

Reliable performance
for every working day

Satellite Pro A50-EC-13F

Make your day simpler with the reliable Satellite Pro A50-EC. Its multiple configurations have been built to suit you and improve productivity. From its premium components, to its solid build, you can depend on the laptop to support your work day in, day out. The Satellite Pro A50-EC offers up to an 8th Generation Intel® Core™ processor whilst a USB Type-C™ slot offers Display Port and Power Delivery via a single cable, maximising connectivity, minimising cable clutter and enabling you to be more productive, more of the time. Everything about it has been developed with professionals in mind – the high-clarity non-glare screen and full-size keypad mean you can always work to your full potential.
