept the ball rolling into the 2020-21 school year while undertaking appropriate tasks to keep building environments safe with respect to the coronavirus. Additionally, the facilities staff completed other in-house projects such as carpet and ceiling tile

replacement projects as well as much needed painting.

Other projects/upgrades completed:

- HMS – flooring replacement in multiple areas
- HMS – water treatment system was re-bedded
- HCS – custodial equipment upgrades
- HCS – upgrades to the flashing amber light fixtures
- HCS – upgrades to the upper parking lot fence
- HCS/HMS – window tinting to help mitigate heat during warm months
- HCS/HMS – weatherproofing and general repairs of doors
- HCS/HMS – ceiling tiles upgrades in multiple areas

The facilities crew also kept up with general and preventive maintenance on a regular routine. Minor electrical, HVAC and plumbing fixes/upgrades continue to happen when needed. All in all, both facilities are in solid operating condition thanks to an outstanding and dedicated custodial, grounds and maintenance staff.

PINKERTON ACADEMY

Total community enrollment for the 2020-21 school year (October 1, 2021):

Auburn	282	Hampstead	399
Candia	150	Hooksett	434
Chester	252	Other	47
Derry	1572	Total	3136

COVID-19: In school year 2020-21 students selected either full-remote or hybrid (2-3 days per week if in-person) classroom instruction. By April 2021 students were invited to return to full, in-person instruction.

Hampstead students' accomplishments at Pinkerton Academy in the 2020-21 school year include the following:

Top 10 Class Placement

Class of 2021

Class of 2022

- | | |
|-----------------|--------------------|
| #2 Shaley Nolan | #1 Ryan McMahon |
| #7 Macy Graves | #4 Nathan Roux |
| #8 Vera Backman | #8 Rachel Keisling |

Class of 2023

Class of 2024

- | | |
|-----------------------|-------------------|
| #6 Brianna Pappalardo | #1 Dominica Lai |
| | #3 Erin Flynn |
| | #4 Nolan Matuszak |
| | #5 Hannah White |
| | #6 Lark Johnson |
| | #9 Sophie Hodge |

High Honors (2020-21)

- Semester 1 - 38 HSD students
- Semester 2 - 47 HSD students

Honor Roll (2020-21)

- Semester 1 - 138 HSD students
- Semester 2 - 133 HSD students

2021 Post-Graduate Placement Statistics

Hampstead Graduates-97

- 72% attended a 4-year college/university
- 6% attended a 2-year college
- 3% enlisted in the military
- 2% attended a vocational/trade program
- 0% reported taking a gap year
- 7% reported entering the workforce
- 9% indicated other
- 59 NH Scholars

Membership of Hampstead Students:

- 24 Student Council members
- 36 National Honor Society members
- 20 National Technical Honor Society members

- 51 National Foreign Language Honor Society members

- Landon Sprague, Tenor Voice, Mixed Choir

NH Jazz All-State Festival

- Nicolas Barbuto, Drums, Honors Band (High Score)
- Ella Burroughs, Soprano Voice, Honors Choir

2022-2023 PINKERTON ACADEMY OPERATING BUDGET

The FY 2022-2023 budget was approved by the Pinkerton Academy Board of Trustees on November 18, 2021.

The approved FY 2022/2023 Pinkerton Academy Regular Education budget is \$42,247,311, a .45% decrease over the current year budget of \$42,436,405. The tuition of \$14,238 is based on an anticipated enrollment of 2,967 students (vs current year budgeted enrollment of 3,098) and is a 3.94% increase over the current year tuition of \$13,698.

The proposed Resource budget is \$4,096,336, a 4.21% increase over the current year budget of \$3,930,660. The tuition of \$9,504 is based on an anticipated enrollment of 431 students (vs current year budgeted enrollment of 435) and is a 5.18% increase over the current year tuition of \$9,036.

The proposed PASSES budget is \$805,667, a 9.46% increase over the current year budget of \$736,011. The tuition of \$20,142 is based on anticipated enrollment of 40 students (vs current year budgeted enrollment of 31) and is a 15.17% decrease over the current year tuition of \$23,742.

The proposed ACT budget is \$909,548 a 2.14% decrease from the current year budget of \$929,448. The tuition of \$39,546 is based on anticipated enrollment of 23 students (vs current year budgeted enrollment of 26) and is a 10.62% increase over the current year tuition of \$35,748.

In total, the proposed budget is \$48,058,861, a 0.05% increase over the current year budget of \$48,032,524.

The .45% decrease in anticipated expenses is primarily a result of several factors:

- Elimination of seven positions with one new School Counselor position added
 - A reduction in capital and deferred maintenance projects
 - A decrease in retiree severance benefits with anticipated savings

from retiree replacements (in addition to positions not being replaced)

2022-23 Per Student Tuition Rate	
Regular Education	\$14,238
Resource	\$9,504
PASSES	\$20,142
ACT	\$39,546

HAMPSTEAD CENTRAL SCHOOL

Dr. Terrilyn Cheney, Principal

In this report, you will find information about our mission, goals and other wonderful happenings throughout the 2020-21 school year.

Mission

The mission of the Hampstead Central School is to create a school culture that fosters a love of learning, as we prepare all students for their future. Through a collaborative academic and integrated arts environment, students will thrive as they develop intellectually, physically, socially and emotionally.

School Goals

Throughout the school year we focused our work around four school action plan goals: Universal Design for Learning, Social Emotional Learning, Diversity and Inclusion, and Foreign Language in Elementary Schools (FLES). Along with these goals, we defined steps and professional development opportunities as needed.

Goal #1 - Universal Design for Learning (UDL)- HCS staff members will incorporate the UDL Learning Guidelines in their lesson planning and routines for students. Teachers will collect at least one piece of evidence of using the guidelines for the 2019-2020 school year, two pieces of evidence in the 2020-2021 school year, and three pieces of evidence in the 2021-2022 school year. Evidence may be from providing multiple means of Engagement, multiple means of Representation, or multiple means of Action and Expression and may include lesson designs, portfolio

entries, learning preference profiles, and self-reflections.

- The UDL Team at Hampstead Central School received the designation of a Learning Hub School. There are eight of these schools in the state and this designation recognizes the Central School's commitment to UDL and the capacity of the team and staff.
- Two staff members participated in a Leadership Academy designed to support school leaders in leading their team through implementing UDL practices school-wide and designing systems and structures to support UDL implementation.
- Two additional staff members participated in a UDL Coaching Academy aimed at how to coach teachers and teams to apply UDL practices and principles.
- Team provided professional development through bulletin boards and in person sessions to support colleagues in integrating the principles of UDL into their lessons.
- Through remote and hybrid learning, UDL was implemented in a variety of ways and was helpful as we moved to online learning as the goal of UDL is to make learning accessible for all students.

Goal #2 - Social Emotional Learning (SEL)- Hampstead Central School will create a structured social-emotional learning plan within a proactive and responsive culture that promotes positive social-emotional

learning for all students. SEL results will be developed through the use of a multi-tiered system of support.

- During the 2020-21 school year we supported Social Emotional Learning by making a commitment to weekly SEL lessons for students in grades K-2 and our online students. Students in grades 3 & 4 participated in biweekly SEL lessons during hybrid and in person learning.

Goal #3 – Diversity and Inclusion- Central School will promote a culture of diversity through increasing diversity-related educational opportunities and experiences to at least two per year in order to ensure that students have the knowledge and skills necessary for participating as members of a diverse, global society.

- The Foreign Language in Elementary Schools Program included activities related to Hispanic culture.
- The Foreign Language in Elementary Schools Program grew to include both Kindergarten and First Grade students.
- Increasing literature to include books with diverse characters and settings.
- Embracing the notion of windows and mirrors in literature. Windows help us see into other’s perspectives while mirrors reflect back our experiences and provide representation for all students in literature.

Goal #4 – Central School will implement the Foreign Language in Elementary Schools (FLES) Program beginning with Kindergarten in the 2019-20 school year. This work will continue with implementation of an additional grade level each successive year until there is

FLES in grades K-2. FLES Development will lead to subsequent implementation into grades three and four at Hampstead Central School.

- Hampstead Central School Kindergarten and First Grade students had 2-3 lessons per week taught in Spanish.
- The Grade 2 FLES curriculum was developed based on the Grade 2 curriculum and the American Council for Teaching of Foreign Language Standards and will be implemented during the 2021-22 school year.
- Reporting for FLES was developed and implemented for our kindergarten and first grade students.

Students Win Water Poetry Contest

Students from the Central School participated in New Hampshire’s Virtual Drinking Water Festival and Science Fair. The poetry contest was one element of this event. The theme for this year’s contest was, The Depth Of Water.

Congratulations to Alexa Bulman, Aubrey Perry, Caden Wisecarver, and Sarah Snyder for placing as finalists in this year's New Hampshire Water Poetry Contest. Alexa Bulman was the state’s first place winner with her poem entitled, “Water Ways.”

Virtual Art Show – Integrated Arts

The traditional fourth grade holiday concert and art show went high tech for the 2020-21 school year. Due to remote learning because of the pandemic, our Integrated Arts team and Grade 4 teachers collaborated with students, staff, and families to celebrate the festive season virtually. It was a celebration of

Hampstead and our commitment to integrated arts.

PTSA Reflections Winners

We are especially proud of the HCS students who received state-wide recognition for their contributions to the NH PTA Reflections contest. Both Evan and Annie received Awards of Merit while Emily received an Award of Excellence. We are proud of all our participants!

Film Production, Intermediate level:
Evan Israel - Water Bottle

Visual Arts, Intermediate level:
Annie Grochalski - My Characteristics

Visual Arts, Intermediate level:
Emily Meyer - DNA!

Field Day 2021

Students in grades K through 4 participated in an adapted Field Day this spring. The focus was on teamwork and physical fitness. Students engaged in Olympic themed games outdoors where fun and fitness were had by all. In order to socially distance, Field Day was held in three smaller groups to ensure maximum participation for all. Students who were remote were invited to participate in field day activities and many did.

Pandemic Impact

Hampstead Central School began the 2020-21 school year, online to ensure maximum safety during the continued global pandemic. Our teachers and students utilized Seesaw and Google Classroom platforms. The staff engaged in an incredible amount of professional development to best deliver instruction in an online platform. Students and families also learned a lot during this time with families having to support their children's

education more than ever. We are proud to have partnered with the families and community during this unprecedented time.

Mid-year, our school moved into a hybrid model educating students in person half the time and supplementing the other half with online learning opportunities. Beginning April 14, most students returned to full in-person instruction while some decided to continue the year working online. The Central School students and staff were pleased to end the year, in person, as a school community.

VFW Teacher of the Year

Mrs. Amanda Starck, Hampstead Central School Music Teacher, received the State Veterans of Foreign Wars (VFW) Elementary Teacher of the Year Award. Each year the VFW recognizes three exceptional teachers - one each from the elementary, junior high and high school levels - for their outstanding commitment to teach Americanism and instill patriotism in their students. Congratulations Mrs. Starck!

Retirements

Mrs. Sheila Nolan announced her retirement from the role of Reading Specialist at the Central School. Sheila's knowledge of the Science of Reading supported hundreds of Hampstead Students as they learned to read.

Mrs. Regina Kuhl retired after many years with the Hampstead Central School. She served as both a paraeducator and most recently a Title 1 Tutor. Regina's professionalism and commitment to her students made her a valuable asset.

Mrs. Ginny Murphy retired after working as a paraeducator in the Hampstead

Central School Special Education Department. Mrs. Murphy's enthusiasm for teaching was valuable to our team.

Ms. Tracy St. Amand retired after serving as a paraeducator in the Hampstead Central School Preschool program. Her expertise and commitment to our youngest learners will be missed.

And finally, Mr. Dillard Collins retired after more than 30 years with the Hampstead Schools and 22 as the Hampstead School Principal. The school community

celebrated him with the dedication of a bench from the PTSA, a schoolwide parade, and a Tie Tuesday to thank Mr. Collins who has been with the Hampstead Schools for over 40 years.

Thank you

All of the HCS staff members are grateful for the community support, as we pursue a common vision and mission to take care of the needs of each child at HCS. Thank you for sharing your children with all of us at HCS.

THANK YOU MR. COLLINS!

HAMPSTEAD MIDDLE SCHOOL

Maria Di Nola, Principal

Hampstead Middle School is a dedicated community of 356 learners that consists of students in grades five through eight. We are committed to providing high rigorous standards, critical thinking and problem-solving challenges in a personalized learning environment for all levels of learners. Through our advisory program, students are guided and supported in their social/emotional development with meaningful activities while affording unique and meaningful understandings of good citizenship that make positive contributions as global citizens. In addition to the core-course emphasis of academics, students explore their creative selves by accessing many Unified Arts opportunities. Extracurricular clubs, athletics and community service activities are strongly encouraged for every student.

moved from the comfort of our past experiences and forged bravely forward to offering students and staff our best efforts.

Students have amazed us with their resilience and their respectful ways in adapting to the current learning changes and platforms. Change can be hard. Our staff attempted to foresee student’s needs through their masks and screens and gladly supported our Hawks with care and kindness. Teachers and parents worked together to sort out the challenges with unity and a shared-vision. We are grateful for the close-knit ties of this small community that cherishes children and education and one another.

In ways we could have never imagined, our staff willingly navigated through mountains of online learning tools that would best serve all students. Our school community strived to balance academic expectations with the social and emotional needs during this perplexing time. A year ago, this pandemic was nowhere on the horizon for the members of this charming school on the hill. While enduring this pandemic, we have learned to be more patient and compassionate towards one another while advocating for the health and safety of all members of our multi-generational school. We are soaring rapidly towards a safer world with all the benefits of participating in group activities, performing arts, pep rallies, sports events, fundraisers, full hallways and classrooms, recess and chatting with our friends at packed lunch tables. Hawk Strong. Hawk Proud. Hawk Kind.

Education in a Pandemic

As the principal of Hampstead Middle School, I am extremely proud of our students and staff for their displays of fortitude and perseverance during this extreme time of learning. We have been blessed with a bucolic setting in which to deliver a well-rounded and an outstanding educational experience with strong and energetic connections with our community. While navigating through the challenges of the past year, we have moved forward in the best ways we understand that ensure the safety of our school community. This work has been both challenging and rewarding. We have all

2020-21 School Goals

Goal #1: Identify and consistently implement effective research-based instructional strategies in lesson planning, instructional practices, and assessments to support student learning and achievement as evidenced by walkthrough data, Instructional Rounds, informal observations and Professional Learning Communities.

Goal #2: Implement Universal Design for Learning principles that will strengthen instructional delivery to develop content knowledge and skills reaching all learners.

Goal #3: Teachers will show evidence of a minimum of three integrated lessons a year such as STEAM, technology, arts, and other content areas, which enable students to make connections to their learning. This will be measured through lesson plans, walkthroughs, observations, and eportfolio evidence and project outcomes.

Goal #4: Social Emotional Learning: Create a structured, multi-tiered, and comprehensive plan within a proactive and responsive culture that promotes positive social-emotional learning.

Awards and Distinctions

NELMS Spotlight School Award

Hampstead Middle School continues to maintain the distinction as a New England

League of Middle School's Spotlight School for 2020-2021. The reviewers commended our school's warm and caring environment, strong culture of academics, community, and civic pride. Additionally, a strong proponent of our student's success was the community's support of financial resources and the expansion of our advisory program. HMS was commended for an exceptional amount of academic, social-emotional, and other curricular initiatives that promoted a supportive school environment.

National Junior Honor Society 8th Grade Ceremony

On June 3, 2021, 27 eighth graders were inducted into the National Junior Honor Society in a "live" ceremony with their advisor, Mrs. Jennifer Howard and HMS administrators. These students were selected by members of the Faculty Council in which the four pillars of Everyday Scholarship, Service, Leadership, Character, and Citizenship guided their work during the past year. Congratulations to the members of HMS 2020-2021 NJHS!

NELMS - NH Scholar Leaders

On May 27th, 2021 Calli Miller and Braeden Wheeler were honored virtually by the New England League of Middle Schools as NH Scholar Leaders. This program awards public recognition to two students from participating New Hampshire schools who distinguish themselves in terms of outstanding middle-level scholarship and leadership. This year, teachers selected these students unanimously with the following qualities in mind: teamwork, dependability, personal goals, positive interactions with

others, productivity, respect, respect for diversity and service to others.

The Principal's Citizenship Award

The Principal's Citizenship Award was presented at graduation to Connor Schuler, for being a role-model for the whole school community by demonstrating school spirit, strengthening individual student's self-esteem, promoting an appreciation of the rights and responsibilities of citizenship and fostering community service and volunteerism.

Principal's Leadership Award

This year's Principal's Leadership Award was presented to Hannah Gagne who represented the distinguished traits of participation in school and/or community service; showing a positive attitude toward classmates, school, and community; displaying an understanding and appreciation of civic responsibility; possessing strength of character and the courage to do what is right; promoting citizenship in our school and community through other activities.

New Hampshire School Library Media Association Outstanding Library Program Award

HMS Media Generalist, Diane Connors was selected as the 2021 recipient of The Outstanding Library Program Award presented by the NHSLMA. This prestigious award is given for developing and executing an exemplary library media program. Mrs. Connors' recognition is based on meeting and exceeding the criteria to offering a library program that plays a strong role in teaching and learning, promotes a positive learning environment, and is led by a well-qualified staff with strong administrative support.

She received her award at the NHSLMA conference and the NH Excellence in Education Awards (EDies) in June.

Community Alliance for Teen Safety Award

Amanda Holcombe-Buendia was awarded the CAT award for 2021. This student increased awareness of risky behaviors, encouraging healthy choices and fostering community alliance among her peers and community.

National and NH PTSA Reflections Program

Connor Schuler and Spencer Colburn earned first place awards in the NH State Reflections Program and represented Hampstead at the national level. Honorable Mention Awards were bestowed to Reagan Bailey, Visual Arts; McKenna Eyre, Literature; Kendall LeBel, Film and Andrew Conti, Visual Arts.

Thank you to Mrs. Denise Meyers for her leadership in supporting this competition for our young artists.

Academic and Extra-Curricular Activities

Play for the Cure

In October, 2020 our annual Play for the Cure was held at HMS raising \$3,000 along with an equal matching donation from a parent totaling \$6,000. This school and community event has continued to raise a considerable amount of money for cancer research for many years. Students and staff wore pink clothing in a show of support for this cause and hosted in games, food, and arts and crafts tents. HMS has been bestowed the honor of one of the top ten schools to raise the most money for this cause nationally.

PTSA Kids

The Parent Teacher Student Association Kids, under the supervision of Mrs. Sarah

Wisecarver, students were able to volunteer a total of 110 hours to their school and community during the year. Volunteer opportunities included: online superlatives for holiday events, chalking the walk for teacher appreciation day, and planting seeds in the community garden. We are so thankful for this group of young community leaders.

Annie Jr, The Musical

In January, HMS students were provided with a special opportunity to audition for a part in our annual musical, Annie, Jr. under the production of Mr. Kevin Fisher. Virtual and in-person auditions created a small 20 person cast. During the week of March 22nd through April 2nd, a professional recorded movie was produced with tickets sold on-line to be enjoyed safely by our school community at home between April 16th and 17th. "The sun'll come out tomorrow!" Bravo!

Sports Updates

Track: Track used daily practices to learn and perform Personal Bests on a variety of skills while also engaging in team activities. Great participation, support and encouragement all around for our track athletes, coaches and parents.

Golf: The HMS golf team, comprised mostly of 6th graders, had a successful season. The team was able to pick up three wins for the season. The team players were mostly beginners and played competitive golf for the first time.

Softball: HMS softball team had a great season with many exciting games. They ended the regular season 2-4-2, tying for 2nd place in Division 3 of The Tri County League. Our team ended up in 3rd place due to a coin flip and won the quarter-

final's game. They met their match at the semifinal game with a team they had split with during the regular season. They were leading 3-2 but unfortunately lost 5-3. Great season with many returning members for next year.

Baseball: Hawk boys ended the regular season 7-1. Tied for first place in the division, the coin toss proved to be the only loss for our baseball team. They proceeded to win the quarter finals and the semi-finals with a close 1-0 game. The final game was played in Litchfield under extreme temperatures but that didn't stop the Hawks from with an 8-1 victory. Congratulations to our baseball team and their coach, Mr. Nick Arroyo on his first Championship win!

New Student Resource Officer

Officer Stephen Winter began in April as our new district Student Resource Officer replacing Officer Mark Conway. Officer Winter stepped into his new role with enthusiasm on day one. Welcome Officer Winter.

Class of 2021 Graduation

On June 14th, HMS graduates, their families and staff joined together in the gym for graduation. Students received their certificates from HSD School Board Chairman, Mr. David Smith. Our local cable tv station recorded the ceremony for all community members to enjoy. Congratulations to the Class of 2021!

**OFFICIAL BALLOT QUESTIONS FOR THE
ANNUAL HAMPSTEAD SCHOOL DISTRICT ELECTION***
Tuesday, March 9, 2021

Article 1 - Election of Officers

To choose the following school district officers:

School Board Member	1-year term
School Board Member	3-year term

Article 2 - Bond Issue/Hampstead Central School Addition Project

Shall the voters of the Hampstead School District vote to raise and appropriate the sum of twelve million five hundred ninety-five thousand dollars **(\$12,595,000)** for the Hampstead Central School Addition Project and authorize the issuance of not more than twelve million five hundred ninety-five thousand dollars **(\$12,595,000)** of bonds or notes under and in compliance with the provisions of the Municipal Finance Act (RSA 33); to authorize the School Board to issue, negotiate, sell, and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof; to authorize the School Board to apply for, obtain, accept and expend any federal, state, or other aid that may be available for said project and to comply with all laws applicable to said project; and to authorize the School Board to take any and all action necessary in connection therewith or to pass any other vote relative thereto; and further to raise and appropriate an additional sum of three hundred fourteen thousand eight hundred seventy-five dollars **(\$314,875)** for the first year's interest payment on the bond? (3/5 BALLOT VOTE REQUIRED)
Recommended by the School Board (4 in favor - 0 opposed - 0 abstentions)

Article 3 - Operating Budget

Shall the voters of the Hampstead School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling **\$31,671,796**? Should this article be defeated, the operating budget shall be **\$31,972,403**, which is the same as last year, with certain adjustments required by previous action of the Hampstead School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: Warrant Article 3 (Operating Budget) does not include appropriations proposed under any other warrant articles. (MAJORITY VOTE REQUIRED)

Recommended by the School Board (4 in favor - 0 opposed - 0 abstentions)

Article 4 - Capital Reserve Fund

Shall the voters of the Hampstead School District raise and appropriate up to \$500,000 to be placed in the School Renovation, Reconstruction and Capital Improvement Capital Reserve Fund established in 2006, with such amount to be transferred from the June 30, 2022 unassigned fund balance (surplus) in excess of \$150,000, available for transfer on July 1, 2022? (MAJORITY VOTE REQUIRED) (The first \$150,000 of surplus will be returned to the

taxpayers. The next \$500,000 of the surplus will be placed in the Capital Reserve Fund. Any additional surplus will be returned to the taxpayers. The funds from this article come from the 2021-22 school budget surplus, not from additional taxes.)

Recommended by the School Board (4 in favor - 0 opposed - 0 abstentions)

Article 5 - Hampstead Central School Lot Line Adjustment

Shall the voters of the Hampstead School District raise and appropriate the sum of **\$17,738** for the acquisition of approximately 3,434 sq. ft. +/- of land abutting the Hampstead Central School and to approve the Purchase and Sale Agreement Dated January 10, 2022, between the District with the Owners of said land in order to complete a Lot Line Adjustment for Hampstead Central School with property located at 13 Emerson Avenue (Tax Map 7, Lot 51) for the purposes of resolving an existing encroachment of vehicular traffic and utilities by the School, and provided the terms and conditions of the Purchase and Sale Agreement are met, to further authorize the School Board through its Chair to enter into such further agreements and sign such documents as are necessary to effectuate this transaction. This shall be a non-lapsing appropriation. (MAJORITY VOTE REQUIRED)

Recommended by the School Board (4 in favor - 0 opposed - 0 abstentions)

Article 6 - General Acceptance of Reports

Shall the Hampstead School District accept reports of agents, auditors, and committees as written in the 2021 Annual Report? (MAJORITY VOTE REQUIRED)

Recommended by the School Board (4 in favor - 0 opposed - 0 abstentions)

**Official 2022 Warrant – no amendments made at February 8, 2022 Deliberative Session.*

2022-23 DEFAULT BUDGET

Default Budget - NH RSA 40:13 Use of Official Ballot (in part)

IX. (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget and by salaries and benefits of positions that have been eliminated in the proposed budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, and eliminated positions shall not include vacant positions under recruitment or positions redefined in the proposed operating budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision. In calculating the default budget amount, the governing body shall follow the statutory formula which may result in a higher or lower amount than the proposed operating budget.

(c) "Contracts" as used in this subdivision means contracts previously approved, in the amount so approved, by the legislative body in either the operating budget authorized for the previous year or in a separate warrant article for a previous year.

XI. (a) The default budget shall be disclosed and presented for questions and discussion at the first budget hearing held pursuant to RSA 32:5 or RSA 197:6. The governing body, unless the provisions of RSA 40:14-b are adopted, shall complete a default budget form created by the department of revenue administration to demonstrate how the default budget amount was calculated. The line-item details for changes under subparagraph (2) shall be available for inspection by voters. The form and associated calculations shall, at a minimum, include the following:

- 1) Appropriations contained in the previous year's operating budget;
- 2) Reductions and increases to the previous year's operating budget including identification of specific items that constitute a change by account code, and the reasons for each change;
- 3) One-time expenditures as defined under subparagraph IX(b); and
- 4) Reductions for eliminated positions and benefit expenditures as defined under subparagraph IX(b).

(b) This amount shall not be amended by the legislative body. However, this amount may be adjusted by the governing body, unless the provisions of RSA 40:14-b are adopted, acting on relevant new information at any time before the ballots are printed, provided the governing body, unless the provisions of RSA 40:14-b are adopted, completes an amended default budget form.

EXPENDITURES FOR SPECIAL EDUCATION PROGRAMS AND SERVICES

(Per RSA 32:11-a)

School Year	Expenditures	Revenues
2019-2020	\$7,111,160	\$789,064
2020-2021	\$7,592,613	\$895,165

2021 ELECTION RESULTS

March 9, 2021

Article 1 - Election of Officers

To choose the following school district officers:

School Board Member	3-year term	Erin Pellegrini - 1135
School Board Member	3-year term	Jason Giard - 1035
School District Clerk	3-year term	Lisa DeMio - 24 (Write In)

Article 2 - Bond Issue/Hampstead Central School Addition Project

Yes-1205/No-957 (3/5 Ballot Vote Required) **FAILED**

Shall the voters of the Hampstead School District vote to raise and appropriate the sum of nine million seventy thousand dollars (**\$9,070,000**) for the *Hampstead Central School Addition Project* and authorize the issuance of not more than nine million seventy thousand dollars (**\$9,070,000**) of bonds or notes under and in compliance with the provisions of the Municipal Finance Act (RSA 33); to authorize the School Board to issue, negotiate, sell, and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof; to authorize the School Board to apply for, obtain, accept and expend any federal, state, or other aid that may be available for said project; and to authorize the School Board to take any and all action necessary in connection therewith or to pass any other vote relative thereto; and further to raise and appropriate an additional sum of two hundred twenty-six thousand seven hundred fifty dollars (**\$226,750**) for the first year's interest payment on the bond? (3/5 BALLOT VOTE REQUIRED) *Recommended by the School Board (3 in favor - 2 opposed - 0 abstentions)*

Article 3 - Operating Budget

Yes-1452/No-664 **PASSED**

Shall the voters of the Hampstead School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling **\$30,661,347**? Should this article be defeated, the operating budget shall be **\$30,652,326**, which is the same as last year, with certain adjustments required by previous action of the Hampstead School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: Warrant Article 3 (Operating Budget) does not include appropriations proposed under any other warrant articles. (MAJORITY VOTE REQUIRED) *Recommended by the School Board (5 in favor - 0 opposed - 0 abstentions)*

Article 4 - Hampstead Central School 60's Wing Renovation Project

Yes-1447/No-712 **PASSED**

Shall the voters of the Hampstead School District raise and appropriate the sum of **\$1,660,000** for the purpose of the Hampstead Central School 60's Wing Renovation Project and to authorize the withdrawal of **\$1,160,000** from the School Renovation, Reconstruction and Capital Improvement Capital Reserve Fund which is a Special Revenue Fund created for this purpose, and up to **\$500,000** from the June 30, 2021 unassigned fund balance (surplus) in excess of **\$150,000**, available for transfer on July 1, 2021? *(The actual total project's cost*

is \$2,095,000 to be funded as follows: \$1,160,000 from the capital reserve fund, \$500,000 from surplus, \$245,000 budgeted in school year 2021-22, and \$190,000 to be encumbered from the 2020-21 budget. With respect to surplus, the first \$150,000 will be returned to the taxpayers. The next \$500,000 of the surplus will be used to fund this Warrant Article.) (MAJORITY VOTE REQUIRED) Recommended by the School Board (3 in favor - 2 opposed - 0 abstentions)

Article 5 - Collective Bargaining Agreement - Hampstead Support Personnel Association **Yes-1382 / No-698 PASSED**

Shall the Hampstead School District vote to approve the cost items included in the collective bargaining agreement reached between the Hampstead School Board and the Hampstead Support Personnel Association, which calls for the following increases in salaries and benefits at the current staffing levels over the amount paid in the prior fiscal year:

Cost Distribution	2021-22	2022-23	2023-24	2024-25
TOTAL	\$24,936	\$24,574	\$19,830	\$19,830

and further to raise and appropriate the sum of **\$24,936** for the 2021-22 fiscal year, such sum representing the additional costs attributable to the increase in salaries and fringe benefits required by the new agreement over those that would be paid at current staffing levels? (MAJORITY VOTE REQUIRED) Recommended by the School Board (5 in favor - 0 opposed - 0 abstentions)

Article 6 - Authorization for Special Meetings on Cost Items **Yes-1514 / No-551 PASSED**

Shall the Hampstead School District, if Article 5 is defeated, authorize the Hampstead School Board to call a special meeting, at its option, to address the Article 5 cost item only? (MAJORITY VOTE REQUIRED) (Without this article, the District would have to petition the Superior Court for a Special School District Meeting. This saves the District the expense of attorney fees and court costs.) Recommended by the School Board (5 in favor - 0 opposed - 0 abstentions)

Article 7 - Capital Reserve Fund **Yes-1435 / No-645 PASSED**

Should Article 4 fail, shall the voters of the Hampstead School District raise and appropriate up to **\$400,000** to be placed in the School Renovation, Reconstruction and Capital Improvement Capital Reserve Fund established in 2006, with such amount to be transferred from the June 30, 2021 unassigned fund balance (surplus) in excess of \$150,000, available for transfer on July 1, 2021? If Article 4 passes, this article is null and void and shall not take effect. (MAJORITY VOTE REQUIRED) (The first \$150,000 of surplus will be returned to the taxpayers. The next \$100,000-\$400,000 of the surplus will be placed in the Capital Reserve Fund. Any additional surplus will be returned to the taxpayers. The funds from this article come from the 2020-21 school budget surplus, not from additional taxes.) Recommended by the School Board (4 in favor - 1 opposed - 0 abstentions)

Article 8 - General Acceptance of Reports **Yes-1832 / No-212 PASSED**

Shall the Hampstead School District accept reports of agents, auditors, and committees as written in the 2020 Annual Report? (MAJORITY VOTE REQUIRED) Recommended by the School Board (5 in favor - 0 opposed - 0 abstentions)
