

100W USB-C PD GaN COMPACT CHARGER

POWERFUL GaN TECH

Upgrade to next-gen charging with the Satechi 100W USB-C PD Compact GaN Charger, featuring powerful Gallium nitride (GaN) technology for a noticeably faster, more efficient charge. Equipped with dual USB-C PD ports and a USB-A port, the charger consolidates three adapters and intelligently adjusts its power output according to its connected devices - up to 100W. Worry-free charging with over-temperature, current, voltage, load, and short-circuit protection. Compact size and sleek space gray design.
