

# LOGITECH CHROMEBOOK SOLUTIONS FOR EDUCATION

Smart ways to enhance the power of Chromebooks

When you see the Works With Chromebook™ badge, it means that this Logitech device meets compatibility standards to work seamlessly with Chromebooks.

## STYLUS

A stylus gives students the control they need to work their way and collaborate with peers and teachers. They can write, draw, take notes, sketch, annotate, markup, shade, and navigate with ease.

### LOGITECH PEN

Compatible with USI-enabled Chromebooks and learning apps  
No pairing needed, just turn on and go  
USB-C rechargeable
