

Insight:Advisor

Your Microsoft Expert

Insight is your Microsoft Expert when it comes to selecting the right volume licensing program and maximizing license usage throughout the lifecycle. With our unmatched expertise in Microsoft licensing programs, reporting services and software asset management technology, Insight can help you reduce costs and ensure compliance across your organization.

Microsoft's Software Assurance benefits are available to clients who purchase Software Assurance with their licenses. The Microsoft team at Insight offers this guide to understanding each of the benefits you can receive by leveraging the Microsoft Software Assurance (SA) benefits to which you are entitled.
