SCHEDULE 3

Employment

Interpretation

1.

(1) In this Schedule—

“relevant transfer” means--

- (a) a transfer of one or more Welsh environmental functions to the Natural Resources Body for Wales or the Welsh Ministers by virtue of the Natural Resources Body for Wales (Functions) Order 2013;
- (b) the delegation to the Natural Resources Body for Wales of any functions of the Welsh Ministers relating to plant health; or
- (c) a transfer to the Welsh Assembly Government (as a result of the termination of current arrangements) of work to support the formulation or development of policies in connection with the Welsh environmental functions carried out by the Countryside Council for Wales, the Environment Agency or the Forestry Commissioners;

“transferee” means—

- (a) the Natural Resources Body for Wales, in the case of a transferring employee whose employment is transferred by article 7, 8 or 9;
- (b) the Welsh Ministers, in the case of a transferring employee whose employment is transferred by article 10;

“transferor”. in relation to a transferring employee, means whichever of the Countryside Council for Wales, the Environment Agency or the Forestry Commissioners was the employer of that transferring employee immediately before the transfer date.

Continuity of employment

2.

- (1) Subject to paragraph 3, a relevant transfer does not operate so as to terminate those contracts of employment of transferring employees which would otherwise be terminated by the relevant transfer, but each such contract of employment has effect from the transfer date as if originally made between the transferring employee and the transferee.
- (2) On the transfer date, all the transferor's rights, powers, duties and liabilities under or in connection with the contract of employment of each transferring employee are transferred to the transferee.
- (3) Anything done by or in relation to the transferor in respect of any transferring employee or the contract of employment of any transferring employee is deemed on and after the transfer date to have been done by or in relation to the transferee,
- (4) Sub-paragraphs (2) and (3) do not—
 - (a) apply to obligations and liabilities under pension schemes (save as expressly provided for within this Scheme); or
 - (b) transfer or otherwise affect the liability of any person to be prosecuted for, convicted of and sentenced for any offence.
- (5) The period of continuous employment of a transferring employee with the transferor prior to the transfer date counts as a period of employment with the transferee, and the relevant transfer by operation of this Scheme does not break the continuity of the transferring employee's period of employment.

Termination of employment

3.

- (1) Paragraph 2 does not operate to transfer the contract of employment and the rights, powers, duties and liabilities under or in connection with it of an employee who objects to becoming employed by the transferee and informs the transferor or the transferee of that objection (but this is without prejudice to paragraph 4).
- (2) Subject to sub-paragraphs (3) and (4), where an employee so objects, the relevant transfer operates so as to terminate the employee's contract of employment with the transferor on the transfer date but the employee is not to be treated, for any purpose, as having been dismissed by the transferor.
- (3) Where the relevant transfer involves or would involve a substantial change in working conditions to the material detriment of an employee whose contract of employment is or would be transferred under paragraph 2, that employee may treat the contract of employment as having been terminated, in which event the employee is to be treated for all purposes as having been dismissed by the employer, but no such right shall arise by reason only of the change in employer effected by this Scheme.
- (4) Paragraph 2 and the preceding provisions of this paragraph are without prejudice to any right of an employee arising apart from this Schedule to terminate that employee's contract of employment without notice in acceptance of a repudiatory breach of contract by the employer.
- (5) Where any employee is treated as having been dismissed by an employer by virtue of sub-paragraph (3), the employee is to be treated for the purposes of Part 10 of the Employment Rights Act 1996⁽¹⁰⁾ (the "1996 Act") (unfair dismissal) as unfairly dismissed if the sole or principal reason for the dismissal is—
 - (a) the relevant transfer; or

⁽¹⁰⁾ 1996 c. 18.

- (b) a reason connected with the relevant transfer that is not an economic, technical or organisational reason entailing changes in the workforce.
- (6) This sub-paragraph applies for the purposes of sub-paragraph (3), where the sole or principal reason for the dismissal is a reason connected with the transfer that is an economic, technical or organisational reason entailing changes in the workforce of either the transferor or the transferee (as the case may be) before or after a relevant transfer.
- (7) Where sub-paragraph (6) applies—
 - (a) paragraph (5) does not apply;
 - (b) without prejudice to the application of section 98(4) of the 1996 Act (test of fair dismissal), the dismissal is, for the purposes of sections 98(1) and 135 of that Act (reason for dismissal), to be regarded as having been for redundancy where section 98(2)(c) of that Act applies, or otherwise for a substantial reason of a kind such as to justify the dismissal of an employee holding the position which that employee held.
- (8) Sub-paragraph (5) does not apply in relation to a dismissal of an employee if the application of section 94 of the 1996 Act to the dismissal of the employee is excluded by or under any provision of the 1996 Act, the Employment Tribunals Act 1996⁽¹¹⁾ or the Trade Union and Labour Relations (Consolidation) Act 1992⁽¹²⁾.

4.

- (1) This paragraph applies to all liabilities arising in connection with the employment (or the termination of employment) at any time prior to the transfer date of a person who at the time such liability arose (or immediately prior thereto, where such liability is one arising in connection with the termination of employment) was an employee assigned to the performance or provision of a Welsh environmental function which is the subject of a relevant transfer, but excluding—
 - (a) any liabilities transferred by paragraph 2, and
 - (b) any liability of a person to be prosecuted for, convicted of and sentenced for any offence.
- (2) The liabilities to which this paragraph applies includes liabilities arising in connection with the employment or the termination of employment of an employee who falls within paragraph 3(1) or who terminates a contract of employment prior to the transfer date in the circumstances described in paragraph 3(4).
- (3) Where the Welsh environmental function to which the employee was assigned at the time the liability arose (or was assigned immediately prior thereto, where the liability is one arising in connection with the termination of employment) is one which transfers to the Natural Resources Body for Wales under this Scheme, the liability transfers to the Natural Resources Body for Wales on the transfer date from whichever of the Countryside Council for Wales, the Environment Agency or the Forestry Commissioners was the employer of that person at (or immediately prior to) the time the liability arose.
- (4) Where the Welsh environmental function to which the employee was assigned at the time the liability arose (or was assigned immediately prior thereto, where the liability is one arising in connection with the termination of employment) is one which transfers to the Welsh Ministers under this Scheme (or which is vested in them already), the liability transfers to the Welsh Ministers on the transfer date from whichever of the Countryside Council for Wales, the Environment Agency or the Forestry Commissioners was the employer of that person at (or immediately prior to) the time the liability arose.
