Lenovo Tablets & Convertibles

Lenovo convertible PCs let customers do more and share more—at work, home and on the go. Powered by Windows 10, these multimode and 2-in-1 machines include laptop convertibles with detachable keyboards, convertible tablets with built-in presentation stands, and devices that can flip from laptop to tablet—and everything in between.

Products

ThinkPad

There's a reason ThinkPad reliability is legendary and it starts with military-spec testing against extremes—our laptops more than endure the rigors of everyday life. Factor in the award-winning precision keyboard with its renowned red TrackPoint®, multitouch touchpad, ergonomic keys, and convenient multimedia buttons and we've got comfort covered too.
