TAP INTO BETTER MEETINGS

Simplify video meetings and improve team collaboration with video conferencing solutions that go beyond the desk.

Together with Lenovo, the leader in PCs by market share, Logitech Tap can now be powered by the ThinkSmart Core Edition. It is the perfect choice for progressive IT managers looking for high-performance, reliable, and secure, video enabled conference rooms. The bundle includes Logitech Tap and Lenovo ThinkSmart Core pre-configured for Microsoft Teams Rooms. To complete the conference room solution with crystal clear audio and video, add Logitech Rally Bar, Rally Bar Mini, MeetUp, or Rally cameras and speakers.

Now it's easier than ever to start and run efficient video meetings, invite guests, and share content.
Just tap to get started.

Certified for Microsoft Teams

LENOVO CORE.
BIG IMPACT.

The ThinkSmart Core Edition is as powerful and responsive as a full-sized desktop. It can fit—and work—anywhere within your meeting space. On a bookshelf, behind a monitor, under the desk, wherever you would like to hide this PC in your meeting space, it will fit.

In addition, every ThinkSmart Core Edition is equipped with robust security features built-in to safeguard your critical data and provide reliability your organization can count on.
