Kensington The Professionals' Choice™

Universal Docking Station Buyer's Guide

Understanding the Buyer's Needs

Kensington®

1 Will you be deploying (or migrating to) laptops with the new USB-C™ ports or staying with laptops that have USB 3.0 ports?

USB-C™   USB 3.0

2 Will the desktop be configured around a single / dual / multiple monitor screens?

Single   Dual   Multiple

3 What is the screen resolution most employees are using? Will you be upgrading their monitors soon?

Full HD / 1080p   Ultra HD / 4K
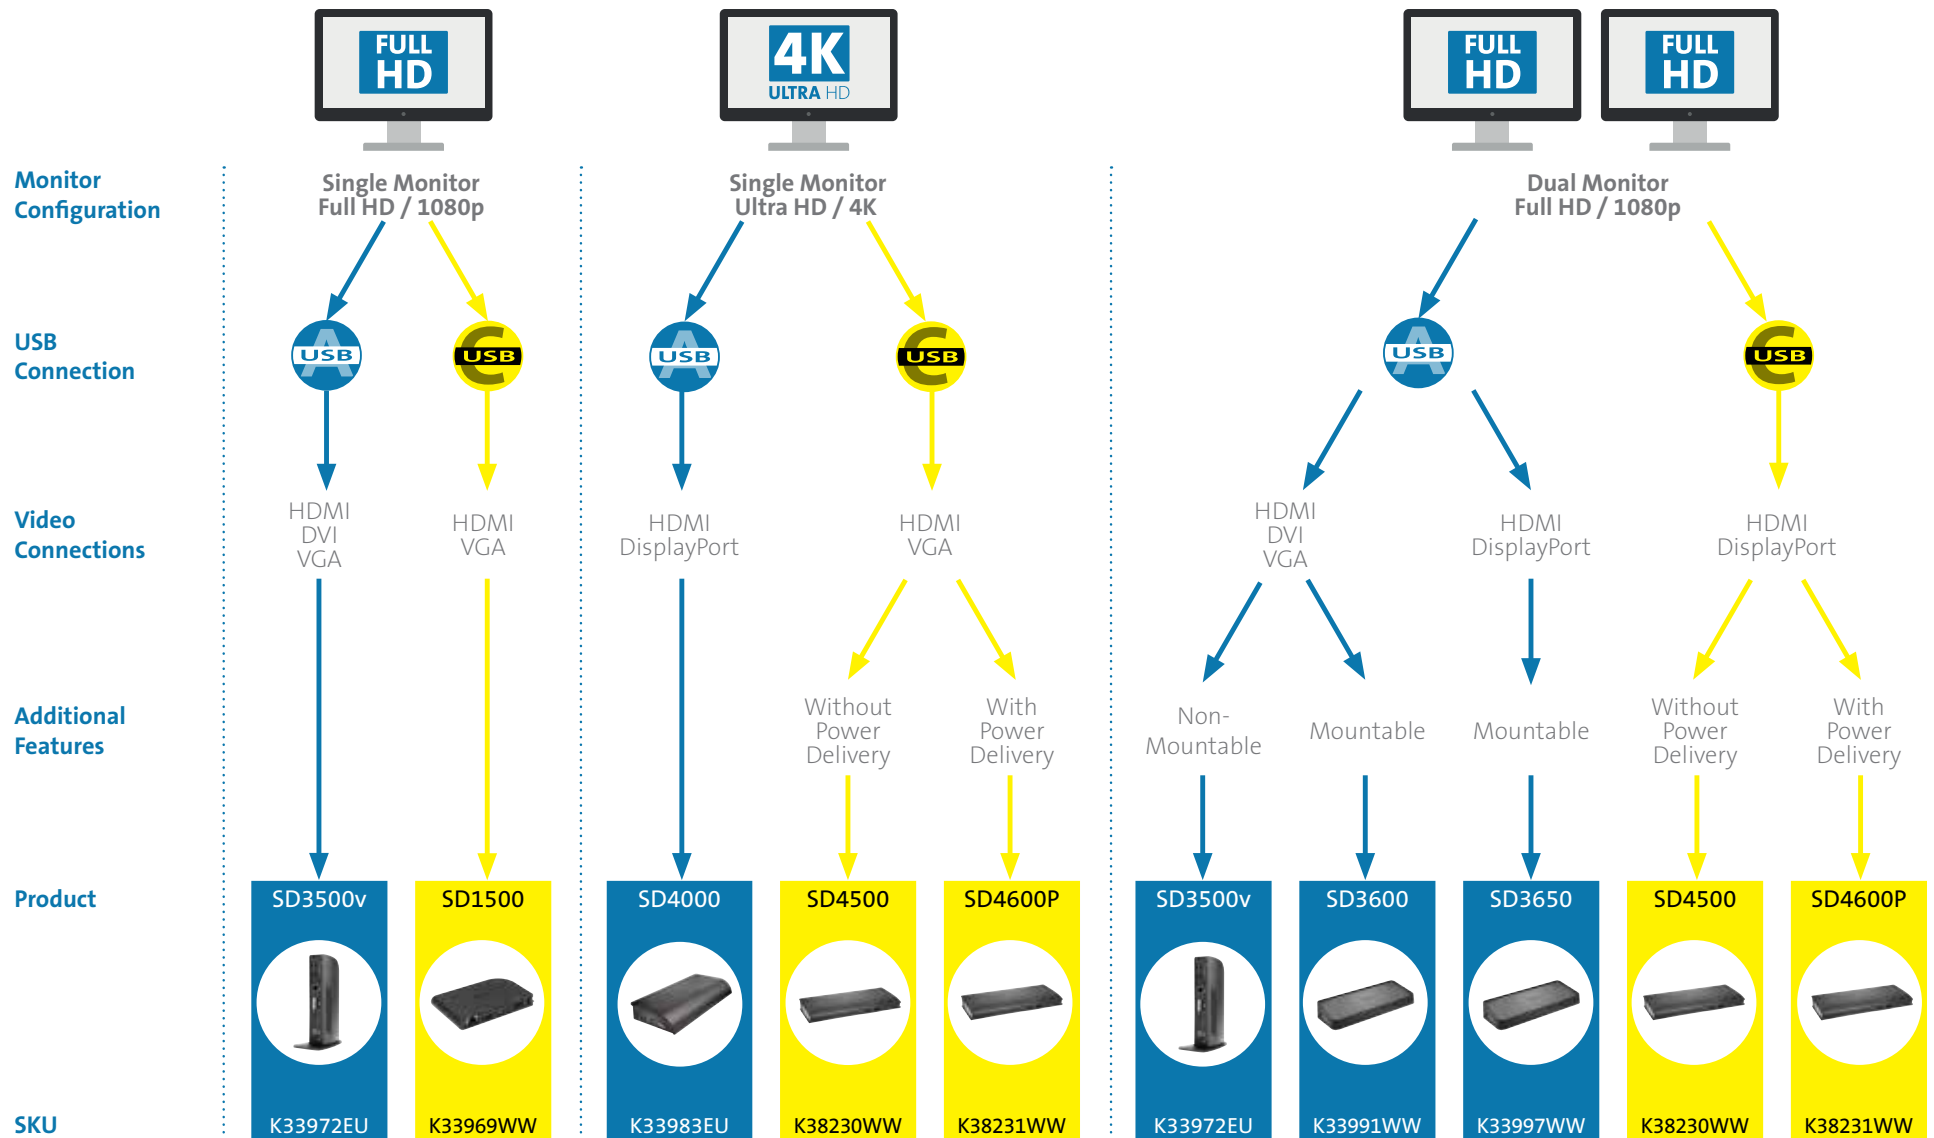

4 What ports do most employees use when connecting video to an external monitor? Are you looking to standardise?

HDMI   DisplayPort   VGA   DVI
