Kingston®

DATATRAVELER® 80

Portable high-speed storage for all Type-C devices

Kingston's DataTraveler® 80 is a high-performance USB flash drive that supports Type-C laptops, desktops, smartphones and tablets without the need for an adapter. With extremely fast transfer speeds of up to 200MB/s Read and 60MB/s Write[1], the DataTraveler® 80 allows quick and convenient file transfers. The compact and capped design with a durable casing and keyring loop makes it ideal for on-the-go storage.

Available in capacities from 32GB–256GB[2], DataTraveler® 80 is a dependable Type-C USB drive that comes with a limited 5-year warranty.

› **Designed for use with USB-C devices**

› **Up to 200MB/s read speeds[1]**

› **Durable and lightweight**

› **Capacities up to 256GB[2]**
