Ideal for deployment in educational institutions

- **Lower total cost ownership:** The Google Management Console significantly reduces the time required by IT staff to deploy and manage an entire fleet of C720s. With just a single click of a button, apps can be deployed to one or 5,000 Acer Chromebooks.
- **Automatic updates:** The Acer C720 automatically updates itself every six weeks, assuring that users always have the most current operating system, security features and apps.
- **Boots up fast, lasts all day:** The Acer C720 boots up in under seven seconds and never slows down. Depending on the model, the battery provides up to 8.5 hours of unplugged power, more than enough for the average school day.
- **Multiple users welcome:** Several students can safely share one Chromebook. Each person's data is encrypted automatically, preventing access by anyone else using the device.
- **Thousands of apps:** The Chrome Web Store offers over 30,000, both free and paid, including free educational and fun apps that are great teaching tools.
- **Educare Bundle** (optional), exclusively for educational institutions, features:
 - Two-year extension of limited warranty for a total of three years.
 - Three-year **Total Protection Upgrade** to cover the cost of a replacement unit if the notebook cannot be repaired.
 - **Premium Battery Support** to provide one replacement battery per year for three years.
