## Work with the Hottest Monitor Riser

Combine the ergonomic benefits of raising your monitor height and the wellness benefits of personal temperature control with the Kensington WarmView™ Wellness Monitor Stand with Ceramic Heater. An ideal monitor riser for modern homes and offices focused on wellbeing.

- **Ergonomic design** – Promotes a healthy posture and optimises comfort for the neck and shoulders.
- **Kensington patent-pending modular design** – Allows you to swap the heater with a cooling desk fan (K55855EU) or an air purifier (K55462EU) to accommodate different seasons, environments or personal preferences.
- **Stylish and durable** – Fits well with either a home office or modern business environment and supports monitors and all-in-one PCs up to 27".
- **Portable 250W Ceramic Heater** – Can be removed and used as a standalone personal heater, providing fan-powered warmth for desk spaces up to 1.1 square metres (12 square feet).
- **Certified 10-point safety system** – Includes auto shut-off, auto-off tip over switch, overheat protection, overcurrent protection, thermal cut-off fuse, 18-second cool-off fan, UL-94-V0 certified fire-retardant plastic, cool-touch housing and safety-proven PTC technology for a TÜV certified personal heater.
