Incredible speeds for amazing visuals.

Kingston's Canvas React™ microSD card is designed to be as fast as you are, capturing 4K video or taking stunning burst-mode photos when the action doesn't stop. Whether you're using the latest DSLR, mirrorless camera, or flagship Android™ phone, you can be confident that your memories will be safe. It's available in multiple capacities up to 512GB², to provide plenty of space to capture an entire shoot. Kingston Canvas React cards are tested to be durable, so you can take them anywhere with confidence that your photos, videos, and other data will be protected, even in harsh or unstable conditions.³
